- Recommend that the PACE Financing plus the outstanding principal on all mortgage liens secured by the property shall not exceed 100% percent of the Property value, unless otherwise approved by the Program Administrator. For example, a commercial building with an assessed or appraised value of \$1,000,000 that requests a \$250,000 PACE Financing must have total outstanding mortgage loan balance(s) as of closing of the PACE Financing that are not greater than \$750,000. *Capital Providers may have additional limits based on their underwriting criteria*
- Pursuant to the PACE Act, property value will be determined by either the assessed value from the county assessor's office or alternatively Record Owners may supply an appraisal prepared by an independent licensed real estate appraisal firm. Record Owners of not-for-profit properties must provide an appraisal, as described above.

(11) A requirement that the Record Owner of Property subject to a mortgage obtain written consent from the mortgage holder before participating in the PACE Program;

Applicants must provide notice to all existing mortgage lenders of Applicant's intent to enter into a PACE Assessment Contract with the County, which will encumber the Property. Applicant's notice must state the maximum principal amount to be secured by the Assessment Contract, as well as the maximum annual amount to be repaid via the Assessment Contract (assuming there is no default).

Applicant must provide the written consent of the existing mortgage lender(s) of record on the Property prior to Final Application approval by the Program Administrator. The Mortgage Lender Consent must acknowledge the following:

1. The PACE assessment will be part of the general real estate tax bill and therefore the annual payment will have priority to the Mortgage Lender's existing lien.
2. The County, or its assignee, will have the same rights and remedies under the Property Tax Code which could ultimately lead to the foreclosure of the lien on the Property pursuant to tax law if the assessment is not paid. The County is not required to purchase outstanding delinquent PACE liens.
3. The maximum principal amount to be secured by the Assessment Contract.
4. The maximum annual amount to be repaid via the Assessment Contract (assuming there is no default).
5. The levy of the PACE Assessment will not trigger an event of default or the exercise of any remedies under the mortgage loan document or other security agreement held by the lienholder.

The purpose of the Mortgage Lender Consent is to:

- Provide notice to the mortgage holder that the Applicant is proposing the Property participate in the PACE Program, and obtain the mortgage holder's consent to such participation
- Receive confirmation from the Mortgage Lender that the levy of the PACE Financing, pursuant to the Assessment Contract, will not trigger an event of default allowing the Mortgage Lender to exercise any remedies under the mortgage loan documents or other security documents held by the lienholder
- Advise the mortgage holder or lienholder that the PACE Financing will be repaid in Installments collected pursuant to the terms of the Assessment Contract subject to the same penalties, remedies and lien priorities as a special assessment

(12) Provisions for marketing and participant education;

IECA will conduct outreach to organizations that have existing relationships with owners such as IREM, BOMA, ICSC, as well as general business advocacy groups such as the local Chambers of Commerce.

Contractors, project developers, and Energy Project assessment firms are also effective channel partners to engage and educate about the PACE Program.

IECA will also develop a website on behalf of the County that will have essential information regarding the PACE Program, benefits, and downloadable marketing materials as well as social media feeds and pages. Separately, there will be a web portal powered by Slipstream (formerly WECC) that will process project applications.

The IECA team has a variety of marketing materials that are ready to be adapted to the County and are tailored to both general audiences and specific stakeholders. The IECA team will provide training and education through in person seminars, workshops, webinars and web-based classes as appropriate.

(13) [Blank]

(14) Quality assurance and antifraud measures.

The Program Administrator will conduct quality assurance for PACE Financings and will enforce antifraud measures in order to ensure that PACE Financings adhere to the requirements stated in the Program Guidelines, as well as requirements enacted by applicable legislation and ordinances. Quality assurance protocols and antifraud measures serve to create safeguards that promote the quality and performance of Energy Projects and the corresponding PACE Financings completed through the PACE Program.

Protocols will assure that buildings improved through the PACE Program meet the property eligibility requirements established in statute and in the Program Guidelines. Measures will also verify that Applicants are eligible Record Owners that are in good standing according to state statute and the Program Guidelines.

Recognizing the public benefit of the clean energy projects, as well as the expected monetary benefits of the Energy Projects that accrue to Record Owners, Program Administrator will apply quality assurance and antifraud measures that promote high quality design and installation of Energy Projects. Quality assurance of Energy Projects will address the Energy Project assessment, the installation contractor and the disbursement of final payments to installation contractors and will be designed to reduce the risk of low-quality installations.

