SECTION 2 – INSTRUCTIONS TO BIDDERS

COMMUNICATIONS: To create a more competitive and unbiased procurement process, the County has a single point of contact throughout the process. From the issue date of this Bid, until a Successful Bidder is selected, all requests for clarification or contacts with County personnel concerning this Bid or the evaluation process must be solely with the Purchasing Department.

A violation of this provision is cause for the County to reject the Bidder's submitted Bid. If it is later discovered that a violation has occurred, the County may reject any Bid or terminate any contract awarded pursuant to this Bid. No contact regarding this solicitation with County employees is permitted.

BID INFORMATION AND QUESTIONS: Each Bid that is timely received will be evaluated on its merit and completeness of all requested information. In preparing Bids, Bidders are advised to rely only upon the contents of this Bid solicitation and accompanying documents and any written clarifications or addenda issued by the County. If a Bidder finds a discrepancy, error, or omission in the Bid solicitation, or requires any written addendum thereto, the Bidder must notify the Purchasing Department, so that written clarification may be sent to all prospective Bidders. The County is not responsible for oral representations. All questions must be submitted, in writing, to the Purchasing Department before the **Bidder's Questions Deadline**. All answers will be issued in the form of a written Bid Addendum.

BID SUBMISSION: Bids must be submitted before the date and time indicated as the **Bid Due Date Deadline**. It is each Bidder's responsibility to ensure that the submittal is received and timestamped prior to the **Bid Due Date Deadline**. This responsibility rests entirely with the Bidder, regardless of delays resulting from postal handling or for any other reasons. Bids will be accepted during the normal course of business from 8:00 A.M. to 5:00 P.M. local time, Monday through Friday, except for legal holidays, at the County's Purchasing Department.

Bids arriving after the stated **Bid Due Date and Time Deadline** will not be accepted and shall be returned to the Bidder unopened. The Purchasing Department timestamp shall be the official time. The opening of a Bid does not constitute the County's acceptance of the Bidder as a responsive and/or responsible Bidder.

Bidders must sign, in ink, the **Bid Form**, where indicated. Unsigned Bids will not be considered. Each signature represents binding commitment upon the Bidder to provide the goods and/or services offered to the County, if the Bidder is determined to be the most responsive and responsible Bidder.

Bids must be enclosed in a sealed envelope, box, or package, and clearly marked on the outside with the **Bid Return Label** secured to the lower left-hand corner.

- a. Submission of a Bid establishes a conclusive presumption that the Bidder is thoroughly familiar with the Bid solicitation and specifications and terms, and the County's Purchasing Ordinance and that the Bidder understands and agrees to abide by each, and all of the stipulations and requirements contained therein.
- b. All prices and notations must be typed or printed in ink. No erasures are permitted. Mistakes may be crossed out and the person(s) signing the Bid must also initial corrections in ink.
- c. All costs incurred in the preparation and presentations of the Bid, as well as, any resulting contract, are the Bidder's sole responsibility; no such costs will be reimbursed to any Bidder. All documentation submitted with the Bid will become the property of the County.
- d. Bids are subject to public disclosure after the **Bid Due Date Deadline**, in accordance with State Law under the Freedom of Information Act (FOIA).

CONTRACT AWARD: The County reserves the right to withdraw the Bid solicitation, to award to one Bidder, to any combination of Bidders, by item, group of items, or total Bid. The County may waive informalities, if it is in the County's interest. The Bidder(s) to whom the award is made will be notified, as soon as possible. Tentative acceptance of the Bid, intent to recommend award of a contract and actual award of the contract will be provided by written notice sent to the Bidder at the email address designated in the Bid. All Bids must be for a firm fixed price unless modified. If, for any reason, a contract is not executed with the selected Bidder within 14 days after notice of recommended award, then the County may recommend the next most responsive and responsible Bidder. Award of this Bid is contingent upon the availability of funds for this project, within the sole discretion of the County. Acceptance of the Bidder's Bid does not constitute a binding contract. There is no contract until the County's policies have been fulfilled. The County is not liable for performance costs until the successful Bidder has been given a fully executed contract. Failure to accept the terms and conditions of the County may deem the Bidder non-responsive.

