The project also includes replacing the service drive used for deliveries of food and other necessary supplies. Handicap stalls will be adjusted and striped to meet current ADA Standards. This project will also address the northeast corner of the parking lot that is sinking, leaving a manhole exposed and above the parking lot grade, presenting a hazard to vehicles and people.

The invitation resulted in five (5) companies represented at the Mandatory Pre-Bid Meeting and a total of three (3) Bids with the lowest Bid presented at \$86,800 by Norwest Construction, Inc., see Resolution Exhibit A.