The Program Administrator will qualify Registered Contractors who apply to complete Energy Projects in the PACE Program to ensure they are licensed and meet PACE Program requirements. Additionally, the Program Administrator will qualify and provide oversight of PACE Capital Providers who intend to finance PACE Projects.

The Program Guidelines will define the processes that the Program Administrator will implement to ensure that PACE Financings comply with applicable statutory and PACE Program requirements

regarding the terms of PACE Financings, the relationships between the amount of the Financing and the value of the Eligible Property, the appropriate consent of mortgage lienholders subject to a PACE Financing, and other required PACE Program requirements.

The Program Administrator will implement quality assurance and antifraud measures as described in this section; however it is understood that the County intends to implement an open-market PACE Program and that the Record Owner and all providers of goods and services for a PACE Project retain responsibility for operating ethically and assuring the satisfactory implementation of the PACE Project.

The Oversight Committee and Program Administrator may revise and update the quality assurance and antifraud protocols and procedures from time to time.

This **ASSESSMENT CONTRACT** (this "**Agreement**"), dated as of [DATE] (the "**Effective Date**"), is by and between Winnebago County, Illinois (the "**County**") a political subdivision of the State of Illinois, and [PROPERTY OWNER] (the "**Property Owner**") the owner(s) of record, of the fee interest in the real property described on Exhibit A (the "**Property**"). The Property Owner completed an application (the "**PACE Application**") to participate in a property assessed clean energy ("**PACE**") financing program (the "**Program**") offered by the County pursuant to the Property Assessed Clean Energy Act, 50 ILCS 50/1 et. seq. (the "**PACE Act**") and administered by The Illinois Energy Conservation Authority NFP (the "**Administrator**"), in order to finance or refinance certain qualified "energy projects" (as defined in the PACE Act) that benefit the Property, as described on Exhibit A (the "**Improvements**"). The Property Owner will repay the Financed Amount, accrued interest, closing costs, administrative expenses of the County, indemnities, penalties and any other amounts payable under this Agreement through tax assessments levied on the Property from time to time by the County pursuant to the PACE Act (the "**Special Assessments**"). The Property Owner has entered into the CPACE Supplemental Agreement, dated on the date hereof, with the funding sources for the Financed Amount (the "**Capital Provider**") in connection with this agreement (the "**CPACE Supplemental Agreement**"). This Agreement establishes the terms of participation in the Program and payment of the Special Assessments.

SPECIAL ASSESSMENTS. The Property Owner agrees that from and after execution of this Agreement, the Property shall be subject to Special Assessments that will be levied by the County from time to time in the amounts necessary to repay all amounts owing under this Agreement until any and all such amounts have been paid in full. The Special Assessments will be a lien against the Property (the "**Lien**") until such amounts are paid in full. The Lien will be coequal to and independent of the lien for general taxes on the Property. If the Property Owner sells the Property, the obligation to pay the Special Assessments and the Lien will remain with the Property and will be effective against any future owner of the Property until the Special Assessments have been paid in full.

USE OF FUNDS. The Property Owner will use the financing obtained under this Agreement solely for the purpose of financing the actual costs of materials, labor and fees necessary for installation of the Improvements and entering into this Agreement and the other PACE Documents (as defined below). If such actual costs exceed the Financed Amount, the Property Owner is solely responsible for such excess.

ASSESSMENT PAYMENTS. The installments that the Property Owner is anticipated to pay under the Special Assessments are described on Schedule I ("**Assessment Payments**"). The exact payment amounts (including any adjustments to such amounts related to applicable prepayments, variable interest rates, changes to administrative expenses, indemnities or other unscheduled amounts payable by or credited to Property Owner pursuant to this Agreement) and due dates will be disclosed in annual invoices from the County along with the Property Owner's regular property taxes and must be paid with the Property Owner's regular property taxes. Assessment Payments are not subject to discount or any other credit for early payment.

INTEREST. Interest will accrue on the outstanding portion of the Financed Amount at the Interest Rate described above on the basis of a 360-day year consisting of 12 months of 30 days each. Interest will begin to accrue on the full amount of the Financed Amount beginning on the Effective Date. Each Assessment Payment will include the full amount of interest scheduled to become due within the corresponding 6-month period of the calendar year in which that Assessment Payment is scheduled (each, an "Interest Period"). Early payment will not reduce the amount of interest accrued in any Interest Period. The Financed Amount will include capitalized interest sufficient to pay any interest due in the period from the Effective Date to the first day of the Interest Period covered by the first scheduled Assessment Payment.