ALTERNATE OR EQUAL BIDS: The specifications cannot cover precisely, all minute details of the goods or equipment required. Therefore, for purposes of establishing a standard of quality, the items listed in the specification may state brand names, manufacturer's models, numbers, and etcetera. The County of Winnebago, for cost effective measures, standardizes on specific items; those Bids will contain the language "No Substitutions," and any alternative will not be considered. A generic or an alternate brand product of equal specifications may be proposed as an alternative for the item identified unless "No Substitutions" is indicated. However, in bidding an alternate item, the Bidder must also attach manufacturer's printed specifications and literature.

NON-DISCRIMINATION: The County will not contract with any person or firm that discriminates against employees or applicants for employment because of any factor not related to job performance. The Bidder must comply with all Federal, State and local laws and policies that prohibit discrimination in employment contracts.

REJECTION: The County reserves the right to reject any or all Bids, or to accept or reject any Bid in part, and to waive any minor informality or irregularity in Bids received, if it is determined by the Director of Purchasing or designee that the best interest of the County will be served by doing so. The County may reject any Bid from any person, firm or corporation in arrears or in default to the County on any contract, debt, or other obligation, or if the Bidder is debarred by the County from consideration for a contract award, or if Bidder has committed a violation of the ethics or anti-kickback provisions of the County's Purchasing Ordinance which resulted in a termination of a contract or other material sanction.

PROPRIETARY INFORMATION/FOIA: Under the Illinois Freedom of Information Act, all records in the possession of the County are presumed to be open to inspection or copying, unless a specific exception applies. One exemption is "trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested." 5 ILCS 140/7(1) (g). The County will assume that all information provided in a Bid or proposal is open to inspection or copying by the public unless clearly marked with the appropriate exception that applies under the Freedom of Information Act. Additionally, if providing documents that you believe fall under an exception to the Freedom of Information Act, submit both an unreacted copy along with a redacted copy which has all portions redacted that you deem to fall under a Freedom of Information Act exception.

CONTRACT NEGOTIATION: All Bids must be firm for at least 120 calendar days from the **Bid Due Date**. If for any reason, a Contract is not executed with the selected Bidder within fourteen days after notice of recommended award, then the County may recommend the next most responsive and responsible Bidder. There is no contract until the County's policies and procedures have been fulfilled.

DISQUALIFICATION OF BIDDERS: Any one or more of the following causes may be considered sufficient for the disqualification of a Bidder and the rejection of the Bid:

- a. Evidence of collusion among Bidders.
- b. Lack of competency as revealed by financial, experience, or equipment
- c. Lack of responsibility as shown by past work.
- d. Uncompleted work under other contracts which, in the judgment of the County, might hinder or prevent the prompt completion of additional work, if awarded.

BIDDER RESPONSIBILITIES: The Bidder must be capable, either as a firm or a team, of providing all services as described under Specifications and/or Scope of Work (Services) and to maintain those capabilities until notification of the fact that their submitted Bid was unsuccessful. The selected Bidder must remain capable of providing all services proposed as described under Specifications and/or Scope of Work/Services and must maintain those capabilities until the agreement is successfully finished.

COMPLIANCE WITH ILLINOIS STATE LAW: By submitting a response, Bidder certifies that it has obtained all required authorizations, certifications, and/or licenses required by law to perform the work described herein and transact business within the State of Illinois. This may include but is not limited to, in the case of a foreign business corporation, limited liability company, limited partnership, or limited liability partnership, authorization from the Illinois Secretary of State to transact business within the State of Illinois.

PREVAILING WAGE: Prevailing rate of wages as determined by the Illinois Department of Labor does apply to some or all work performed on this contract and paid to all laborers, workers and mechanics performing work under this contract. State Statutes regarding Prevailing Wage and the current wage rates are available online. Contractor must retain payroll records for five (5) years and make those records available for inspection by the County or the Illinois Department of Labor. The Prevailing Wage Rates does apply to some or all work performed on this contract. It is the Contractor's responsibility to comply with these requirements and to assure compliance by their subcontractors.

WITHDRAWAL: Bids may only be withdrawn, by written notice prior, to the **Bid Due Date** deadline. No Bid may be withdrawn after the **Bid Due Date** deadline.

- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
