PREAMBLE

This **AGREEMENT** entered into by the **COUNTY OF WINNEBAGO, ILLINOIS, THE WINNEBAGO COUNTY SHERIFF AND THE WINNEBAGO COUNTY BOARD** (hereinafter referred to collectively as the "Employer" or "Employers") and the **ILLINOIS FRATERNAL ORDER OF POLICE LABOR COUNCIL**, on behalf of Fraternal Order of Police Lodge No. 50 (hereinafter referred to as the "Union").

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employers and the Union representing the employees in the bargaining unit (referred to herein as "Employees" or "Officers") and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employers and the Union to work together to provide and maintain satisfactory terms and conditions of employment, to set forth those wages, hours, terms and all conditions of employment herein, and to prevent as well as to adjust misunderstandings and grievances relating to employees, wages, hours and working conditions. In consideration of the mutual promises, covenants and agreements contained herein, the parties hereto, by their duly authorized representatives and/or agents, do mutually covenant and agree as follows:

ARTICLE 1. RECOGNITION

SECTION 1.1 RECOGNITION

The Employer recognizes the Union as the sole and exclusive bargaining representative for all full-time Merited Deputies (hereinafter referred to as "officers" and "employees"), but excluding all supervisory employees (this includes all officers of the rank of sergeant and above), all managerial, confidential and part-time employees, all Merited and non-merited Bailiffs, the internal affairs investigator and all other employees employed by Winnebago County or the Winnebago County Sheriff.

SECTION 1.2 PROBATIONARY PERIOD (NEW EMPLOYEES)

Effective with the execution of this contract, the probationary period shall be twenty-four (24) months in duration. Time absent from duty for any reason in excess of fourteen (14) days shall not apply towards satisfaction of the probationary period. Time spent at basic training shall be considered on duty for purposes of this Section. The Sheriff reserves the right to extend the probationary period for a term not to exceed six (6) months at his discretion. Timely written notice of successful completion or intent to extend the probationary period shall be given to the affected employee.

SECTION 1.3 INDEMNIFICATION

Each party warrants to indemnify, defend and hold harmless the other and its officials, representatives, and agents from any and all claims, demands, suits, or other forms of liability, monetary or otherwise, and for all legal costs directly resulting from the

misconduct of the other. The foregoing shall not apply to legal matters or proceedings solely between the parties, but rather applies in circumstances involving other persons or entities making claims, demands or filing suit against one or both of the parties.

SECTION 1.4 NOTIFICATIONS

All formal notifications to the Union shall be addressed to Illinois Fraternal Order of Police Labor Council, with a copy of the same being delivered to the Labor Council Chairman of Fraternal Order of Police Lodge No. 50, at such addresses as the Union and the Lodge may from time to time designate. All formal notifications to the Employer shall be addressed to Winnebago County Sheriff, Winnebago County Justice Center, 650 West State Street, Rockford, Illinois 61102 and Winnebago County Administrator, 404 Elm Street, Rockford, Illinois 61101.

SECTION 1.5 GENDER

Wherever the male gender is used in this Agreement, it shall be construed to include males and females equally.

SECTION 1.6 NONDISCRIMINATION

In accordance with applicable law, the Employer(s) shall not discriminate in a manner which would violate Federal or State laws against any officer covered by this Agreement because of race, creed, color, national origin, sex, age, religion, mental or physical disabilities, political activity, marital status, union activities, or non-union activities, or for any reason prohibited by law. With the exception of union activities, any

matters concerning this Section shall not be subject to the grievance and arbitration procedures provided in Article 7 of this Agreement.

ARTICLE 2. UNION SECURITY AND RIGHTS

SECTION 2.1 UNION USE OF BULLETIN BOARDS

The Employer shall provide the Union with designated space for the placement of approved bulletin boards. All bulletin boards shall be no larger than other Departmental bulletin boards and the Union shall be responsible for their purchase. Bulletin boards may be placed in the Patrol, Detective, Civil Process, Forest Preserve, Machesney Park Divisions, and such other work sites to which bargaining unit employees are regularly assigned.

The Union may post its notices of a non-political or non-inflammatory nature. The Union will limit the posting of Union notices to such bulletin boards. The Union shall provide a copy of all postings to the Sheriff at the time of the posting of the notice, by placing a copy in the Sheriff's Administration Mail Box located in the Administrative Office on the First Floor of the Winnebago County Justice Center except outside normal office hours when a copy shall be left for the on-duty shift supervisor with notification to the supervisor.

All costs incident to preparing and posting of Union material will be borne by the Union, and the Union will be responsible for maintaining its portion of the bulletin boards in an orderly and neat fashion.

The Union shall also have the right to place notices it posts on the bulletin boards in employee's departmental mailboxes.

SECTION 2.2 DUES CHECKOFF

The Employer will deduct from each employee's paycheck once a pay period one-half ($\frac{1}{2}$) the uniform, regular monthly Union dues from each employee in the bargaining unit who has filed with the Employer a voluntary effective check-off authorization in the form set forth in Appendix A. Such dues shall be forwarded to the Union at an address designated by the Union. During those calendar months that an employee receives three (3) paychecks, dues deductions shall not be made from the second paycheck. The Employer shall submit to the Union with each payment of Union dues a list of the members covered by this Agreement from whom due deductions have been made, a list of those who are not members of the Union, and an affidavit which specifies the amount of the Union dues which have been deducted.

A Union member desiring to revoke the dues check-off may do so by written notice to the Employer at any time.

