INVITATION FOR BID	24B-2354	BID ISSUE DATE	6/21/2024
BID DESCRIPTION	WCHD LEAD HAZARD REMOVAL CONTRACTOR SERVICES		
BID OPENING DATE	7/11/2024	BID OPENING TIME	11:00 A.M.
SUBMIT ONE (1) ORIGINAL, PLUS ONE (1) COPY		BOND REQUIRED	NONE

TO ALL PROSPECTIVE BIDDERS:

The Winnebago County Health Department (WCHD) in conjunction with Winnebago County, is currently accepting bids for lead hazard removal contractor services from qualified bidders for its HUD Lead Hazard Control Grant, and IDPH Clear-Win Grant, known as the Creating Lead Safe Rockford program.

You are hereby invited to submit your bid for the services as required by the Winnebago County Health Department to be furnished and delivered. Businesses who submit bids must be licensed to perform lead mitigation. Projects will be located throughout Winnebago, Boone and Stephenson Counties.

The original bid, and the required number of copies, must be received in a sealed envelope that has your name and address in the UPPER left corner and the attached Return label filled in and attached on the LOWER left corner.

All bids are subject to staff analysis. WCHD along with Winnebago County reserve the right to accept or reject any and all bids received and waive any and all technicalities. Bids must be delivered to:

WINNEBAGO COUNTY PURCHASING DEPARTMENT 404 ELM STREET, ROOM 202, ROCKFORD, IL 61101

BID RESPONSES MUST BE RECEIVED AND TIME STAMPED NO LATER THAN THE PUBLIC BID OPENING DATE AND TIME SPECIFIED ABOVE. BIDS WILL BE OPENED AND READ ALOUD AT THAT TIME IN THE PURCHASING DEPARTMENT. LATE BIDS WILL NOT BE CONSIDERED.

A **NON-MANDATORY Pre-Bid Conference** with the Winnebago County Health Department prior to submitting a bid is scheduled for **June 27, 2024 at 9:00 A.M.**, at the Winnebago County Health Department 555 N. Court Street, Room 115, Rockford, IL 61110. No further conferences will be held at any other time.

Any communication regarding this invitation between the date of issue and date of award is required to go through the Director of Purchasing. FACSIMILE AND/OR E-MAIL TRANSMITTED BIDS WILL NOT BE ACCEPTED.

Sincerely,

Hope Edwards
Director of Purchasing

REQUIREMENTS FOR BIDDING AND INSTRUCTIONS TO BIDDERS

SUBMISSION OF BIDS

The Bidder, by its officers, agents or representatives (hereafter referred to as the Bidder), shall be responsible for delivery of bids to the Purchasing Department before the date and hour set for the opening of bids. *Late bids will not be considered and will be returned unopened.*

All bids must be received in a sealed envelope that has your name and address in the UPPER left corner and the attached Return label filled in and attached on the LOWER left corner.

Bids mailed "EXPRESS MAIL" must have bid number and due date on the outside of the EXPRESS MAIL envelope. You must allow sufficient time for processing through the County's internal mailroom system.

PREPARATION OF BID

The Bidder must submit a bid on the forms furnished by the Winnebago County Purchasing Department. All blank spaces on the bid form must be filled in. Use "N/A" or "None" where applicable.

Where unit prices are to be bid, and/or where bids are to be made on more than one item, the Bidder shall extend the unit price(s) bid in the places provided on the pricing pages for the approximate quantities, shall compute the total amount of the bid and shall indicate same on the bid pricing page. The Bidder must bid in accordance with the unit(s) of measure called for unless deviation procedure is followed. All extensions and total sums are subject to verification by the WCHD and the County, and the correct extensions and sums will be used in the comparison of bids. If a discrepancy exists between the unit prices and totals, the unit prices shall prevail. If a discrepancy exists between the total base bid and the true sum of the individual bid items, the true sum shall prevail.

Where unit prices are requested, the quantities stated are approximate only but will be used to determine bid award. The quantities for all items on which bids are to be received on a unit price basis, will not be used in establishing final payment due the Contractor. Bids will be compared based on number of units stated in the Bid Pricing Section. Contract payment for unit price items will be based on the actual number of units delivered.

Authorized signature must be the individual owner of a proprietorship, a general partner of a partnership, or signed in the name of a corporation by an officer whose title shall be stated. Bids shall be sealed in an envelope and marked as required in the instructions. The bid is contained in these documents and must remain attached hereto when submitted.

