SECTION 2 – INSTRUCTIONS TO BIDDERS

COMMUNICATIONS: To create a more competitive and unbiased procurement process, the County has a single point of contact throughout the process. From the issue date of this Bid, until a Successful Bidder is selected, all requests for clarification or contacts with County personnel concerning this Bid or the evaluation process must be solely with the Purchasing Department.

A violation of this provision is cause for the County to reject the Bidder's submitted Bid. If it is later discovered that a violation has occurred, the County may reject any Bid or terminate any contract awarded pursuant to this Bid. No contact regarding this solicitation with County employees is permitted.

BID INFORMATION AND QUESTIONS: Each Bid that is timely received will be evaluated on its merit and completeness of all requested information. In preparing Bids, Bidders are advised to rely only upon the contents of this Bid solicitation and accompanying documents and any written clarifications or addenda issued by the County. If a Bidder finds a discrepancy, error, or omission in the Bid solicitation, or requires any written addendum thereto, the Bidder must notify the Purchasing Department, so that written clarification may be sent to all prospective Bidders. The County is not responsible for oral representations. All questions must be submitted, in writing, to the Purchasing Department before the **Bidder's Questions Deadline**. All answers will be issued in the form of a written Bid Addendum.

BID SUBMISSION: Bids must be submitted before the date and time indicated as the **Bid Due Date Deadline**. It is each Bidder's responsibility to ensure that the submittal is received and timestamped prior to the **Bid Due Date Deadline**. This responsibility rests entirely with the Bidder, regardless of delays resulting from postal handling or for any other reasons. Bids will be accepted during the normal course of business from 8:00 A.M. to 5:00 P.M. local time, Monday through Friday, except for legal holidays, at the County's Purchasing Department.

Bids arriving after the stated **Bid Due Date and Time Deadline** will not be accepted and shall be returned to the Bidder unopened. The Purchasing Department timestamp shall be the official time. The opening of a Bid does not constitute the County's acceptance of the Bidder as a responsive and/or responsible Bidder.

Bidders must sign, in ink, the **Bid Form**, where indicated. Unsigned Bids will not be considered. Each signature represents binding commitment upon the Bidder to provide the goods and/or services offered to the County, if the Bidder is determined to be the most responsive and responsible Bidder.

Bids must be enclosed in a sealed envelope, box, or package, and clearly marked on the outside with the **Bid Return Label** secured to the lower left-hand corner.

- a. Submission of a Bid establishes a conclusive presumption that the Bidder is thoroughly familiar with the Bid solicitation specifications and terms, and the County's Purchasing Ordinance, and that the Bidder understands and agrees to abide by each, and all of the stipulations and requirements contained therein.
- b. All prices and notations must be typed or printed in ink. No erasures are permitted. Mistakes may be crossed out and the person(s) signing the Bid must also initial corrections in ink.
- c. All costs incurred in the preparation and presentations of the Bid, as well as, any resulting contract, are the Bidder's sole responsibility; no such costs will be reimbursed to any Bidder. All documentation submitted with the Bid will become the property of the County.
- d. Bids are subject to public disclosure after the **Bid Due Date Deadline**, in accordance with State Law under the Freedom of Information Act (FOIA).

CONTRACT AWARD: The County reserves the right to withdraw the Bid solicitation, to award to one Bidder, to any combination of Bidders, by item, group of items, or total Bid. The County may waive informalities, if it is in the County's interest. The Bidder(s) to whom the award is made will be notified, as soon as possible. Tentative acceptance of the Bid, intent to recommend award of a contract and actual award of the contract will be provided by written notice sent to the Bidder at the email address designated in the Bid. All Bids must be for a firm fixed price unless modified. If, for any reason, a contract is not executed with the selected Bidder within 14 days after notice of recommended award, then the County may recommend the next most responsive and responsible Bidder. Award of this Bid is contingent upon the availability of funds for this project, within the sole discretion of the County. Acceptance of the Bidder's Bid does not constitute a binding contract. There is no contract until the County's policies have been fulfilled. The County is not liable for performance costs until the successful Bidder has been given a fully executed contract. Failure to accept the terms and conditions of the County may deem the Bidder non-responsive.