The actual dues amount deducted, as determined by the Union, shall be uniform in nature for each employee in order to ease the Employer's burden of administering this provision.

If the employee has no earnings for that period, the Union shall be responsible for collection of dues. The Union agrees to refund to the employee any amounts paid to the Union in error on account of this dues deduction provision. The Union may change the fixed uniform dollar amount which will be considered the regular monthly dues twice

each year during the life of this Agreement. The Union will give the Employer thirty (30) days written notice of any such change in the amount of uniform dues to be deducted.

SECTION 2.3 UNION INDEMNIFICATION

The Union shall indemnify, defend and save the Employer(s) harmless against any and all claims, demands, suits and other forms of liability (monetary or otherwise) and for all reasonable legal costs that arise out of any proper action taken or not taken by the Employers in complying with this Article. If any improper deduction is made, the Union shall refund directly to the employee any such amount. Notwithstanding any of the provisions of this Article, in the event this Section 2.3 is determined by a court of competent jurisdiction to be invalid, the Employer(s) shall be relieved of all its responsibilities as set forth in this Article, subject to its obligations to bargain a replacement thereto pursuant to Article 30 hereof.

ARTICLE 3. LABOR MANAGEMENT MEETINGS

SECTION 3.1 MEETING REQUEST

The Union and the Employer mutually agree that, in the interest of efficient management and harmonious employee relations, it is desirable that private, quarterly Labor-Management Meetings be held between Union representatives and responsible administrative representatives of the Employer. Such meetings shall occur on a day that is mutually agreed upon the parties during the first week of January, April, July and October unless otherwise mutually agreed. Additional meetings shall be requested at least seven (7) calendar days in advance by either party by placing in writing a request to the other for a Labor-Management meeting and expressly providing the agenda for such meeting. Such meetings, times and locations if mutually agreed upon, shall be limited to:

- (a) Discussion of the implementation and general administration of the Agreement;
- (b) Sharing of general information of interest to the parties;
- (c) Safety issues and concerns;
- (d) Other matters of concern.

SECTION 3.2 CONTENT

It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at Labor-Management Meetings, nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings, absent mutual agreement of the parties.

SECTION 3.3 ATTENDANCE

Attendance at Labor-Management meetings shall be voluntary on the employees' part. Attendance at such meetings shall not be considered time worked for compensation purposes for those employees who attend such meetings during off-duty time. The Employer will release employees who wish to attend such meetings who are on duty, without loss of pay, so long as it does not affect the Employer's normal operations or when an emergency arises. Normally, three (3) representatives from each party shall be in attendance at these meetings. However, additional employees may be approved for on-duty attendance by making a written request at least one (1) day in advance of the meeting to the employee's immediate supervisor for forwarding to the Deputy Chief, Law Enforcement, who shall reasonably determine whether such on-duty attendance is in the best interest of the parties' collective bargaining relationship. The decision regarding the attendance of additional on-duty employees shall not be subject to the grievance procedure.

SECTION 3.4 AGENDA

The Union and the Employer will provide each other an agenda listing the items each plans to discuss at such Labor-Management Meetings at least seven (7) days in advance of each meeting.

ARTICLE 4. MANAGEMENT RIGHTS

Except as modified by this Agreement, the County and the Sheriff retain the sole right to operate and manage their respective affairs in each and every respect. The rights reserved to the sole discretion of the County with respect to its area of responsibility, and the Sheriff with respect to his area of responsibility, shall include, but not be limited to the right to determine the organization and operation of the Winnebago County Sheriff's Department; to determine and change the purpose, composition and function of each of its constituent departments, and subdivisions; to set standards for the services to be offered to the public; to direct the officers of the Winnebago County Sheriff's Department, including the right to assign work and overtime; to hire, examine, classify, select, promote, restore to career service positions, train, transfer, assign and schedule officers; to increase, reduce or change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of a bona fide lack of work or funds; to contract out work on a temporary basis when the same is essential in the exercise of police power in the case of existing emergency conditions; to establish work schedules and to determine the starting and quitting time, and the number of hours to be worked; to establish, modify, combine or abolish job positions and classifications; to add, delete or alter methods of operation, equipment or

ARTICLE 5. SUBCONTRACTING

It is the general policy of the Employer(s) to continue to utilize the employees to perform work they are qualified to perform. However, the Employer(s) reserves the right to contract any work it deems necessary in the exercise of its best judgment and consistent with the Employer's lawful authority under Illinois statutes. Provided, however, the Employer(s) shall utilize Reserve Deputies for Courthouse Security and to fill in for employees off on vacation or on sick leave. Reserve Deputies shall not be used to eliminate the overtime opportunities of employees covered by this Agreement.

The Employer(s) will give the Lodge thirty (30) days advance notice, or as much notice as possible if less than thirty (30) days notice can be given, once a decision to subcontract is made.

The Employer agrees, upon request, to negotiate with the Lodge over the effects of any decision to subcontract on bargaining unit personnel. Any personnel actions taken involving such persons shall be considered temporary until the completion of any requested effects bargaining as provided in the Illinois Public Labor Relations Act.

Notwithstanding the foregoing, the Employer shall not subcontract out work that is performed by bargaining unit members.