ADMINISTRATIVE EXPENSES. In accordance with the PACE Act, each Assessment Payment will include amounts necessary to pay the County's costs to administer the Program ("**Administrative Fees**"). Administrative Fees are anticipated to equal [\$300] of each scheduled Assessment Payment, but may increase as required by the County.

PROGRAM REQUIREMENTS. Based solely on the recommendation of the Administrator and the representations of the Property Owner in this Agreement and in the related PACE Application, the County has determined the Property Owner has met all necessary Program requirements to enter into this Agreement.

FUNDING. If installation of the Improvements is not complete as of the Effective Date or as a result of default, the relevant portions of the Financed Amount not disbursed to Property Owner (the "Construction Escrow") shall be held in an account designated in the Financing Documents. Such Construction Escrow shall be consistent with the requirements of the program guidelines for the Program as of the Effective Date (the "Program Guidelines") and the CPACE Supplemental Agreement. Otherwise, relevant portions of the Financed Amount will be disbursed to or at the direction of the Property Owner once all funding requirements have been completed in accordance with the CPACE Supplemental Agreement and the Program Guidelines, including approval of the Administrator of the Improvements covered by such request. The Property Owner shall provide to the Administrator copies of any documents submitted or required to be submitted in connection with requests for funding from the Construction Escrow. In accordance with the Program Guidelines and the PACE Act, requests for funding under the Construction Escrow or any other disbursements will be accompanied by an interim or final completion certificate, as applicable, signed by the relevant contractors and the Property Owner certifying the work on the Improvements has been completed in a satisfactory manner and in accordance with all relevant construction agreements. The agreements governing the Construction Escrow shall provide that, if (a) funds remain in the Construction Escrow after the Completion Deadline set forth above and the Improvements are not properly acquired, constructed, installed, and operating as intended (as evidenced by delivery of a final completion certificate) or (b) after the delivery of the final completion certificate, any portion of the amounts disbursed to pay installation expenses remain unspent, then the funds in the Construction Escrow will be applied as a partial prepayment of the outstanding Financed Amount (including any applicable prepayment premium) upon Capital Provider's or Administrator's request.

PREPAYMENT. The outstanding Financed Amount may be prepaid [in whole][in whole or in part] upon no less than 45 days written request to the Administrator at any time. Prepayments will be applied at the end of the month in which funds are received. Upon receipt of the request for prepayment, the Administrator will provide a payoff statement and payment instructions, which shall be binding without apparent errors. The amount of any prepayment, [in whole][in whole or in part], will include a rebate of unearned interest, if applicable, and a prepayment premium equal to the amount set forth on Exhibit A attached hereto. Following a partial prepayment, you will continue to owe Assessment Payments in the same amount as prior to such prepayment; however, the number of Assessment Payments owed may decrease. Due to circumstances outside of the Program's control, certain prepayments (including those applied after February 15 of any calendar year) may result in the Property Owner receiving a tax bill that does not reflect that prepayment. In these circumstances, the Property Owner must pay the full tax bill, and the Administrator will refund overpayments to the Property Owner when received from the County.

LATE PAYMENT. Under Illinois law, if the Property Owner fails to pay any annual installment of the Special Assessments on a timely basis, delinquent Special Assessments will be subject to the same penalties as other delinquent property taxes, which initially incur a penalty of 1.5% per month and continue to incur increasingly

steep penalties mandated by statute if such taxes remain unpaid, including loss of title to the Property. The Property Owner will be responsible for any fees, default interest or other charges related to a delinquent payment and such amounts shall become part of the Special Assessments levied under this Agreement.

FORECLOSURE. The Property Owner acknowledges and agrees that upon failure to pay any Assessment Payment, the County has the right to enforce collection of delinquent installments, associated penalties and all costs of suit (including attorneys' fees) by all lawful means, including through a tax certificate sale or an issuance of a tax deed or other process that could result in Property Owner losing title to the Property. The Property Owner acknowledges that the County has the right to obligate itself, on behalf of the County Parties (as defined below), to exercise such rights and remedies with respect to enforcement of delinquent Special Assessments to the extent permitted by applicable law.