ENTIRE AGREEMENT

These Standard Terms and Conditions of the Bid shall apply to any contract or order awarded as a result of this Request except where special requirements are stated elsewhere in the Request; in such cases the special requirements shall apply. Further, the written contract and/or order with referenced parts and attachments shall constitute the entire agreement and no other terms and conditions in any document, acceptance, or acknowledgement shall be effective or binding unless expressly agreed to in writing by the contracting authority.

DEVIATIONS, EXCEPTIONS OR ALTERNATES

Deviations, exceptions or alternates from terms, conditions, or specifications shall be described fully, on Bidder's letterhead, signed, and attached to the Request for Bid. In the absence of such statement, the

bid shall be accepted as in strict compliance with all terms, conditions, and specifications and the Bidder shall be held liable. Bidders are cautioned to avoid making deviations and exceptions to the specifications, which may result in rejection of their bid. If deviations, exceptions or alternates are submitted, it is the Winnebago County Director of Purchasing's sole and final decision whether specifications have been met and will be considered for award.

ELECTRONIC TRANSMITTALS

Facsimile and/or e-mail transmitted bids will not be accepted by Winnebago County. In addition, Winnebago County will not transmit facsimile specifications to the Bidder.

END OF REQUIREMENTS FOR BIDDING AND INSTRUCTIONS TO BIDDERS

GENERAL CONDITIONS

ADDENDUM AND SUPPLEMENT TO THE BID

If it becomes necessary or advisable to revise any part of this Bid or if additional data is necessary to enable the exact interpretation of provisions of this Bid, revisions will be provided in the form of an Addendum. If revisions are made after any mandatory Pre-Bid conference, the revisions will be provided only to those Contractors who will have attended the Pre-Bid conference.

In the event that any addenda to this Bid are issued, a public posting a minimum of 7 days will be adhered to, and could result in a revised date for the opening of this bid.

Addendum information is available at the County's website <http://wincoil.gov> We strongly suggest that you check for any addenda a minimum forty-eight hours (48) in advance of the bid deadline.

APPLICABLE CODES AND ORDINANCES

Bidder hereby certifies that all services and/or materials used or performed conform to all articles and sections of all current applicable National Building Codes, IDOT, Federal, State, HUD, and other relevant codes. Workmanship and materials shall conform to all local applicable codes and ordinances.

CANCELLATION

The WCHD and the County of Winnebago reserve the right to cancel any contract in whole or in part without penalty due to failure of the contractor to comply with terms, conditions and specifications of this contract.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION

The Bidder certifies, by submission of this bid or acceptance of this contract, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. It further agrees by submitting this bid that it will include this clause without modification in all lower tier transactions, solicitations, bids, contracts, and subcontracts. Where the bidder/contractor or any lower tier participant is unable to certify to this statement, it shall attach an explanation to this solicitation.

Additionally, for all new contractors and vendors to be paid, the Purchasing Department will review the Federal and State Excluded Parties List System prior to requesting the vendor be created in the County's accounting system.

CHANGES

WCHD and Winnebago County reserve the right to make any desired change in the specifications after the same shall have been put under contract; but the change so made, with the price to be added or deducted from the contract price, therefore, shall be agreed upon in advance between WCHD, the County and the successful Bidder.

The Purchasing Department shall issue to the successful Bidder a written change order to the original contract; such change orders shall be binding upon both parties thereto and shall in no way invalidate or make void the terms of the original contract not modified by such change.

COMPLIANCE WITH LAWS

All services, work and materials that in any manner affect the production, sale, or payment for the product or service contained herein must comply with all Federal, State, County and Municipal laws, statutes, regulations,

codes, ordinances and executive orders in effect now or later and whether or not they appear in this document, including those specifically referenced herein. The successful bidder must be authorized to do business in the State of Illinois, and must be able to produce a Certificate of Good Standing with the State of Illinois upon request.

Bidder/Contractor must obtain all lead abatement licenses, certificates and other authorizations that comply with all applicable State and Federal license requirements in connection with the performance of its obligations hereunder, and Bidder/Contractor must require any and all subcontractors to do so. Failure to do so is an event of disqualification and/or default and may result in the denial of this bid and/or termination of this Agreement.

In the event Federal or State funds are being used to fund this contract; additional certifications, attached as addenda, will be required. Lack of knowledge on the part of the vendor will in no way be cause for release of this obligation. If the WCHD and/or County becomes aware of violation of any laws on the part of the Bidder/Contractor, it reserves the right to reject any bid, cancel any contract and pursue any other legal remedies deemed necessary.

COST OF BID

Expenses incurred in the preparation of bids in response to this bid request are the bidder's sole responsibility.

DISPUTES

In case of disputes as to whether or not an item or service quoted or delivered meets specifications, the decision of the Director of Purchasing, or authorized representative shall be final and binding to all parties.