- (1) the starting and ending times of the cover shifts may be adjusted by not more than two (2) hours, provided the Employer gives the affected officers not less than forty eight (48) hours advance notice;
- (2) the number of hours an officer has worked consecutively on a particular day has created a significant risk that fatigue will interfere with the officer's ability to perform his or her duties. Such determinations shall be made on a case-by-case basis depending on the nature of the employee's work that day, but under no circumstances will be made for less than sixteen (16) hours of work without at least six (6) hours of rest;
- (3) for purposes of an employee's attending a training session greater than two (2) days in duration; provided, however, that any such training session conducted by the Employer shall be limited to a single topic in order for the Employer to have the right to adjust work schedules to avoid the payment of overtime;
- (4) during emergency circumstances where the change is necessary in order to perform essential police functions, but only for the duration of the specific emergency;
- (5) an employee who is performing the duties of a Field Training Officer may have his or her shift and/or hours of work adjusted for the initial four weeks of a recruit's orientation so as to provide five consecutive workdays, 8.4 hours per day;
- (6) where it is necessary to involuntarily change the shift assignment or hours of work of an employee in order to fill a vacancy resulting from a promotion,

retirement, extended absence due to injury or illness, unresolvable personal conflict among employees, and/or termination, the employee with the least seniority on the same platoon as the vacancy, shall be the one whose shift assignment or hours of work are changed. The Employer shall first seek volunteers;

- (7) subject to management approval, if an employee voluntarily requests a change for personal reasons, such as a family hardship, the employee shall be obligated to find a volunteer with whom to change. Absent a volunteer, no change shall be made;
- (8) where circumstances cause the employer to believe that additional changes should be made, the Employer shall have the right to notify the Labor Council of its desire to negotiate a change as set forth in Section 6.12.
- (9) Where an Employee is the subject of a criminal investigation, but has not been placed on administrative leave with pay or suspended, the Employer may adjust the Employee's work schedule to an 8.4 hour day.
- (10) Where it is necessary to fill a temporary position in the crime scene unit when an assigned day shift crime scene technician is absent, due to vacation, TC, illness, or school, the assigned night shift technician may be adjusted to a 1200-2400 hour shift, without effect to the 1800-0600 hour night shift pay differential.
- (11) Where it is necessary to change the shift assignment or hours of work of an employee in order to fill a vacancy for the front desk, juvenile assessment center, housing authority, community policing unit, resulting from a promotion, retirement, extended absence due to illness or injury, unresolved personal conflict among employees, termination, and/or the commencement of a new position, the Employer reserves the right to choose an employee from a group having two to five years experience as a merited deputy as the one whose shift assignment or hours of work are changed. The employer shall first seek volunteers.
- (12) Employees assigned as canine handlers will have one hour adjusted off per working shift to accommodate for the care of the dog.

Under no circumstances will an officer's hours be adjusted for punitive or disciplinary reasons.

(b) By the Employee:

The Employer will permit any two (2) employees to exchange full shifts or days off, or allow one employee to work a full shift in lieu of another employee under the following conditions:

- 1) The employees must be assigned to the same division;
- 2) A written request is given to each employees shift sergeant at least forty-eight (48) hours in advance, except that under circumstances where forty-eight (48) hours advance notice is not possible because of exigent circumstances, the employees shall give notice as soon as is possible;
- 3) No employee may exchange shifts more than six (6) times during a twelve month period unless approved by the Bureau Commander where exigent circumstances exist (not to be more than three days in succession);
- 4) No exchange will be allowed if it would result in an employee working a double shift or if it would result in an employee being entitled to overtime compensation pursuant to Section 6.5.

SECTION 6.5 OVERTIME PAY

Employees shall be compensated at a rate of one and one-half (1.5) times their regular hourly rate of pay for all authorized hours worked outside of their normal work schedules (except as is provided with regard to adjusting hours of work in Section 6.4 (a) above) and/or in excess of one hundred and sixty-eight (168) during any twenty-eight day work period.

For purposes of determining an employee's entitlement to overtime compensation, the seven hours of special duty day shall not of themselves result in overtime pay, even though they may be scheduled outside the employee's normal work hours.

Further, for purposes of determining an employee's entitlement to overtime compensation, "hours or time worked" shall mean hours actually worked as well as all paid time off. Except when an employee earns overtime on the day that payroll is turned in, all overtime earned will be paid on the payroll for the pay period during which it was earned.

SECTION 6.6 COMPENSATORY TIME

In lieu of overtime pay, employees may elect to receive compensatory time off which may be accumulated to a maximum of ninety-six (96) hours.

SECTION 6.7 COURT TIME

Employees who would otherwise be off duty shall be compensated in accordance with Section 6.5 and /or Section 6.6 for all hours worked appearing in Court on behalf of the County in the capacity of a commissioned officer or when preparing for an off duty appearance when in the presence of a prosecuting attorney. The Employee shall be compensated for the greater of three (3) hours minimum at the rate of time and one-half or actual time worked at the rate of time and one-half, whichever is greater, for morning appearances and of three (3) hours minimum at the rate of time and one-half or actual time worked at the rate of time and one-half, whichever is greater, for afternoon appearances when it is for a different case. Off duty lunch periods shall not be compensated.

SECTION 6.8 CALL BACK PAY

A call-back is defined as an official assignment of work which does not continuously proceed or follow an officer's regularly scheduled working hours other than court appearances which shall be compensated in accordance with Section 6.7 above. All call back assignments shall be compensated in accordance with Section 6.5 and shall be for a minimum of three (3) hours at the rate of time and one-half, or actual time worked at the rate of time and one-half, whichever is greater, unless an individual is called back to rectify his/her own error (in which case the minimum shall not apply). Employees shall only be called to correct errors that must be corrected prior to their next scheduled shift and shall not be called back for punitive purposes.

