Many aspects of the elevators and electrical components are obsolete, or not in code compliance. The extensive list of work is detailed on Exhibit A.

The upgrades will make the elevators more reliable and safer, in addition to, making them ADA compliant. Currently there are no car handrails, which are useful for riders' stability and support, as well as, protecting elevator interior finishes.

The total elevator costs include cab upgrades of \$11,260.00 for both elevators, plus a small 5% contingency on the overall project. Any contingency funds will only be allowed, if Shawn Franks approves, in advance and the PO is revised.

 - iv. Blackhawk Road over Kishwaukee River (SN 101-3087);
 - v. Blomberg Road over South Branch Kishwaukee River (SN 101-3094);
3. The Village shall pay the County time and materials expended for the work performed by the County to perform any of the services on behalf of the Village under this Agreement. (Estimate of total cost of services is \$2,100.00; \$500.00 for the two bridge inspections and \$1,600.00 for the five cross-sections).
4. This Agreement shall expire one (1) year from the date of execution by both of the parties.
5. The Village and the County shall indemnify and hold each other harmless for any and all claims made against each other, of any nature whatsoever, or other liabilities or damages incurred by the Village and the County due to any acts or omission of the County and the Village in performing their obligations contained herein.
6. This document represents the complete agreement of the parties and supersedes any prior agreement or understanding to the extent that they are inconsistent with its terms.

Committee: Public Safety and Judiciary Committee
Committee Date: March 23, 2022
Resolution Title: Resolution Authorizing the County Board Chairman to Amend Contracts for Health Care Services for Inmates of the Winnebago County Jail and Detainees of the Juvenile Detention Center
County Code: Winnebago County Purchasing Ordinance
Board Meeting Date: March 24, 2022

Budget Information:

Was item budgeted? Yes	Appropriation Amount: \$2,952,862
If not, explain funding source:	
ORG/OBJ/Project Code: 21000-43150	Budget Impact: .02% increase

Background Information: The Purchasing Department sent out Request For Proposals for Inmate Health Care Services for both the WCSO and the Juvenile Detention Center in July of 2018. The University of Illinois College of Medicine-Rockford was awarded the two separate five (5) year contracts. The contract terms allowed for an initial one (1) year contract, followed by renewal options. Amendment 5 is an option of the contract renewal agreement.

Recommendation: Captain Owens recommends approval of contract Amendment 5 (Exhibit B). The increase amounts to .02% over the prior year.

Contract/Agreement: The renewal contract agreement is for one year and will commence April 1, 2022 through March 31, 2023. However, if agreed to by both parties, in the near future, an additional six months may be added, if all terms are acceptable. The additional six months will allow the renewal end date to then correspond with the County's fiscal year end (Sept 30, 2023) date. This will prevent the need for the Jail to request a budget amendment mid-year.

Legal Review: Not necessary for this annual renewal.

Follow-Up: Purchasing Department will route the Amendment for signatures.

CHAIRMAN OF THE COUNTY BOARD
OF THE COUNTY OF WINNEBAGO, ILLINOIS

LORI GUMMOW
CLERK OF THE COUNTY BOARD
OF THE COUNTY OF WINNEBAGO, ILLINOIS

Proposed Language for Amendment 5 to Winnebago County Jail Contract to be effective 4/1/22

Now therefore, in consideration of mutual covenants contained herein, it is agreed by and between the Parties to amend the Agreement as follows:

1. Section 1.2 Scope of Services shall be modified to read as follows:

1.2 Scope of Services. UICOMR will arrange to provide at its expense, and on a regular and prompt basis, all reasonably necessary professional health care services needed by the Inmates which can be feasibly rendered on-site, and related health care staffing and administrative services. These services shall include, but not be limited to, a review of the preliminary medical screening of inmates upon their arrival at the JAIL, a comprehensive health evaluation of each Inmate within fourteen (14) days following admission to the JAIL, PPD testing, regularly scheduled sick call; 24 hour/day, 7 days/week nursing coverage; treatment and regular medical provider visits on-site. UICOMR shall also provide hospitalization management, medical specialty services management, emergency medical care management, medical records management, pharmacy services management, health education and training services, a quality assurance program, administrative support services, and other services, all as more specifically described herein.