FREEDOM OF INFORMATION

Any responses and supporting documents submitted in response to a bid will be subject to disclosure under the Illinois Freedom of Information Act. The WCHD and/or the County will assume that all information provided in a bid is open to inspection or copying by the public unless clearly marked with the appropriate exception that applies under the Freedom of Information Act. Additionally, if providing documents that you believe fall under an exception to the Freedom of Information Act, please submit both an un-redacted copy along with a redacted copy which has all portions redacted that you deem to fall under a Freedom of Information Act exception.

INDEMNITY

The Bidder shall, at all times, fully indemnify, hold harmless, and defend WCHD, Winnebago County and their officers, agents, and employees from and against any and all claims and demands, actions, causes of action, and cost and fees of any character whatsoever made by anyone whomsoever on account of or in any way growing out of the performance of this contract by the Bidder and its employees, or because of any act or omission, neglect or misconduct of the Bidder, its employees and agents or its subcontractors including, but not limited to, any claims that may be made by the employees themselves for injuries to their person or property or otherwise, and any claims that may be made by the employees themselves or by the Illinois Department of Labor for the Bidder's violation of the Illinois Prevailing Wage Act (820 ILCS 130/1 et seq.). Such indemnity shall not be limited by reason of the enumeration of any insurance coverage or bond herein provided. Nothing contained herein shall be construed as prohibiting WCHD, Winnebago County and their officers, agents, or its employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, actions or suits brought against them. The Bidder shall likewise be liable for the cost, fees and expenses incurred in WCHD's, Winnebago County's or the Bidder's defense of any such

claims, actions, or suits. The Bidder shall be responsible for any damages incurred as a result of its errors, omissions or negligent acts and for any losses or costs to repair or remedy construction as a result of its errors, omissions or negligent acts.

NON-BARRED BIDDING

The Bidder certifies, by submission of this bid, that it is not barred from bidding on this contract as a result of a conviction for the violation of state laws prohibiting bid rigging or bid rotating.

NON-COLLUSION

The Bidder, by its officers, agents or representatives present at the time of filing this bid, say that neither they nor any of them, have in any way directly or indirectly, entered into any arrangement or agreement with any other bidders, or with any public officer of the WCHD or the County of Winnebago, Illinois, whereby, the Bidder has paid or is to pay to such bidder or public officer any sum of money or anything of value. The Bidder, by its officers, agents or representatives present at the time of filing this bid, further say that neither they nor any of them have directly or indirectly entered into any arrangement or agreement with any other bidder or bidders whereby inducement of any form or character other than that which appears upon the face of the bid was or will be suggested, offered, paid or delivered to any person whomsoever to influence the acceptance of the said bid or understanding of any kind whatsoever, with any person whomsoever to pay, deliver to, or share with any other person in any way or manner, any of the proceeds on the Contract sought by this bid.

NON-DISCRIMINATION

In connection with the performance of work under this contract, the Contractor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability, sexual orientation, national origin or any other protected category under federal or state law. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or payment of compensation, and selection for training, including apprenticeship. Except with respect to sexual orientation, the Contractor further agrees to take affirmative action to ensure Equal Employment Opportunities. The Contractor agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the Non-Discrimination Clause.

PROMPT PAYMENT ACT

The bid should provide that all payments are subject to the Local Governmental Prompt Payment Act.

PREVAILING WAGE

The Davis-Bacon Act and the State of Illinois Prevailing Wage Act are not applicable to lead hazard removal work under the HUD Lead Hazard Reduction Grant Program.

PROTEST

Firms wishing to protest bids or awards shall notify the Director of Purchasing in writing within 5 business days after the invitation to bid opening. The notification should include the bid number, the name of the firm protesting and the reason why the firm is protesting the bid. The Director of Purchasing will respond to the protest within 5 business days.

RESERVATION OF RIGHTS

WCHD and the County of Winnebago reserve the right to reject any or all bids failing to meet the County's specifications or requirements and to waive technicalities. If in the WCHD or the County of Winnebago's opinion, the lowest bid is not the most responsible bid, considering value received for monies expended, the right is reserved to make awards as determined solely by the judgment of WCHD and the County of Winnebago. In determining the lowest responsible Bidder, the County shall take into consideration the qualities of the articles supplied, their conformity with the specifications, and their suitability to the requirements of the WCHD and the County and the delivery terms. Intangible factors, such as the Bidder's reputation and past performance, will also be weighed.

WCHD and Winnebago County reserve the right to award to more than one vendor.

The Bidder's failure to meet the mandatory requirements of the Bid will result in the disqualification of the bid from further consideration.