SECTION 6.9 TRAINING TIME

Each employee will be required to attend up to 40 hours of training per year. For each employee working the 12 hour shift, the Employer agrees to pay the first 24 hours (three training days) at straight time. The two remaining training days (up to 16 hours) will be paid at straight time or the officer will be scheduled to attend during their normal working hours. This provision will apply to no more than 5 individual days. This is to address platoon training days which are scheduled during an employee's normal day off.

Upon completion of the shift bidding process as provided in Section 6.3(b) and prior to December 31st, the employer will establish a minimum of 24 hours (three training days) of the annual retraining scheduling for the following year. Employees will be assigned by Platoon Schedule. Once all requests are submitted and the annual retraining schedule is complete, it will be posted by the employer. The annual retraining dates are mandatory and employees must attend on their scheduled dates. If exigent circumstances exist and the employee is unable to attend during their scheduled time, the employee shall attend during a different week determined by the employer.

The Employer(s) shall not adjust an employee's regular shift schedule in order to avoid overtime consequences as a result of an employee's attendance at a training session of two (2) days or less in duration. For training sessions in excess of two (2) days, the Employer(s) reserve the right to adjust shift schedules to avoid overtime consequences, subject to the requirements of Section 6.4.

SECTION 6.10. REQUIRED OVERTIME

The Sheriff or his designee(s) shall have the right to require overtime work, and officers shall not refuse overtime assignments. Except in emergencies or where the Employer has less than two hours notice of the circumstances resulting in the need to assign overtime, the Sheriff or his designee(s) shall make reasonable efforts to obtain volunteers for overtime assignments by utilizing the provisions of Section 6.13 before assigning required overtime work. The Sheriff or his designee(s) will assign overtime on a reverse length of service basis. However, volunteers will not necessarily be selected for work in progress being performed by a specific officer. Also, specific officers may be

selected for special assignments based upon special skill, ability or experience they may possess. Deputies assigned to the administrative schedule who are mandated or volunteer to work a holiday shall receive time and a half for all hours worked on a holiday.

An employee shall provide the Employer(s) with his/her current telephone number and residential address.

SECTION 6.11 NO PYRAMIDING

Compensation shall not be paid (or compensatory time taken) more than once for the same hours worked under any provision of this Article or Agreement.

SECTION 6.12 WORK SCHEDULES

Should the Employer desire to make any changes in the work schedules that are not otherwise permitted under this Agreement, it shall notify the Labor Council of its desire. The parties agree to commence negotiations within two (2) weeks of the Labor Council's receipt of such notice. In light of the importance to the employer and the employees of determining the shift schedules that shall be worked, and the need for prompt resolution of any bargaining which may occur, the parties agree that should bargaining have not been concluded within thirty (30) days of the date the Labor Council received notice, the parties' dispute shall be resolved through expedited interest arbitration.

SECTION 6.13 VOLUNTARY OVERTIME/EXTRA DUTY ASSIGNMENTS

The Employer shall make a reasonable effort to make overtime opportunities and extra duty assignments available on an equal basis to all employees capable of performing the work.

a. Voluntary Overtime

The Employer shall maintain two overtime lists for the Patrol Division, one for those employees working A Platoon hours and one for those working B Platoon hours, each list to be based upon seniority within the Division. The Employer shall compile lists of employees who express an interest in overtime work. After an initial sign up period of two (2) weeks, any new names added to the lists shall be added to the bottom in order of signing up, without regard to seniority. These lists shall be updated annually.

Except in emergencies or where the Employer has less than two hours notice of the circumstances resulting in the need to assign overtime, the Employer shall offer overtime opportunities only to employees on the lists.

Offers of overtime work opportunities shall be made in sequential order through the lists, with new overtime opportunities being offered first to the employee following the employee who accepted the last offer.

b. Extra Duty Assignments (Special Events)

In addition to the voluntary overtime list maintained pursuant to subsection (a), the Employer shall maintain a list for all employees who are interested in extra duty assignments (special events for which additional coverage is requested). The extra duty list shall be maintained on the basis of seniority as a merited deputy.

The Employer shall, within thirty (30) days of the ratification of this Agreement, compile a list of employees interested in extra duty work. After an initial two (2) week sign up period, any new names added to the list shall be placed at the end, in order of sign up, without regard to seniority.

Offers of extra duty work opportunities shall be made in sequential order through the list, with new extra duty opportunities being offered first to the employee following the one who accepted the last offer. Any employee assigned to the Detective Division who accepts an extra duty assignment to perform work not otherwise performed by the Detective Division shall be compensated at an hourly rate that that employee would otherwise be entitled to had he/she not been assigned to the Detective Division.

SECTION 6.14 RESTRICTED TIME

All employees who are ordered restricted at home by his/her supervisor in anticipation of call back for an assignment shall be compensated for all hours so restricted.

SECTION 6.15 OFF DUTY ARRESTS

Any employee who is off duty and not engaged in secondary employment providing private security or working for another police agency who encounters circumstances that result in his/her making an arrest, shall be considered to be in the line of duty for purposes of indemnification, the "Public Employee Disability Act" (5 ILCS 345/0.01 et seq.), the Pension Act and the Worker's Compensation Act; provided,

however, that employees working secondary employment providing private security service or working for another police agency may receive the same benefits at the discretion of the Sheriff on a case by case basis.

SECTION 6.16 CANCELLATION OF COURT APPEARANCE

Any employee that has been issued a subpoena to appear in court as a result of their employment, and who are not otherwise scheduled to work, shall receive three (3) hours pay if the court appearance is cancelled on the day of the scheduled appearance. This Section shall not apply to any employee's regularly scheduled court appearance for traffic cases.