The Parties agree that should County request additional medical services outside of the scope of usual medical care as described earlier in this Section 1.2 and UICOMR determines that additional staff hours or members are required to provide the additional medical services, UICOMR shall determine at its discretion which of the following 3 methods shall be used to meet the additional staffing needs:

- A. Use of the UICOMR temporary medical staff pool (i.e., extra help);
- B. Use of current JAIL medical staff working overtime;
- C. Use of an outside temporary staffing agency.

2. ARTICLE IV: MENTAL HEALTH SERVICES shall be modified to read as follows:

9.1 Mental Health Services. UICOMR has provided mental health screenings and services per contract through December 31, 2021. As of January 01, 2022, the County has contracted with another vendor to provide mental health services. UICOMR will continue to provide limited mental health services until March 31, 2022. The services continuing will be those related to the employment of their psychiatrist and/or LCPC/MSW (who may elect to terminate at any time between February 08, 2022 and March 31, 2022). As of the date of non-employment by UICOMR's psychiatrist and

LCPC/MSW or March 31, 2022 (whichever is the earlier date), UICOMR will no longer provide any mental health services.

9.2 Mental health pharmaceutical costs. As of January 1, 2022 all mental health pharmaceutical costs will be paid by County. In addition to patient specific medications, this will include the costs associated with maintaining stocked mental health pharmaceuticals on-site as well as any medications that are given to the inmate at release from the facility. CorrectRX will invoice County directly.

9.3 Clinical and Administrative Support. UICOMR will provide support to County's mental health vendor who is providing behavioral and mental health services in the Winnebago County Jail. These services include the following:

9.3.1 Medication Administration Management. UICOMR will verify all medications listed by the inmate at the time of booking. This will include verification of the mental health meds. For newly prescribed medications or medication refills, UICOMR will transcribe the mental health provider medication orders, order the medication via the CorrectRX system per protocol, process-in the medications upon arrival in the medical clinic, administer, process refills and return unused medications per existing processes. Administration of mental health medications ordered by the mental health provider will be completed during twice daily scheduled medication passes. Passing of medications is understood to occur not more than twice daily and must be congruent with the current practice and times of passing medications at the Winnebago County Jail (as determined by UICOMR).

9.3.2 Vendor Clerical support and office supplies. County agrees to pay a fixed rate per month for clerical support and office supplies. Clerical support will include duties related to processing requests for outside records, scheduling lab visits, intake and filing of records received and other miscellaneous tasks. Office supply fees will cover a percentage of the cost of paper and toner used in the copy and fax machines.

9.3.3 Laboratory support. UICOMR will provide laboratory support services to County's mental health provider at the Winnebago County Jail. These services include order verification, placement of orders, phlebotomy, processing of specimen, scanning of results, and administrative work in tracking of services for invoicing County. These services will be invoiced monthly to County at the rate of \$24.00 per inmate per visit. County will be responsible for the cost of the actual laboratory tests and will be billed directly by UIH Reference Lab (or other appropriate laboratory).

9.3.4 Failure to pay. It is recognized that UICOMR is being asked by County to provide the above support to its mental health vendor and further provide administrative functions related to itemization. All invoices will be paid in compliance with the Illinois Government Prompt Pay Act.

3. ARTICLE XII: COMPENSATION, Sections 12.8 COVID-related Vaccinations and Testing, 12.9 Additional Medical Services, and 12.10 Failure to Pay shall all be added as follows:

12.8 COVID-related Vaccinations and Testing. UICOMR shall also invoice County for COVID-related vaccinations and testing for the Inmates as long as the County requires testing and vaccinations. Current rate for nursing services is \$38.00/hour or portion thereof. Invoices will be submitted monthly. Currently testing is completed by the medical clinic staff at booking, as needed for sick call, and for the Department of Corrections inmates. Correctional Officers complete other testing.

12.9 Additional Medical Services. Should the use of additional staff become necessary to provide the additional medical services as outlined in Section 1.2, Scope of Services (for example, monoclonal antibody treatments, etc.) UICOMR shall invoice County monthly at the rate of \$100/hour for regular hours and \$160/hour for holiday hours, as determined by the University of Illinois Holiday Schedule.

12.10 Failure to Pay. It is recognized that UICOMR is being asked by County to provide the above added COVID related services and further provide administrative functions related to itemization. All invoices will be paid in compliance with the Illinois Government Prompt Pay Act.