WCHD and the County further reserve the right to reject all bids and obtain goods or services through intergovernmental or cooperative agreements, or to issue a new and revised Bid.

WCHD and Winnebago County reserve the right to issue open bids to an eligible Contractor pool at WCHD's discretion.

Submission of a bid confers no rights on the Contractor to a selection or to a subsequent contract. All decisions on compliance, evaluation, terms and conditions shall be made solely at WCHD and the County's discretion and shall be made in the best interest of WCHD and the County.

SUBCONTRACTORS

If applicable all subcontractors shall be identified on the form contained herein. WCHD and Winnebago County reserve the right to reject any or all subcontractors.

SUBSTANCE ABUSE PREVENTION

The Substance Abuse Prevention on Public Works Projects Act, 820 ILCS 265/1 *et seq.*, prohibits the use of drugs and alcohol, as defined in the Act, by employees of the contractor and by employees of all approved subcontractors while performing work on a public works project.

Bidders and their subcontractors (if applicable) certify that the entity has signed collective bargaining agreements that are in effect for some or all of its employees that deal with the subject matter of the Substance Abuse Prevention on Public Works Projects Act, and/or certify that the contracting entity has in place for all of its employees not covered by a collective bargaining agreement a written substance abuse prevention program that meets or exceeds the requirements of the Act, which will be filed with the County and made available to the general public.

TAXES NOT APPLICABLE

The County of Winnebago as a Governmental Unit pays neither Federal Excise Tax nor Illinois Retailers Occupational Tax, and therefore, those taxes should be excluded from bid. The County's Tax Exempt Number is: E9992-3963-0

TERMINATION, CANCELLATION AND DAMAGES

WCHD and the County may terminate based on the Contractor's breach or default. Unless the breach or default creates an emergency, as determined in WCHD and the County's sole discretion, the Contractor shall be given notice and a five (5) day opportunity to cure before the termination becomes effective.

If WCHD and/or the County terminates this Contract because of the Contractor's breach or default, WCHD and/or the County shall have the right to purchase items or services elsewhere and to charge the Contractor with any additional cost incurred, including but not limited to the cost of cover, incidental and consequential damages and the cost of re-bidding. WCHD and/or the County may offset these additional costs against any sums otherwise due to the Contractor under this bid or any unrelated contract.

If Winnebago County fails to appropriate funds to enable continued payment of multi-year contracts the County may cancel, without termination charges provided Contractor receives at least thirty (30) days prior written notice of termination.

WCHD and/or Winnebago County may terminate any contract or agreement resulting from this Bid or RFP at any time for any reason by giving at least thirty (30) days' notice in writing to awarded Contractor. If the contract is terminated by WCHD and the County as provided herein, the contractor will be paid a fair payment as negotiated with the WCHD and the County for the work completed as of the date of termination.

WITHDRAWAL OF BIDS

Any bidder may withdraw their bid at any time prior to the time specified in the advertisement as the closing time for the receipt of bids by signing a request therefore. However, no bidder shall withdraw or cancel his bid for a period of sixty (60) days after said advertised closing time for the receipt of bids; the successful bidder shall not withdraw or cancel their bid after having been notified by the Director of Purchasing that said bid has been accepted by the Winnebago County Health Department.

The Bidder, by signing the Bid Form, acknowledges, understands and abides by all of the above "Requirements for Bidding and Instructions to Bidders".

END OF GENERAL CONDITIONS

SPECIAL CONDITIONS

QUESTIONS & INQUIRES

Any questions and/or inquires may be directed, no later than the date provided for on page 2 to Ann Johns, Director of Purchasing, 404 Elm Street, Room 202, Rockford, Illinois 61101, by Telephone: (815) 319-4380 or Email: purchasing@purchasing.wincoil.gov

BONDING

Not required for this project.

CONTRACT TERM

The time period for the grant for these services is through December 9, 2026 with a possible extension through June 30, 2027.

PRICE ESCALATION

Mid-way through the grant period time frame of 3 years, a price negotiation will take place in December 2025.

BID AWARD CRITERIA

This bid will be awarded to the lowest responsive, responsible bidder(s) meeting specifications with multiple awards anticipated and allowed.

PERMITS, FEES, AND NOTICES

The Awarded Contractor shall secure and pay for all Building Permits and Governmental Fees, licenses, and inspections (except for lead-based paint inspections and clearances) necessary for the proper execution and completion of the work, which are legally required, file all notices, and comply with all laws, rules, regulations and lawful orders bearing on the performance of the work. The Awarded Contractor must be SAM registered and approved.

