## ADDENDUM TWO

### PUBLIC SAFETY BUILDING REMODEL DESIGN-BUILD PROJECT REQUEST FOR PROPOSAL #24P-2320

1. Please see the attached Design-Build Project Schedule through July 19, 2024.
2. Please see the attached Abatement Material Resource Document. All materials have been uploaded to the online share file. Additional documents regarding abatement and environmental testing will be available prior to issuing a future addendum.
3. See below for the revised Phase II Submission Schedule of Events. We will work to provide addendum clarifications as we finalize them prior to August 9, 2024.