ALTERNATE OR EQUAL BIDS: The specifications cannot cover precisely, all minute details of the goods or equipment required. Therefore, for purposes of establishing a standard of quality, the items listed in the specification may state brand names, manufacturer's models, numbers, and etcetera. The County of Winnebago, for cost effective measures, standardizes on specific items; those Bids will contain the language "No Substitutions," and any alternative will not be considered. A generic or an alternate brand product of equal specifications may be proposed as an alternative for the item identified unless "No Substitutions" is indicated. However, in bidding an alternate item, the Bidder must also attach manufacturer's printed specifications and literature.

NON-DISCRIMINATION: The County will not contract with any person or firm that discriminates against employees or applicants for employment because of any factor not related to job performance. The Bidder must comply with all Federal, State and local laws and policies that prohibit discrimination in employment contracts.

REJECTION: The County reserves the right to reject any or all Bids, or to accept or reject any Bid in part, and to waive any minor informality or irregularity in Bids received, if it is determined by the Director of Purchasing or designee that the best interest of the County will be served by doing so. The County may reject any Bid from any person, firm or corporation in arrears or in default to the County on any contract, debt, or other obligation, or if the Bidder is debarred by the County from consideration for a contract award, or if Bidder has committed a violation of the ethics or anti-kickback provisions of the County's Purchasing Ordinance which resulted in a termination of a contract or other material sanction.

PROPRIETARY INFORMATION/FOIA: Under the Illinois Freedom of Information Act, all records in the possession of the County are presumed to be open to inspection or copying, unless a specific exception applies. One exemption is "trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested." 5 ILCS 140/7(1) (g). The County will assume that all information provided in a Bid or proposal is open to inspection or copying by the public unless clearly marked with the appropriate exception that applies under the Freedom of Information Act. Additionally, if providing documents that you believe fall under an exception to the Freedom of Information Act, submit both an unreacted copy along with a redacted copy which has all portions redacted that you deem to fall under a Freedom of Information Act exception.

CONTRACT NEGOTIATION: All Bids must be firm for at least 120 calendar days from the **Bid Due Date**. If for any reason, a Contract is not executed with the selected Bidder within fourteen days after notice of recommended award, then the County may recommend the next most responsive and responsible Bidder. There is no contract until the County's policies and procedures have been fulfilled.

DISQUALIFICATION OF BIDDERS: Any one or more of the following causes may be considered sufficient for the disqualification of a Bidder and the rejection of the Bid:

- a. Evidence of collusion among Bidders.
- b. Lack of competency as revealed by financial, experience, or equipment.
- c. Lack of responsibility as shown by past work.
- d. Uncompleted work under other contracts which, in the judgment of the County, might hinder or prevent the prompt completion of additional work, if awarded.

BIDDER RESPONSIBILITIES: The Bidder must be capable, either as a firm or a team, of providing all services as described under Specifications and/or Scope of Work/Services and to maintain those capabilities until notification of the fact that their submitted Bid was unsuccessful. The selected Bidder must remain capable of providing all services proposed as described under Specifications and/or Scope of Work/Services and must maintain those capabilities until the agreement is successfully finished.

COMPLIANCE WITH ILLINOIS STATE LAW: By submitting a response, Bidder certifies that it has obtained all required authorizations, certifications, and/or licenses required by law to perform the work described herein and transact business within the State of Illinois. This may include but is not limited to, in the case of a foreign business corporation, limited liability company, limited partnership, or limited liability partnership, authorization from the Illinois Secretary of State to transact business within the State of Illinois.

PREVAILING WAGE: Prevailing rate of wages as determined by the Illinois Department of Labor may apply to work performed on this contract and paid to all laborers, workers and mechanics performing work under this contract. State Statutes regarding Prevailing Wage and the current wage rates are available online. Contractor must retain payroll records for five (5) years and make those records available for inspection by the County or the Illinois Department of Labor. The Prevailing Wage Rates may apply to work performed on this contract. It is the Contractor's responsibility to comply with these requirements and to assure compliance by their subcontractors.

END OF SECTION 6 – ADDITIONAL WORK REQUIREMENTS

SECTION 7 – BID SPECIFICATIONS

INTENT

The County is seeking Bids for towing and wrecking services, primarily for vehicles that are subject to impound by the Sherrifs Department or for County vehicles, on an “as required” basis.

The County hereby offers the option to Bid on the entire County or to Bid on either section per the County Section Map. Attached as the last page of the solicitation is the **County Section Map** that divides the County into two sections.

The County required towing of approximately 1450 vehicles in 2022; 1389 to impound and approximately 70 County vehicles. These figures are provided to give the Bidder a general idea of the County’s volume and is not a guarantee of future demand.