COPELAND "ANTI-KICK BACK" ACT

The Vendor/Contractor shall comply with the Copeland "Anti-Kick Back" Act (18 USC 874) as supplemented in the Department of Labor Regulations (29 CFR Part 3). This Act provides that each contractor or subcontractor shall be prohibited from inducing, by any means, any person employed in the construction, completion or repair of public work to give up any part of the compensation to which he is otherwise entitled.

INSURANCE REQUIREMENTS

Upon notice of acceptance of bid, the successful bidder(s) shall, within fourteen (14) calendar days of said notice, furnish to the Director of Purchasing a Certificate of Insurance and provide policy endorsements evidencing specific coverage of the types of insurance in the amounts specified below. Such coverage shall be placed with a responsible company acceptable to WCHD and the County licensed to do business in the State of Illinois. **All required insurance shall be maintained by the contractor in full force and effect during the life of the contract, and until such time as all work has been approved and accepted by WCHD and the County.** The Contractor is responsible for all insurance deductibles and Self-Insured Retentions.

TYPE OF INSURANCE		MINIMUM ACCEPTABLE LIMITS OF LIABILITY
1	Workers Compensation	Statutory
2	Employers Liability A. Each Accident B. Each Employee-disease C. Policy Aggregate-disease	\$2,000,000 \$2,000,000 \$2,000,000
3	Commercial General Liability A. Per Occurrence B. General Aggregate 1. General Aggregate- Per project 2. General Aggregate - Products/ Completed Operations	\$2,000,000 \$2,000,000 \$2,000,000
4	Business Auto Liability	\$2,000,000

At all times during the term of the contract, the Contractor(s) shall maintain, at their sole expense, insurance coverage for the Contractor(s), their employees, officers and agents, as follows:

- A) It is the responsibility of Contractor to provide copy of the BID to their carrier.
- B) It may also be required that the Contractor's insurer and coverage be approved by WCHD and the County prior to execution of the Contract.
- C) No work shall be started until receipt of Certificate of Insurance.

WCHD and the County of Winnebago shall be named as additional insured on all certificates of insurance. Insurance certificates shall also reference project name and BID NUMBER. Certificates should be sent to:

Winnebago County
Purchasing Department
purchasing@purchasing.wincoil.gov

The insurance carrier of the insured is required to notify WCHD and Winnebago County of termination of any or all of these coverages, prior to the completion of any contract, at least thirty (30) days prior to expiration.

Contractor(s) shall be responsible for ensuring that any subcontractors employed by Contractor(s) in the performance of this contract maintain the same insurance coverage as that required of Contractor(s).

CHANGES IN INSURANCE COVERAGE:

The Contractor will immediately notify WCHD and the County if any insurance has been cancelled, materially changed, or renewal has been refused and the Contractor shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage(s) and limits. If suspension of work should occur due to insurance requirements, upon verification by WCHD and the County of the required insurance WCHD and the County will notify Contractor when they can proceed with the work. Failure to provide and maintain the required insurance coverage(s) and limits could result in

immediate cancellation of the contract and the Contractor shall accept and bear all costs that may result due to the Contractor's failure to provide and maintain the required insurance.

DOOR – Replace - Door Slab

Remove and dispose of door slab, hinges, and stops. Stabilize jamb by wet scraping and HEPA vacuuming. Install new slab, stops, and appropriate hardware. Prime and top coat all new and existing wood with a premium acrylic latex paint. PRICE PER UNIT

\$ _____ labor \$ _____ material

DOOR – Replace – Interior Wood Pre-hung

Remove and dispose of door, frame, and casing. Install a pre-hung door and appropriate hardware. Re-trim opening to match adjacent. Prep, prime, and top coat to match existing. PRICE PER UNIT

\$ _____ labor \$ _____ material

DOOR – Replace – Exterior Metal Pre-hung

Remove and dispose of door, frame, and casing. Install a pre-hung, metal door including magnetic weather stripping, interlocking threshold, wide angle peep site, dead bolt and entrance lock sets. Retrim opening and casing and paint to match existing. PRICE PER UNIT

\$ _____ labor \$ _____ material

DOOR – Replace – Exterior Storm Door

Remove and dispose of storm door. Install a new pre-hung storm door with openable window, screen, and magnetic weather stripping. Wet scrape, prime, and topcoat all adjacent wood components with a premium acrylic latex paint. PRICE PER UNIT

\$ _____ labor \$ _____ material

DOOR – Remove, Patch Envelope

Remove and dispose of existing door and components. Stud opening with 2"x4", insulate to R-13, and install an interior and exterior finish matching the adjacent surface as closely as possible. Prime and finish new materials. PRICE PER UNIT

