SUBMISSION OF BIDS

The Bidder, by its officers, agents or representatives (hereafter referred to as the Bidder), shall be responsible for delivery of Bids to the Purchasing Department before the date and hour set for the opening of Bids. *Late Bids will not be considered and will be returned unopened.*

All Bids must be received in a sealed envelope that has your name and address in the UPPER left corner and the attached **Bid Return Label** filled in and attached on the LOWER left corner.

Bids mailed "EXPRESS MAIL" must have Bid number and due date on the outside of the EXPRESS MAIL envelope. You must allow sufficient time for processing through the County's internal mailroom system. Submitting a Bid is solely and strictly the responsibility of the Bidder. The County is not responsible for delays caused by any mail, package or courier service, including the U.S. Mail, or caused by any other occurrence. Any proposal received after the due date and time stated in the solicitation timetable will not be opened and will not be considered.

The Bid must be signed by an authorized officer of the company who is legally authorized to enter into a contractual relationship in the name of the company. The submittal of a Bid will be considered by the County as an offer by the company to perform the required services and/or provide the required goods at the price stated by the company.

ENTIRE AGREEMENT

These Standard Terms and Conditions of the Bid shall apply to any contract or order awarded as a result of this Bid except where special requirements are stated elsewhere in the Bid; in such cases the special requirements shall apply. Further, the written contract and/or order with referenced parts and attachments shall constitute the entire agreement and no other terms and conditions in any document, acceptance, or acknowledgement shall be effective or binding unless expressly agreed to in writing by the contracting authority.

DEVIATIONS, EXCEPTIONS OR ALTERNATES

Any deviation from the standard terms and conditions or specifications, must be explained in detail on sheets attached to the response and labeled "Clarifications and Exceptions", and each deviation must be itemized by number and must specifically refer to the applicable specification paragraph and page.

Otherwise, it will be considered that items offered are in strict compliance with these standard terms and conditions and specifications and the successful Bidder will be held responsible for meeting the specifications. If Bidder wishes its "Standard Terms and Conditions" to be considered as part of its response, such terms and conditions must be made part of the "Clarifications and Exceptions".

The County reserve the following rights: to waive clarifications and exceptions in awarding the IFB in the best interest of the County; to accept or reject any or all bids; to waive any or all irregularities; and to award the contract to the most responsive, responsible Bidder whose response is determined by the County to be in its best interest. Bidders are cautioned to avoid making deviations and exceptions to the standard terms and conditions or specifications, which may result in rejection of their Bid. If deviations, exceptions or alternates are submitted, it is

the County of Winnebago Director of Purchasing's sole and final decision whether specifications have been met and will be considered for award.

NOTE: Bidders are strongly encouraged to submit any deviations or exceptions to the County before the question submittal deadline, so that based upon the County's response in an addendum, the Bidder can determine if it is in their best interest to submit a response.