SECTION 6.17 TEMPORARY ASSIGNMENTS

The Employer(s) may, as provided in this Section, temporarily assign an employee assigned to the Uniformed Services Division, to the Detective Division, for a period of not to exceed six (6) weeks without any increase in the assigned employee's regular rate of pay. Such temporary assignment may be extended for a period not to exceed six (6) additional weeks without the agreement of the Labor Council. By agreement of the parties, such temporary assignments may be further extended. In such case, the employee shall be paid at the same rate as the employee would have been compensated had the employee been promoted to the rank of Detective. For purposes of this Section, assignment to Metro Narcotics and the Auto Theft Task Force, shall not be considered to be an assignment to the Detective Division.

SECTION 6.18 HAZARDOUS DUTY PAY

Any employee who is a Certified Field Training Officer and has been designated as such by the Employer(s) shall receive a 5% premium added to his/her regular rate of pay for all hours worked in those capacities. Any employee who is a SWAT Team, or a Bomb Technician, and has been designated as such by the Employer(s) shall receive a lump sum five hundred dollar (\$500.00) premium per fiscal year added to his/her regular rate of pay. However, compensatory time may only be accumulated to the maximum permitted by Section 6.6 of this Agreement. Any compensatory time earned pursuant to this Section in excess of that maximum must be used during the pay period earned or during the subsequent pay period.

ARTICLE 7. GRIEVANCE PROCEDURE

SECTION 7.1 DEFINITION

A "grievance" is defined as a dispute or difference of opinion raised by an employee or the Union against the Employer involving an alleged violation of an express provision of this Agreement, including but not limited to just cause for discipline.

SECTION 7.2 DISCIPLINE OUTSIDE THE MERIT COMMISSION JURISDICTION

All discipline imposed by the Sheriff shall be based on just cause, consistent with the principles of progressive and corrective discipline. The Sheriff shall have the authority to issue and impose discipline up to and including discharge. The Sheriff shall not file charges with the Merit Commission. The Merit Commission no longer has jurisdiction over any disciplinary matters concerning the employees covered under this Agreement. All discipline is subject to the Grievance Procedure of this Agreement.

SECTION 7.3 PROCEDURE

A grievance filed against the Employer shall be processed in the following manner:

STEP 1: Any employee and/or Union Representative who has a grievance shall submit the grievance in writing to the employee's immediate supervisor who shall be a supervisor not included in the bargaining unit, specifically indicating that the matter is a grievance under this Agreement. The grievance shall contain a complete statement of the facts, sufficient to provide notice of the nature and circumstances of the dispute,

the provision or provisions of this Agreement which are alleged to have been violated, and the relief requested. All grievances must be presented no later than ten (10) business days from the date of the occurrence of the matter giving rise to the grievance or within ten (10) business days after the employee or the Union through the use of the reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance. Within ten (10) business days after receipt of the written grievance, the immediate supervisor shall meet with the grievant and/or the Union in an attempt to solve the grievance unless the parties agree otherwise. The immediate supervisor shall render a written response to the grievance within ten (10) business days following the meeting.

STEP 2: If the grievance is not settled at Step 1, and the employee or the Union desires to appeal, it shall be referred in writing signed by the grievant or the Union Representative who prepared the appeal, to the Sheriff or his designee within ten (10) business days after receipt of the answer in Step 1. Thereafter, the Sheriff or his designee along with a County Board Representative shall meet with the grievant and the Union Representative within ten (10) business days following receipt of the grievance. It is understood by the parties that the County Board Representative shall, on economic grievances, participate in the decision as to possible settlement or dismissal of the grievance and shall be required to sign any answer along with the Sheriff or his designee in order for the answer to constitute the Employer's official response.

SECTION 7.4 BINDING ARBITRATION

If the grievance is not settled in Step 2 and the Union wishes to appeal the grievance, the Union may refer the grievance to binding arbitration, as described below, within ten (10) business days of receipt of the Employer's written answer as provided to the Union at Step 2.

- (a) **Arbitrator Selection:** Unless the parties mutually agree upon an arbitrator, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators within fourteen (14) calendar days of the referral to arbitration. The parties shall divide equally the costs of obtaining the panel. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. Both the Employer and the Union shall have the right to alternately strike one (1) name from the panel, with the order of striking to be determined by a coin toss. The person remaining shall be the arbitrator.
- (b) **Notice to Arbitrator:** The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of the Union and Employer(s) representatives.
- (c) **Parties' Rights:** The Employer(s) and the Union shall have the right to request the arbitrator to require the presence of witnesses or documents. The Employer and the Union retain the right to employ legal counsel.

- (d) **Issuance of Award:** The arbitrator shall submit his/her binding decision in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.
- (e) **Multiple Grievances:** More than one (1) grievance may be submitted to the same arbitrator if both parties mutually agree in writing.
- (f) **Costs:** The fees and expenses of the arbitrator and the cost of a written transcript for the arbitrator, if any, shall be divided equally between the Employer and the Union; provided, however, that each party shall be responsible for compensating its own representatives and witnesses and for purchasing its own copy of the transcript if so desired.

SECTION 7.5 LIMITATION ON AUTHORITY OF ARBITRATOR

The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The arbitrator shall be empowered only to address a dispute of which the Employer was given sufficient notice during the grievance procedure. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws, or rules and regulations of administrative bodies that have the force and effect of law. Any decision or award of the arbitrator rendered within the limitations of this Section 7.5 shall be binding upon the Employer, the Union and employees covered by this Agreement.

