## **TERMINATION, CANCELLATION AND DAMAGES**

The County may terminate based on the Contractor's breach or default. Unless the breach or default creates an emergency, as determined in the County's sole discretion, the Contractor shall be given notice and a five (5) day opportunity to cure before the termination becomes effective.

If the County terminates this Contract because of the Contractor's breach or default, the County shall have the right to purchase items or services elsewhere and to charge the Contractor with any additional cost incurred, including but not limited to the cost of cover, incidental and consequential damages and the cost of re-bidding. The County may offset these additional costs against any sums otherwise due to the Contractor under this quote or any unrelated contract.