Bidder must have available at all times, ample units, to accommodate the County’s requirements. Flat beds as well as tow trucks are required.

TRUCK REQUIREMENTS

1. All trucks must comply with all Federal Motor Carriers Safety Regulations.
2. The wrecker hoist must be mounted on truck with a one (1) ton capacity or larger. The successful Bidder must be capable of rendering service without unnecessary delays.
3. Wreckers used for picking up vehicles shall be equipped with a spacer bar attached from the wrecker using a car guard, towing sling or similar protective device, and a wheel lift.
4. There shall be mounted, on the top of the wrecker, an amber emergency-type lighting system that includes strobe or oscillating lights.
5. The wrecker must be equipped with a power winch that operates the hoist and includes sufficient wire cable of a least $\frac{3}{8}$ " in diameter to make a pull of at least 150 feet.
6. Each wrecker must be equipped with a steering wheel clamp or device to lock the steering on the disabled vehicles.
7. Additional flat-bed requirement minimums are:
 - a. 14,500 GUWR or greater
 - b. 8,000 pound winch capacity
 - c. 8,000 pound bed capacity
 - d. 50 feet of $\frac{3}{8}$ " cable

The flatbed unit must have the capability of loading a vehicle with a minimal amount of structural change to the vehicle and have a means of covering said vehicle completely to preserve evidence related to vehicle while transporting.

8. Towing vehicles must be equipped with a broom, shovel, five gallon capacity trash can, five gallon capacity oil dry, cable cutters, snatch block, pry bar and light bar.
9. Bidders shall submit one price. All other incidentals and optional anticipated and unanticipated services shall be figured into the price Bid. This includes, but is not restricted to, use of dollies, use of a winch, unlocking of vehicles, disconnection of drive shafts, and recovering vehicles partially or completely

submerged in water, etc. **NO ADDITIONAL CHARGES to the agreed to Bid price will be allowed when billing for services.**

Any drivetrain or other equipment disconnected to allow towing will be reconnected once said vehicle is parked at an impound facility. If it is necessary for the County Department to call to have a drivetrain or other equipment reconnected, *this will be done by the towing Contractor at no charge to the Department or the person claiming the vehicle.*

10. In some cases, the County will require towing of trucks, campers, etc. Contractor will need to be able to promptly accommodate the towing of these vehicles safely and in compliance with all applicable laws.

Because of the nature of accidents in rural areas, off-road equipment may be needed to access areas such as fields, wooded areas, and creeks. Examples of equipment include Bobcat, tractors or 4X4 recovery unit. Chainsaws, fence/wire cutters, and extra wire rope also need to be available.

If a towing situation requires a second vehicle that is of an off-road recovery unit type, Bidder should include the rate (if any) for the second vehicle (off-road recovery unit) on the BID FORM. This cannot be a second wrecker.

11. As it is reasonably practical, the wrecker must be maintained in good appearance.

DRIVER QUALIFICATIONS

Successful Bidder must have adequate personnel on a continuous 24-hour basis, trained and skilled in the equipment and techniques of proper towing work.

1. Full compliance with all Federal Motor Carrier Regulations including, but not limited to:
 - a. Proper Driver's License Classification
 - b. Driver's Medical Card
 - c. Background Check
 - d. Training/Certification classes completed
2. All drivers must wear company-issued uniforms that clearly state company name.
3. Company shall have available qualified equipment operators to operate any and all of its tow trucks at all times.

Bidder must be in compliance with all **Illinois Commercial Safety Towing Law** (625 ILCS 5/18d-101 et seq.). The Safety Towing Law regulates all damaged or disabled vehicle relocations conducted in Winnebago, Cook, DuPage, Kane and Will counties. The Law applies to all Illinois Safety Relocators, regardless of where their base of operation is located; if a damaged or disabled vehicle, relocation is performed in the five regulated counties.

A criminal background check may be performed on company owners and their employees and it will be the sole decision of the Winnebago County Sheriffs Department to determine the acceptability of the background check.

The Bidder's operations, facility, and equipment may be inspected and approved by County personnel.

If the successful Bidder(s) has conducted business with the County in the past, a review of any inquiries relating to business practices may also be conducted.

The successful Bidder must be able to provide 24-hour wrecking service, seven days a week. Bidder must have direct contact by telephone, and be capable of receiving dispatch calls from the 9-1-1-Dispatch Center. In addition, direct communication must be possible 24 hours per day, seven days a week. No answering service is allowed. The County would prefer that the Bidder have a cellular phone with the driver at all times.