**AMENDMENT NO. 5
TO
HEALTH SERVICES AGREEMENT
(UIC REF. NO. CN-00041051)
BETWEEN
COUNTY OF WINNEBAGO
AND
THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS**

This Amendment No. 5 is made to the Health Services Agreement (“Agreement”) entered into by and between the County of Winnebago, an Illinois body politic (hereinafter referred to as “County”) and The Board of Trustees of the University of Illinois, a public body, corporate and politic of the State of Illinois, on behalf of its University of Illinois at Chicago campus College of Medicine-Rockford, located at 1601 Parkview Avenue, Rockford, Illinois 61107 (hereinafter referred to as “UICOMR”). County and UICOMR shall be collectively referred to herein as “the Parties” and individually as “a Party”.

RECITALS

Whereas, County and UICOMR entered into that certain Agreement, last signed on March 13, 2019, for the delivery of on-site health care services to juvenile detainees at the Winnebago County Juvenile Detention Center for the term of April 1, 2019 through March 31, 2020; and

Whereas, County and UICOMR extended the Agreement for the 1st of four (4) annual renewal periods, for the period April 1, 2020 through March 31, 2021 with Amendment No. 1 last signed on March 30, 2020; and

Whereas, County and UICOMR modified the Agreement with Amendment No. 2 last signed on July 15, 2020 regarding Article VIII, Compensation; and

Whereas, County and UICOMR extended the Agreement for the 2nd of four (4) annual renewal periods, for the period April 1, 2021 through March 31, 2022 with Amendment No. 3 last signed on February 5, 2021. County reserves the right to extend agreement up to two (2) additional one-year periods; and

Whereas, County and UICOMR modified the Agreement with Amendment No. 4 last signed on May 28, 2021 regarding Article X, Miscellaneous, Article 10.6, Prison Rape Elimination Act of 2003 (PREA); and

Whereas, County and UICOMR desire to amend the contractual relationship under the said Agreement;

Now therefore, in consideration of mutual covenants contained herein, it is agreed by and between the Parties to amend the Agreement as follows:

- I. **ARTICLE VII: TERM AND TERMINATION OF AGREEMENT**, the first paragraph of Article 7.1 shall be modified to read as follows:

Article 7.1 Contract Term.

“This contract shall commence on April 1, 2022 at 12:01 a.m. and shall expire on March 31, 2023 at 11:59 p.m.; unless renewed or extended as provided herein. County reserves the right

to extend this Agreement for up to one (1) additional one-year renewal if it appears to be in the best interest of County and the renewal is agreed to by UICOMR.”

II. **ARTICLE VIII: COMPENSATION**, Article 8.1 shall be modified to read as follows:

“County will pay UICOMR the sum of one hundred ninety-eight thousand two hundred forty-three dollars (\$198,243) for the third year of the contract, payable in twelve monthly installments of sixteen thousand five hundred and twenty dollars and twenty-five cents (\$16,520.25). UICOMR will bill County on or before the seventh day of each month preceding the month for which services are to be rendered, and County agrees to pay UICOMR for those services in advance of the services being rendered. In the event this Agreement should, for any reason, terminate on a date other than the end of a calendar month, compensation to UICOMR will be pro-rated accordingly for the shortened month, and UICOMR will reimburse County for any over payment. UICOMR agrees to reimburse County any excess funds collected for mental health services equal to the difference between twenty-eight thousand four hundred sixty-two dollars (\$28,462) and the amount UICOMR is actually billed by an outside Vendor for said services during this contract term.”

III. In all other respects, the Agreement is hereby reaffirmed and ratified. All additional terms and conditions remain as stated in the original Agreement last signed on 3/28/2019, along with Amendment 1 last signed on 3/30/20, Amendment 2 last signed on 7/15/20, Amendment 3 last signed on 2/5/21 and Amendment 4 last signed on 5/28/21.

In witness whereof, County and UICOMR have caused this Amendment No. 5 to be executed on the date and year last written below.

Proposed Use of Award:

Through the awarded bid fees, the Rockford Area Convention and Visitors Bureau will secure the GFNY Cycling event. This large-scale event will have a positive economic impact on Winnebago County through tourism supporting many hospitality partners including, but not limited to restaurants, hotels, retailers, and other small businesses. The race will be held on August 7th, with planned run rides on Friday and Saturday before the race.

This event has been hosted in major top-tier visitor destinations such as New York, the Dominican Republic, Panama, Costa Rica, Jerusalem, Florida, Bali, Cannes islands, and more. National events such as the GFNY Cycling event bring forth notoriety and elevate our region as an international sports destination. The GFNY event will be held in only six locations in the United States. This event has proven to register well over 700 cyclists. Riders (and family) will stay between 1-4 nights in the region.