NO ACCELERATION; NO REDUCTION OR OFFSET; SURVIVAL. Except as provided below with respect to Eminent Domain, the outstanding portion of Financed Amount and scheduled Assessment Payments related thereto will not accelerate upon a default or late payment or enforcement of remedies by the County under this Agreement. The Special Assessments, the Lien and the obligation to pay subsequent Assessment Payments when they become due shall survive any such event and continue until paid in full. The Property Owner acknowledges and agrees that the Special Assessments will not be subject to reduction, offset or credit of any kind for any reason, including the Improvements' failure to perform as expected.

ANTIDEFCIENCY. Without limiting any rights or obligations agreed by the Property Owner under the CPACE Supplemental Agreement, Property Owner will not be personally liable under this Agreement for any delinquent amount of a Special Assessment that remains outstanding after the completion of the exercise of applicable remedies by the County (including a tax sale of the Property) in respect of such amount, except for indemnification rights arising from an event of fraud, willful misconduct or reckless disregard by Property Owner (which the County or other indemnitee may pursue from Property Owner under any available method permitted by law).

NO WARRANTIES; LIMITATION OF LIABILITY. Neither the County nor the Administrator makes any warranty or representation, either express or implied, regarding the Improvements, including any warranty of merchantability or fitness for a particular purpose, and any and all implied warranties are expressly disclaimed.

PROPERTY OWNER REPRESENTATIONS AND WARRANTIES. The Property Owner represents and warrants: (A) the Property Owner is duly organized, validly existing and in good standing in the state of its organization and has authority to do business under the laws of the State of Illinois; (B) the Property Owner has all necessary power and authority to own the Property and to enter into and perform the transactions contemplated by this Agreement; (C) there are no actions, suits or proceedings pending, or to the knowledge of the Property Owner threatened, against or affecting it or the Property which could materially adversely affect the Property Owner, the Property or the installation of the Improvements; (D) the Property Owner has good and insurable title to the Property; (E) the Property Owner has complied with, and will continue to comply with, all applicable statutes, regulations and ordinances in connection with the Property and installation of the Improvements; (F) all permits, consents, approvals and authorizations required to be issued by any governmental body necessary for the installation of the Improvements in accordance with the plans and specifications submitted by the Property Owner to the Administrator (the "**Plans**") either (i) have been obtained, are valid, and are in full force and effect; or (ii) will be obtained, will be valid, will be in full force and effect prior to the initiation of installation; (G) the Property Owner has (i) disclosed to the Administrator the identities of all persons, if any, that hold mortgage liens or other special assessment liens against the Property; (ii) at least thirty days prior to the Effective Date, provided notice of the Property Owner's intent to enter this Agreement pursuant to the PACE Act, and (iii) obtained the written consent of the holders of such mortgage liens against the Property acknowledging that upon execution of this Agreement, the Special Assessments (including interest thereon) shall each constitute a legal, valid and binding assessment and a resulting lien upon the Property, equal in priority with the lien of all state, county, district and municipal taxes and superior in priority to all other liens, titles and claims, until paid; and (iii) to the Property Owner's knowledge, no such consent has been withdrawn or revoked; (H) the information in the PACE Application, including, without limitation, the description of the Improvements provided to the Administrator in connection with in the PACE Application, is true and correct as of the Effective

INSPECTION RIGHTS. The Property Owner grants the County, the Administrator, their respective agents and representatives the right to enter at any reasonable time, upon reasonable notice, to inspect the Improvements. The Property Owner further grants the County, the Administrator, their respective agents and representatives the right to examine and copy any documentation relating to the Improvements.

TERM. Except as otherwise set forth in this Agreement, this Agreement shall expire upon payment in full of the Special Assessments and any other amounts owed by the Property Owner pursuant to this Agreement.

DIVISION OF PROPERTY. If the property is subdivided before the Special Assessments are paid in full, the outstanding Special Assessments will be allocated among the subdivided parcels in the same proportion used for allocating other property taxes on such parcels, unless otherwise agreed by Administrator, Property Owner and Capital providers.

EMINENT DOMAIN. If the Property or any part thereof is taken by eminent domain or other taking in a manner that would extinguish all or a portion of the Property Owner's (or that of its successor by eminent domain) obligation to make Assessment Payments following such exercise of eminent domain, then Property Owner may be required to pay all or a portion of the outstanding amounts in accordance with the CPACE Supplemental Agreement.

RECORDATION OF DOCUMENTS. The parties acknowledge that this Agreement shall be recorded in the office of the County Recorder on or about the Effective Date.