SECTION 7.6 TIME LIMIT FOR FILING

No grievance shall be entertained or processed unless it is submitted at Step 1 within ten (10) business days after the occurrence of the event giving rise to the grievance or within ten (10) business days after the employee or the Union, through the use of reasonable diligence, could have obtained knowledge of the occurrence of the event giving rise to the grievance, unless mutually agreed in writing. A "business day" is defined as a calendar day exclusive of Saturdays, Sundays or holidays. If the grievance is not presented by the employee or the Union within the time limits set forth above it shall be considered waived unless good cause is established. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer(s)' last answer. If the Employer(s) does not answer a grievance or an appeal thereof within the specified time limit, the aggrieved employee and/or the Union may elect to treat the grievance as denied at that set and immediately appeal the grievance to the next step.

SECTION 7.7 TIME OFF

The grievant and one (1) Union Representative, if requested by the grievant, or a Union Representative if a union grievance, shall be given paid time off to participate in the Step 1 and/or Step 2 meetings and arbitration if the meetings or arbitration are conducted on working time. No other time spent on grievance matters shall be considered time worked for compensation purposes.

SECTION 7.8 DISCLOSURE OF INFORMATION

Upon the filing of a grievance, the Employer agrees to provide to the Union such documents and other information requested by the Union as may be necessary in order to evaluate the meritoriousness of grievances.

ARTICLE 8. NO STRIKE

SECTION 8.1 NO STRIKE COMMITMENT

Neither the Union nor any of its officers, agents or employees, or any member of the bargaining unit will call, institute, authorize, participate in, sanction, encourage, or ratify any strike, sympathy strike, work stoppage, slow down or other concerted refusal to perform duties by an officer or officer group, or the concerted interference with, in whole or in part, the full, faithful and proper performance of the duties of employment with the Employer regardless of the reasons for doing so. No employee covered by this Agreement shall refuse to cross any picket line during the performance of duty. Each employee who holds the position of officer or representative of the Union occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article.

SECTION 8.2 RESUMPTION OF OPERATIONS

In the event of action prohibited by Section 8.1 above, the Union agrees to inform members of the bargaining unit of their obligation under the Agreement and direct them to work, and shall use its best efforts to achieve a prompt resumption of normal

operations. The Union, including its officials and agents, shall not be liable for damages upon complying with the requirements of this section so long as the Union, its officials and agents have not acted in violation of Section 8.1 above.

SECTION 8.3 DISCIPLINE OF STRIKERS

Any officer who violates the provisions of Section 8.1 of this Article shall be subject to immediate discharge. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent. The imposition of discipline under this section is subject to appropriate review.

SECTION 8.4 JUDICIAL RESTRAINT

Nothing herein shall preclude the Employer from obtaining judicial restraint and damages in the event an employee or the Union violates this Article.

ARTICLE 9. HOLIDAYS

SECTION 9.1 HOLIDAYS

The following are paid holidays for eligible employees:

New Years Day	Labor Day
Martin Luther Kings Birthday	Columbus Day
Presidents Day	Veterans Day
Memorial Day	Thanksgiving Day (2)
Juneteenth	Christmas Day (2)
Independence Day	

SECTION 9.2 HOLIDAY PAY AND WORK REQUIREMENTS

An employee shall work all holidays when scheduled as part of their normal departmental work schedule. To be compensated for a holiday, the employee must work the day immediately before and/or the day immediately after the holiday (if scheduled), in addition to the holiday (if scheduled), unless an absence is for just cause and approved by the Employer(s). If an employee is scheduled to work and in fact does work the holiday, he/she shall be compensated at his/her regular rate of pay plus 8.4 hours holiday pay. If the employee is scheduled off on a holiday, he/she shall be compensated 8.4 hours holiday pay. If an employee is forced back on Thanksgiving, Christmas Eve or Christmas day, he/she shall be paid twice his/her regular rate of pay in addition to 8.4 hours holiday pay. If the department determines that a position does not require staffing on a holiday, the employee(s) scheduled to work the holiday as part of their normal departmental work schedule shall have the holiday off; however, employees assigned to the Juvenile Assessment Center may be required to work their normal hours to staff a needed assignment. Such employee(s) shall receive their regular rate of pay for that day if they are off, but if they work, the employee(s) shall receive holiday pay in addition thereto. Employees shall have the choice of cash compensation or compensatory time, or a combination thereof, as compensation for holiday pay earned under this Section. For the purpose of this Article, if one of the above holidays falls on a Saturday, it shall be observed on the preceding Friday. If one of the above holidays falls on a Sunday, it shall be observed on the following Monday. Provided, however, with respect to those work locations that require continuous

coverage, the holiday will be observed on the actual day of the holiday for employees in those position classifications that normally work weekends.

ARTICLE 10. LAYOFF AND RECALL

SECTION 10.1 LAYOFF

If it is determined that layoffs are necessary, due to a bona fide lack of work or lack of funds, all part-time employees and reserve deputies shall be laid off before any full-time bargaining unit employees are laid off. Thereafter, layoffs of full-time bargaining unit employees shall be made in inverse order of seniority, with the least senior employee being the first laid off, and the most senior employee being the first recalled to duty.

SECTION 10.2 RECALL

Employees who are laid off shall be placed on a recall list for a period of two (2) years. If there is a recall, employees who are still on a recall list, shall be recalled, in the inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled in accordance with the Sheriff's Merit Commission Rules. Employees on the departmental recall list have the obligation to keep the Employer advised in writing of their current addresses.