\$_____ labor \$_____ material

WALLS & TRIM

WALLS & TRIM – Stabilize & Paint – Interior Wall

Mist defective paint with water. Lightly scrape all loose paint, wallpaper, and/or plaster. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium acrylic latex paint. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

WALLS & TRIM – Stabilize & Paint – Interior Trim

Mist defective paint with water. Lightly scrape all loose paint, wallpaper, and/or plaster. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium acrylic latex paint. PRICE PER LINEAR FOOT

\$_____ labor \$_____ material

WALLS & TRIM – Stabilize & Paint – Exterior Wall

Mist defective paint with water. Lightly scrape all loose paint, wallpaper, and/or plaster. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium exterior acrylic latex paint. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

WALLS & TRIM – Stabilize & Paint – Exterior Trim

Mist defective paint with water. Lightly scrape all loose paint, wallpaper, and/or plaster. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium exterior acrylic latex paint. PRICE PER LINEAR FOOT

\$_____ labor \$_____ material

WALLS & TRIM – Stabilize & Paint – Concrete Surface

Mist defective paint with water. Lightly scrape all loose paint, wallpaper, and/or plaster. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium concrete-specific latex paint. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

WALLS & TRIM – Enclose – Aluminum Window Trim Enclosure

Mark “Lead Paint” every 10 linear feet. Stabilize surface by wet scraping and HEPA vacuuming. Enclose all exterior window trim with .019 aluminum breaker stock. Back caulk all seams with siliconized acrylic to create an air-tight installation. PRICE PER UNIT

\$ _____ labor \$ _____ material

WALLS & TRIM – Enclose – Aluminum Trim Enclosure

Mark “Lead Paint” every 10 linear feet. Stabilize surface by wet scraping and HEPA vacuuming. Enclose trim with .019 aluminum breaker stock. Back caulk all seams with siliconized acrylic to create an air-tight installation. PRICE PER LINEAR FOOT

\$ _____ labor \$ _____ material

WALLS & TRIM – Enclose – Aluminum Soffit and Fascia Enclosure

Mark “Lead Paint” every 10 linear feet. Stabilize surface by wet scraping and HEPA vacuuming. Enclose exterior soffit and fascia with .019 aluminum breaker stock. Back caulk all seams with siliconized acrylic to create an air-tight installation. PRICE PER LINEAR FOOT

\$ _____ labor \$ _____ material

WALLS & TRIM – Enclose – Aluminum Box Beam Enclosure

Mark “Lead Paint” every 10 linear feet. Stabilize surface by wet scraping and HEPA vacuuming. Enclose box beam with .019 aluminum breaker stock. Back caulk all seams with siliconized acrylic to create an air-tight installation. PRICE PER LINEAR FOOT.

\$ _____ labor \$ _____ material

WALLS & TRIM – Enclose – Vinyl Siding

Apply a Tyvek vapor barrier to enclose the lead-containing paint. Protect Tyvek with vinyl siding and aluminum or vinyl wrapped trim installed according to manufacturer’s specifications. Owner’s choice of color and embossing. PRICE PER SQUARE FOOT

\$ _____ labor \$ _____ material

WALLS & TRIM – Enclose – Drywall Enclosure

Wet scrape all loose paint, wallpaper, and/or plaster. Mark “Lead Paint” at 24” intervals. Hang, tape, and 3-coat finish with minimum 3/8” drywall. Remove/reinstall existing electrical and other components as necessary and seal all penetrations with siliconized acrylic. PRICE PER SQUARE FOOT

\$ _____ labor \$ _____ material

WALLS & TRIM – Repair and Paint

Mist area with water and remove damaged plaster. Repair holes or cracks with new compound. Skim coat to ensure smooth surface for painting. Prime and top coat with a premium acrylic latex paint to match existing. PRICE PER SQUARE FOOT

\$ _____ labor \$ _____ material

WALLS & TRIM – Install Fascia

Install 1” x 6” pine fascia. Use corrosion resistant nails of sufficient length to adequately penetrate solid portions of rafters. Caulk all seams. Paint to match existing exterior woodwork. PRICE PER LINEAR FOOT

\$_____ labor \$_____ material

FLOORS

FLOORS – Stabilize & Paint – Interior Floor

Mist defective paint with water. Lightly scrape all loose paint. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium latex paint. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

FLOORS – Stabilize & Paint – Exterior Floor

Mist defective paint with water. Lightly scrape all loose paint. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium exterior latex paint. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

FLOORS – Install linoleum sheet flooring – Interior Floor

Level subfloor and/or holes in subfloor as needed with appropriate compound. Mark “Lead” at 4’ intervals. Install linoleum sheet with necessary adhesive per manufacturer’s instructions. Trim floor edges with vinyl cove base or quarter round as needed. Install appropriate transition strips. Owner is responsible to move all furniture out of room to allow for installation of flooring. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