The Winnebago County GFNY Cycling event is projected to bring 750 cyclists who will ride along the streets and paths of our region in two competitive courses ranging from 65 miles to 100 miles. The route will incorporate many touchpoints throughout the county including, Rockford, Rockton, Durand, Shirland, and other Winnebago county cities and townships.

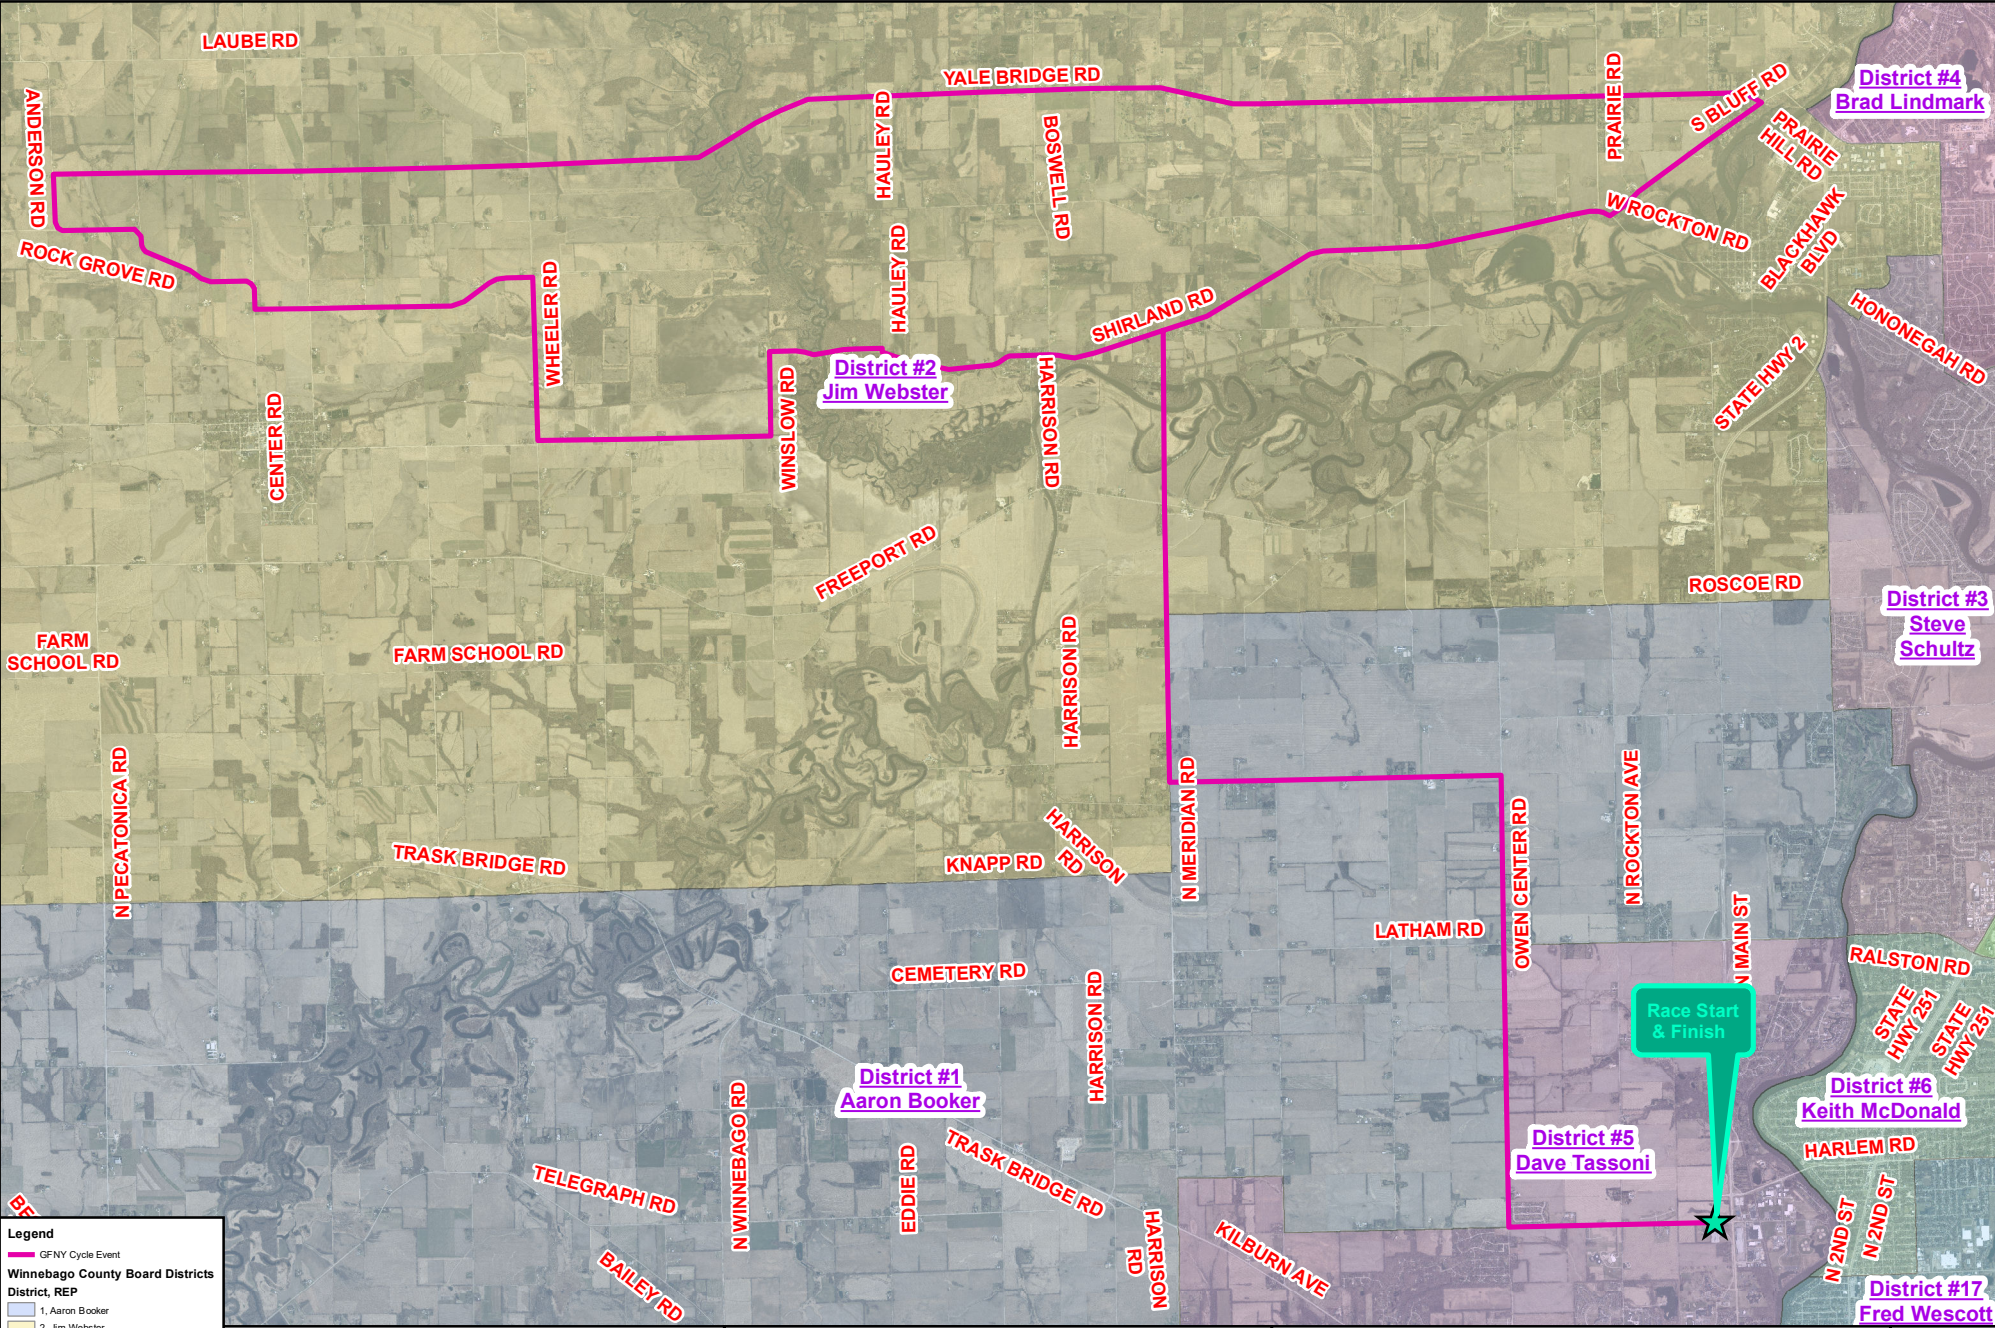

Events that bring large economic impact for our county require financial investment through bid fees to recruit and secure. Although limited, generally, funding for such bid fees can be paid by the RACVB from revenue collected through local hotel taxes. However, as a result of the reduction in hotel occupancy due to the pandemic, there are limited funds to attract large-scale events that bring forth this level of regional positioning and revenue for our county's hospitality industry and partners.

The \$25,000 will partially fund the bid fee to bring the international GFNY event to the region for the first year of a three-year agreement. More specifically, it will assist in covering the cost necessary for the promotion and execution of this event by the event planner.

Expected Program Outcomes Outlined:

- 750 Cyclists local, national, and international
- 1,000+ room nights (Overnight Hotel bookings)
- Anticipated Economic Impact of \$1.3 million
- Earned National and International Media Coverage
- Competitive positioning for Winnebago County as an international visitor destination in sports tourism