No affiliation with any type of group towing will be allowed. There will be no subcontracting unless approved by WCSO and would be limited to towing only.

The successful Bidder's response time to each request for towing service by the Sherrifs Department is preferably to arrive at the desired location within thirty (30) minutes or less of the request unless otherwise directed. **The Bidder will be required to list response time on the Bid Form.**

COUNTY OWNED VEHICLES

There are approximately seventy (70) incidents per year that require towing or tire changes of County owned vehicles. It is the County's preference to have these vehicles towed or tires changed at no charge. Depending upon the vehicle(s) involved, these types of tows will be taken to the Winnebago County Sherrifs Office at 650 West State Street, Rockford IL 61102, a County owned facility, or to an auto repair shop located within the County, as instructed by County staff.

OPTIONAL SERVICES

At times, there are needs for the following optional services. Include the cost for each optional service in your rates under the Bidder's Bid Criteria Section of the BID FORM.

1. Tire changes
2. Lockouts
3. Jump-starts
4. Gas delivery rate (plus cost of gas)

NON-COUNTY OWNED VEHICLES

All towed vehicles, with the exception of the County-owned vehicles, will be towed to an impound facility located within the County.

UNCLAIMED VEHICLES

Abandoned vehicles located on private property must be picked up immediately after the successful Bidder is contacted by the WCSO. Disposition of unclaimed vehicles shall be made pursuant to 625 ILCS 5/4-201 through 4-214 of the Illinois Vehicle Code and the Contractor shall maintain all appropriate records as specified by these statutes. The Contractor shall provide the WCSO with an inventory and status report of all police related towed vehicles still in the custody of the Contractor at the end of each month on or before the tenth day of the following month.

REMOVAL AND CLEAN UP OF DEBRIS

After any traffic collision for which the Contractor has been requested to respond, in compliance with the Illinois Vehicle Code, 625 ILCS 5/11-1413(c), the Contractor shall remove any glass or other debris except any hazardous substance as defined in Section 3.215 of the Environmental Protection Act, 415 ILCS 5/3.215, hazardous waste as defined in Section 3.220 of the Environmental Protection Act, 415 ILCS 5/3.220, and potentially infectious medical waste as defined in Section 3.360 of the Environmental Protection Act, 415 ILCS 5/3.360, dropped upon the highway and shall cover any oil, antifreeze, grease deposits, etc. as necessary.

STORAGE REQUIREMENTS

In certain accident related investigations, (past averages have been 6 to 12 per year) the towed vehicle must be stored at the towing company's location, in a secure environment. Based on Court Orders, this type of storage situation may require many months of secure storage. The County does have the occasional commercial (could be 18 wheel) vehicle that must be towed and stored for evidence and inspection. Any and all storage fees must be billed to the vehicle owner and/or their insurance provider. The County will not be held responsible for any fees or costs.

Bidders must have the capability for vehicles storage for emergency overflow. Bidders must provide details in regards to their storage location size, security and hours of operation. The successful Bidder must operate

and maintain its storage facility in accordance with all applicable zoning requirements, local, State and Federal laws, Winnebago County Health Department regulations and all County of Winnebago Ordinances.

CONTRACT TERM, RENEWALS, EXTENSIONS & REVISIONS

The initial Contract award will be for a period of three (3) years. The Contract may be subject to one (1) additional one (1) year renewal period provided there is no change in the terms, conditions, specifications, and prices and provided that such renewal is mutually agreed to by both parties, based in part on satisfactory completion of the initial Contract. In no event shall the initial term, plus renewal, exceed four (4) years.

Contract extensions, renewals, or revisions will occur through the issuance by County to Contractor of a revise agreement document setting forth the requested changes. Failure by Contractor to object, in writing, to the proposed revisions, terms, conditions, scope modifications and/or specifications within ten (10) calendar days of issuance by County will signify acceptance of all such changes by Contractor and the revision will be binding upon both parties, effective on the date of issuance.

In the event of unusual events, such as storms or significant public safety emergencies, which may overwhelm a single towing service provider, the County retains the right to include the use of other towing Contractors to supplement the capacity of the winning Bidder.

The successful Bidder will issue a monthly invoice with detailed documentation for all towing services provided during that particular month. In the event of oversized vehicles, such as an RV, any additional charges must be approved prior to invoice, or if possible, prior to services performed.

Once the proposal is awarded, operational procedures will be set-up with the Sherrifs Department.