FLOORS – Install laminate flooring – Interior floor

Level subfloor and/or fills holes with appropriate compound as needed. Install laminate flooring per manufacturer’s instructions. Provide minimum of 3/8 inch gap around perimeter of installed flooring to allow for expansion. Remove existing shoe molding if necessary and install new shoe molding. Install all necessary transition strips. Owner is responsible to move all furniture out of room to allow for installation of flooring. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

FLOORS – Polyurethane sealing of floor – Interior floor

Clean floor thoroughly and sand lightly with floor sander with integrated HEPA vacuum attachment and containment system. Seal floor with one coat of clear satin polyurethane. Follow manufactures instructions and allow appropriate dry time prior to walking on finished floor or moving furniture back on sealed floor. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

STAIRS

STAIRS – Enclose – Rubber with Metal Nose

Mark “Lead Paint” at 24” intervals. Install rubber stair treads, **the full length of the tread**, with integral metal nosing with the manufacturers adhesive. Wet scrape, HEPA vacuum, prime, and paint any exposed portion of treads, risers, and stringers with premium acrylic latex paint. PRICE PER RISER

\$ _____ labor \$ _____ material

PORCHES

PORCH – Enclose – Plywood Floor Enclosure

Stabilize deck by wet scraping. Mark “Lead Paint” at 4’ intervals. Apply 1/2” BCX plywood with screws or screw shank nails and adhesive to deck. Back caulk all seams. Trim edges with shoe molding. Prime and top coat with acrylic latex, oil-based sealer, or polyurethane stain to protect wood. Install metal nose on top porch stair. PRICE PER SQUARE FOOT

\$ _____ labor \$ _____ material

PORCH – Enclose – Plywood Ceiling Enclosure

Stabilize ceiling by wet scraping. Mark “Lead Paint” 4’ on center. Apply 3/8” BCX plywood with screws or screw shank nails and adhesive to ceiling. Back caulk all seams. Trim edges with 1/4 round. Prime and top coat with acrylic latex, oil-based sealer, or polyurethane stain. PRICE PER SQUARE FOOT

\$ _____ labor \$ _____ material

PORCH – Replace – Rail & Balusters

Remove and dispose of lead containing rail system. Construct railing system with 2”x4” top and bottom rails and minimum 1 1/2” balusters spaced no more than 4” apart. Rail height at least 36”. Prime and top coat with acrylic latex, oil based sealer, or polyurethane stain. PRICE PER LINEAR FOOT

\$ _____ labor \$ _____ material

PORCH – Replace – Column/Post

Remove and dispose of lead containing column/post. Wet scrape newly exposed areas and caulk/repair as necessary. Install a preservative-treated replacement load-bearing column with matching capital and base. PRICE PER UNIT

\$ _____ labor \$ _____ material

PORCH – Stabilize & Paint – Column/Post

Mist defective paint with water. Lightly scrape all loose paint. Feather edges with a sponge sanding block saturated with deglossing agent. Rinse and HEPA vacuum all visible chips. Allow surface to dry. Prime and top coat with a premium exterior latex paint. PRICE PER UNIT

\$ _____ labor \$ _____ material

PORCH – Replace – Porch/Exterior Stairs

Remove and dispose of lead containing stairs. Install new, pressure-treated stringers, treads, and risers following local building codes. Install a 36” tall pressure-treated wood railing system. Seal with oil-based stain. Color to match existing if necessary. Ensure stairs meet all applicable local building codes. PRICE PER RISER

\$_____ labor \$_____ material

PORCH – Lattice & Framing

Remove and dispose of any existing lattice or baluster systems below porch floor level. Install new lattice and balusters supported by treated plywood posts. Install posts at each end and spaced no more than 6 ft apart. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

CLEANING

CLEAN – HEPA/Wet Clean/HEPA

After completion of all mitigation, removal of containment, and repositioning of all furniture, HEPA vacuum all visible surfaces including furniture, walls, floors and ceilings. Wet wipe all surfaces with a lead specific detergent or equivalent and rinse. After surface is dry, HEPA vacuum all visible surfaces except ceiling. Clean unit to pass lead dust clearance testing (<10 µg/ft² on floors, <100 µg/ft² on all other horizontal surfaces). PRICE PER FLOOR

\$_____ labor \$_____ material

OTHER

OTHER – Mulch

Remove all visible paint chips. Install landscape fabric with landscape staples after mowing lawn as low as practical. Overfill area with at least 4” of shredded hardwood mulch, from building to 3 feet out. Build border to contain mulch. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