ARTICLE 11. VACATIONS

SECTION 11.1 ELIGIBLE FOR ALLOWANCES

Every employee shall be eligible for paid vacation time after the completion of one (1) year's service with the Employer. Employees shall start to earn vacation allowances as of their date of hire as employees covered by this Agreement. Employees may not use vacation time until it is earned. Employees will earn vacation hours on the first day of each month.

Vacation hours eligible to be used each year shall be based on the following continuous years of service:

SECTION 11.3 USE OF VACATION TIME

Employees shall be granted vacation time by the Employer in accordance with the County's service needs and the employee's desires. Vacations shall be granted as provided in Section 11.4. Vacation leave must be taken in increments of not less than

four (4) hours, unless an Employee has no compensatory time available, in which case the Employee shall be permitted to take his or her vacation leave in increments of not less than one (1) hour. Employees will be required to take vacation days within one (1) year from the date they are accrued. If because of operating needs the Employer cannot grant an officer's request for vacation time within the one (1) year period from the date accrued, such vacation time may be accumulated for an additional twelve (12) month period. If an employee does not request and take accrued vacation within such period, such vacation shall be lost.

SECTION 11.4 VACATION SCHEDULING

The maximum number of officers to be scheduled for vacation at one time will be at the discretion of the Employer considering seasonal operations, desired level of staffing and other level of service related matters. Between November 15th and December 15th of each calendar year, the Employer(s) shall post a vacation scheduling request sign up sheet in each Division. Each employee shall have the opportunity to designate up to two consecutive weeks of accumulated vacation time he/she wishes to take. Seniority within the Division will govern in the event of conflicting requests. After December 15th, vacation requests will be considered by the Employer(s) on a first come, first served basis. In the event of an emergency, the Employer reserves the right to cancel scheduled vacation time and require the officer to work. In such emergency situations, the officer's vacation will be rescheduled with the approval of the Employer at a time desired by the officer, work schedules permitting. In the event of an Employer initiated cancellation, the Employer shall, upon the submission of proper written documentation, reimburse the officer for any out of pocket expenses incurred by reason

of said cancellation.

Provided, however, a minimum of three (3) employees per shift shall be permitted to take vacation leave and/or compensatory time off on any given day under any circumstances, except on New Year's Eve Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day and their associated weekends (Friday, Saturday and Sunday) on which the minimum shall be two (2). However, the third person off on a regular day or the second person off on the listed holidays must take vacation leave or compensatory time and that person must give a minimum of 48 hours notice. A minimum of two (2) employees from Machesney Park per shift per day shall be permitted to take vacation leave and/or compensatory time off on any given day under any circumstances, except on New Year's Eve Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day and their associated weekends (Friday, Saturday and Sunday) on which the minimum shall be one (1). However, the second person off on a regular day must take vacation leave or compensatory time and that person must give a minimum of 48 hours notice. A minimum of one (1) employee from the Forest Preserve District per shift per day shall be permitted to take vacation leave or compensatory time off on any given day under any circumstances. The foregoing shall not preclude additional officers from being granted vacation leave and/or compensatory time off where staffing permits.

SECTION 11.5 ACCUMULATION

Vacation credit shall not be accumulated during any layoff period, nor shall vacation credit be accumulated during any unpaid leave of absence.

ARTICLE 12. SICK LEAVE

SECTION 12.1 PURPOSE

Sick leave is absence with pay due to incapacitating illness, injury or pregnancy. The Employer(s) shall allow sick leave to employees in accordance with Section 12.2. The Employer(s) may request, prior to payment for sick leave, evidence which may be in the form of written medical certification of use of sick leave if reasonable grounds exist to suspect abuse or if the absence has exceeded three (3) consecutive work days.

SECTION 12.2 ALLOWANCE

Any employee contracting or incurring any non-service connected sickness or disability shall receive sick leave with pay as set forth in this Article. Employees may utilize the equivalent of one-half of the sick time earned by the employee during any calendar year in the event of an illness, injury or medical appointment of the employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent.

SECTION 12.3 DAYS EARNED

Employees shall earn one (1) 8.4 hour day of sick leave for each month of service to a maximum of 240 days. Sick leave cannot be taken before it is actually earned. Employees will earn sick leave hours on the first day of each month.

SECTION 12.4 NOTIFICATION

Notification of absence due to sickness shall be given to the Employer as soon as possible on the first day of such absence or sooner if possible and every day thereafter (unless this requirement is waived by the Sheriff or his designee), but no later than one (1) hour before the start of the employee's work shift unless it is shown that such notification was impossible. Failure to properly report an illness may be considered as absence without pay and may subject the employee to discipline.

SECTION 12.5 MEDICAL EXAMINATION

The Employer may request, prior to payment of sick leave, evidence which may be in the form of written medical certification of illness if reasonable grounds exist to suspect abuse, or if the absence has exceeded three (3) consecutive work days.

SECTION 12.6 SICK LEAVE UTILIZATION

Sick leave shall be used in no less of an increment than one (1) day, unless otherwise approved by the Employer. Sick leave will be deducted equal to the number of hours absent.

SECTION 12.7 SICK LEAVE EARNED

Sick leave shall not be earned during any layoff period nor shall sick leave be earned during any unpaid leave of absence.

SECTION 12.8 SICK LEAVE CONVERSION

Sick leave accumulation may be converted to pension service credit in accordance with Illinois Municipal Retirement Fund regulations. Accrued, unused sick leave will be forfeited at time of termination or retirement except as provided herein.