Rockford

Rockford is the second largest city in Illinois outside the Chicago metro area. It's located just 1hr from Chicago and its main international airport, Chicago O'Hare (ORD), making the trip to GFNY Rockford easily accessible from anywhere in the world.

Rockford has many activities like the Discovery Center Museum and Burpee Museum of Natural History, as well as a downtown area lined with shopping and great bars and restaurants. Outside the downtown area, there are many shopping and dining options, especially the large shopping and hotel center off the I-90 in the eastern part of Rockford.

The pre-race expo and post-race festivities are all hosted from the Venetian Club. The race start and finish line is conveniently located just aside the Venetian Club, on Elmwood Rd. After you depart from the Venetian Club, ride north to the loop through Winnebago County. Medium distance athletes will complete the loop once, long distance athletes will be racing the loop twice.

Enjoy fast racing over rolling hills in summer conditions through scenic northern Illinois. You'll ride past the incredible nature: Nygren Wetland Preserve, Williams Tree Farm, The Pavilion at Orchard Ridge Farms, Colors Sands Bluff Nature Preserve, Ferguson Forest Preserve and across and along the Pecatonica, Sugar and Rock Rivers.

Take advantage of long straights in the first half of the loop to cover the distance quickly with your group. The early miles on the long straight roads will lead to attacks, stay near the front of the pack to cover attacks and keep company for the recovery.

The return portion of the loop has small, winding roads and turns, making your peloton positioning an important part of your race strategy. Because of the twists and turns, the attacks will become decisive race moments that will fragment groups.

Luckily, being in peak summer form, your legs are able to cover the speed and effort variations. Enjoy the pelotons coming together and splitting apart and ideal long distance racing conditions to make the most of your summer fitness at GFNY Rockford.

GFNY cycling marathon coming to Rockford

ROCKFORD, ILL. (WTVO) — Rockford tourism officials announced Thursday that the international GFNY cycling marathon will be coming to town.

GFNY World races over both a **medium** and **long marathon** route, and every finisher receives a race jersey and a Finisher Medal.

“Rockford has so much to offer for our cyclists – the beautiful scenery on the course, the tranquil roads for their racing cycling, the tourism activities in Rockford and around the area, and the fantastic, beautiful nature thought out Winnebago County,” said Lidia Fluhme, president of Gran Fondo New York, Inc. “We’d like to say thank you to Rockford and Winnebago County for the support to bring the race to your community. We’re really excited and know the cyclist are going to receive a fantastic welcome from you all.”