OTHER – Stucco Repair

Remove loose stucco and wire, attach new wire to patch area and apply scratch, brown and color coats. Feather patch into the surrounding surface. Match existing color as closely as possible. Caulk all joints at trim, unrepaired cracks, and holes. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

OTHER – Replace Gutters

Remove, wrap in poly and dispose of properly existing gutters and other debris. Furnish and install new .032 aluminum seamless gutters, baked on white enamel finish, “K” style, attached every 3 ft. Include 3 ft. extension at all downspouts. PRICE PER LINEAR FOOT

\$_____ labor \$_____ material

OTHER – Concrete Pad

Remove all visible paint chips. Form, pour, screen, and broom finish a concrete pad over a 4” stone base. PRICE PER SQUARE FOOT

\$_____ labor \$_____ material

Winnebago County

Health Department

WCHD CONTRACTOR AGREEMENT

The undersigned hereby submits this bid to the Winnebago County Health Department's (WCHD) Creating Lead Safe Rockford (CLSR) program to perform residential lead-based paint hazard reduction activities. The undersigned acknowledges that this agreement is made pursuant to a program offered by WCHD and that the methods for reduction and/or abatement of the lead-based paint hazards will be determined by WCHD. The undersigned further agrees to perform the control and/or abatement of lead-based paint hazards in awarded properties and allow WCHD the right of overseeing and approving work performance and the project close-out of all contracted activities.

The undersigned acknowledges receipt of the CLSR Contractor Handbook and agrees to all policies and procedures therein. The CLSR Contractor Handbook has been or will be made available at the Non-Mandatory Bid Meeting on **June 27, 2024 at 9:00 AM** or by contacting Lesley Wallace, CLSR Program Coordinator, at (815)720-4129.

The undersigned agrees that the lead hazard control work must be conducted in compliance with HUD's Lead Safe Housing Rule, the HUD Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing (HUD Guidelines), and all applicable Federal, State, and Local regulations. These include, but are not limited to the EPA's standards (40 CFR 745) and the State of Illinois regulations (IL Admin. Code Title 77, Chapter 1, Subchapter p, Part 845). The undersigned agrees that during the performance of a CLSR project, he/she and all of his/her employees will **not** engage in the following prohibited practices when conducting Lead Hazard Control work:

1. Open flame burning or torching;
2. Machine sanding or grinding without a high-efficiency particulate air (HEPA) exhaust control;
3. Uncontained hydro blasting or high-pressure washing
4. Sandblasting or other abrasive blasting without HEPA exhaust control;
5. Use of heat guns operating above 1,100 degrees Fahrenheit or those that char paint;
6. Use of chemical paint strippers containing methylene chloride or other volatile hazardous chemicals in a poorly ventilated space; and
7. Dry scraping or dry sanding, except scraping in conjunction with heat guns or around electrical outlets or when treating no more than two square feet in any one interior room or space, or totaling no more than 20 square feet on exterior surfaces.

The undersigned agrees that it must observe the procedures for worker protection established in the HUD Guidelines, as well as the requirements of the Occupation Health and Safety Administration (OSHA) (in particular, 29 CFR 1926.62, Lead Exposure in Construction), or the State and Local occupational safety and health regulations, whichever are most protective.

If accepted into the CLSR program and awarded a project, the undersigned agrees to further HUD's strategy for Economic Opportunities for Low- and Very Low-Income Persons (Section 3). Section 3 of the Housing and

Urban Development Act of 1968 (12 U.S.C. § 1701u) applies directly to CLSR and all subsequent contracts expended for program requirements (see 24 CFR 135.3 (a)(2)(i)). The purpose of Section 3 is to ensure that

new training, employment, or contracting opportunities created during this HUD-funded program will be directed to low- and very low-income persons residing in the target area and to the business concerns that employ these persons, to the greatest extent feasible. If the undersigned contractor plans to hire any new employees or award contracts to carry out the agreed upon lead hazard control activities, it must comply with the Section 3 requirements found at 24 CFR 135.32. The undersigned understands that the WCHD is the recipient of a HUD grant totaling more than \$100,000.00 and that any contractor, subcontractor, or sub-grantee receiving contracts under the grant must comply with the Section 3 requirements for any new hiring or sub-contracting opportunities provided under those contracts. The undersigned certifies that they are under no contractual or other impediment that would prevent them from complying with Section 3 regulations.

The undersigned understands that failure to comply with CLSR program requirements may result in recapture, by WCHD and the County of Winnebago, all of the monies advanced in conducting the lead-based paint hazard control and/or abatement.