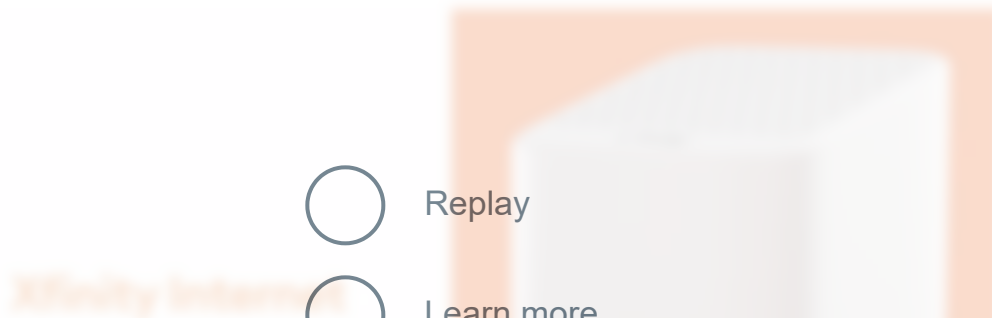

Photos: GFNY

The long course will take cyclists on a 93.6 mile ride starts and ends near the Venetian Club on Elmwood Rd. and passes by Carl and Myrna Nygren Wetland Preserve, Williams Tree Farm, The Pavilion at Orchard Ridge Farms, Colored Sands Bluff Nature Preserve, Calvin and Sophia Ferguson Forest Preserve and crosses over or runs along the Pecatonica, Sugar and Rock Rivers as well as near Rockton, South Beloit, Durand, Shirland, and Lake Summerset.

The medium course also starts at the Venetian Club, and consists of a non-competitive 59.4 mile track.

The event takes place on Sunday, August 7th, 2022, at 6 a.m. **Registration is \$217** per participant.

GFNY began with a 2011 New York version of the Italian Gran Fondo race. GFNY now runs marathons **all over the world**, including Italy, Mexico, Portugal, Argentina and more.

Rockford's will be one of only five in the U.S. in 2022, and is expected to bring \$1.3 million in tourism dollars to the region.

"I'm thrilled another international event will take place in Rockford this summer," said **Rockford Mayor Tom McNamara**, "It takes a coordinated effort by partners across the community to attract these events and ensure they are successful, and I'm thankful to all involved who have helped make Rockford a sports tourism destination. I look forward to welcoming more than 750 cyclists to our community in August!"

International bike marathon coming to Rockford this summer

Andrew Carrigan

Feb 10, 2022

GFNY Rockford is expected to draw at least 750 cyclist and additional spectators to the region.

ROCKFORD (WREX) — An international bike marathon is coming to the Stateline.

The Rockford Area Visitors and Convention Bureau announced the internationally known "Gran Fondo New York" is coming to the Stateline on Aug. 7. The event is held in partnership with the Venetian Club in Winnebago County.

Gran Fondo rides (loosely translated from Italian as Big Ride) are generally at least 75 miles in length. GFNY is considered the premier, global cycling marathon series and consists of 25 races in 17 countries. The Rockford region is one of five destinations to

host this event in the United States in 2022.

“Rockford has so much to offer for our cyclists – the beautiful scenery on the course, the tranquil roads for their racing cycling, the tourism activities in Rockford and around the area, and the fantastic, beautiful nature thought out Winnebago County,” said Lidia Fluhme, president of Gran Fondo New York, Inc. “We’d like to say thank you to Rockford and Winnebago County for the support to bring the race to your community. We’re really excited and know the cyclist are going to receive a fantastic welcome from you all.”

GFNY Rockford is expected to draw at least 750 cyclist and additional spectators to the region. While in destination, these visitors will fill more than 1,000 hotel room nights and spend more than \$1.3 million. Over the course of the initial three-year agreement, 2022-2024, visitors are expected to spend nearly \$4 million at local businesses.

ROCKFORD, Ill. (WIFR) - The largest cycling marathon in the world is coming to Rockford in 2022.

The Gran Fondo New York (GFNY) cycling marathon, loosely translated from Italian as “big ride,” held its first race in 2011. It’s now held more than 30 events in 15 countries, including Mexico, Portugal and Argentina.

“Rockford has so much to offer for our cyclists – the beautiful scenery on the course, the tranquil roads for their racing cycling, the tourism activities in Rockford and around the area, and the fantastic, beautiful nature thought out Winnebago County,” said Lidia Fluhme, president of Gran Fondo New York. “We’d like to say thank you to Rockford and Winnebago County for the support to bring the race to your community. We’re really excited and know the cyclists are going to receive a fantastic welcome from you all.”

Rockford signed a three-year deal with GFNY, and city leaders expect the race to rack up nearly \$1.3 million at local businesses during that time period. The event is expected to draw at least 750 cyclists along with spectators filling more than 1,000 hotel room nights. The Rockford region is one of five destinations to host this event in the United States in 2022, with the winners being granted a place at the GFNY World Championships in May of 2023.