SECTION 12.9 PERSONAL LEAVE DAYS

Each full-time employee shall be entitled to one personal leave day after six (6) months of employment. Employees shall accrue this personal day as of January 1st of each year. This personal leave day cannot be carried over from year to year.

Each employee may earn a maximum of an additional two (2) personal leave days based on accrued sick days. One personal day may be earned for each twelve (12) sick days accrued as of the employee's anniversary date up to a maximum of two days for twenty-four (24) sick days accrued. These additional personal days will be earned for sick days accrued as of the first day of the month in which the employee's anniversary date falls. These personal days may not be carried from year to year. In no case will an employee be entitled to "cash out" the personal leave day or in any way to convert the day to money for the employee.

An employee will be compensated for personal leave days the same number of hours that the employee would have been compensated had the employee worked his or her normally scheduled hours.

ARTICLE 13. ADDITIONAL LEAVES OF ABSENCE

SECTION 13.1 DISCRETIONARY LEAVE

In accordance with Merit Commission Rules, the Employer may grant a leave of absence under this Article to any bargaining unit employee where the Employer determines there is good and sufficient reason. The Employer shall set the terms and conditions of the leave. All leaves will be on a non-pay status.

SECTION 13.2 APPLICATION FOR LEAVE

Any request for a leave of absence shall be submitted by the employee to the Sheriff or his designee as far in advance as practicable. The request shall state the reason for the leave of absence and the approximate length of time off the employee desires. Authorization for the leave of absence shall, if granted, be furnished to the employee by his immediate supervisor in writing. Similarly, the basis for denial, if denied, shall be furnished to the employee in writing.

SECTION 13.3 MILITARY LEAVE

Employees who are members of any armed service of the United States or State of Illinois shall be allowed leave with pay in compliance with State and Federal Law. Nothing prevents the Employers from providing benefits in addition to those provided by State and Federal Laws to those bargaining unit members who are members of the armed services. Employees returning to work following these military obligations will be returned in compliance with State and Federal guidelines.

SECTION 13.4 JURY LEAVE

Employees who are summoned for and appear for jury duty (i.e., appear for duty but not necessarily selected) and/or who are required to serve on a jury shall be compensated at their regular rate of pay for each hour spent on jury duty up to the maximum number of hours the employee otherwise would have been regularly scheduled to work. In order to receive compensation for jury leave, an employee must sign the jury duty check over to the Employer(s).

SECTION 13.5 BEREAVEMENT LEAVE

In the event of death in the immediate family (employee's parent, spouse (as defined or recognized under Illinois law for purposes of marriage), child, step-child, sibling, step-parent, mother or father-in-law, brother or sister-in-law, grandparent and grandchild), such employee, upon request will be excused with pay for up to three (3) consecutive calendar days for the purpose of attending the funeral and other related matters. In the event of a death in the employee's extended family (i.e. beyond those listed above), an employee may utilize two (2) days of accumulated vacation leave, compensatory time or leave without pay unless such absence would unduly interfere with the operational needs of the Employer. If the Employer has reason to suspect abuse, the Employer may require satisfactory evidence of the need for such absence.

SECTION 13.6 LEAVE FOR ILLNESS, INJURY OR PREGNANCY

- (a) In the event an employee is unable to work by reason of illness, or injury (including those comparable under Workers Compensation), or pregnancy, the Employer may grant a leave of absence without pay during which time seniority shall not accrue for so long as the employee is unable to work, except that for a work related injury compensable under Workers Compensation, an employee shall accrue seniority for the first twelve (12) months of leave.
- (b) To qualify for such leave, the employee must report the illness, injury or inability to work because of pregnancy as soon as the illness, injury or pregnancy is known, and thereafter furnish to the Sheriff or his designee a physician's written statement showing the nature of the illness, injury or state of pregnancy and the estimated length of time that the employee will be unable to report for work, together with a written application for such leave. Thereafter, during such leave, the employee shall furnish a current report from the attending doctor at the end of every forty-five (45) day interval.
- (c) Before returning from leave of absence for injury, illness or pregnancy, or during such leave, the employee at the discretion of the Employer may be required to have a physical examination by a doctor designated by the Employer to determine the employee's capacity to perform work assigned.

SECTION 13.7 BENEFITS WHILE ON LEAVE

- (a) Unless otherwise stated in this Article, or otherwise required by law, length of service shall not accrue for an employee who is on an approved non-pay leave status. Accumulated length of service shall remain in place during that leave and shall begin to accrue again when the employee returns to work on a pay status. Unless otherwise stated in this Article, an employee returning from leave will have his seniority continued after the period of the leave. Upon return, the Employer will place the employee in his/her previous job if the job is vacant; if not vacant, the employee will be placed in the first available opening in his classification according to the employee's seniority.
- (b) If, upon the expiration of a leave of absence, there is no work available for the employee or if the employee could have been laid off according to his seniority except for his leave, he shall go directly to layoff;
- (c) During the approved leave of absence under this agreement, the employee shall be entitled to coverage under applicable group and life plans as provided by law, provided the employee makes arrangements for the amount of premium previously paid by the Employer. The Employer may or may not continue to pay the premium for the first ninety (90) days, unless otherwise required as provided by law. ARTICLE 15. DRUG AND ALCOHOL TESTING

SECTION 15.1 STATEMENT OF POLICY: Drug and Alcohol Testing Permitted

In that regard, the employee may be required to submit to alcohol or drug testing as follows. When the Sheriff has a reasonable suspicion to believe that:

- (a) An employee is being affected by the use of alcohol and/or prescribed drugs; or
- (b) Has abused prescribed drugs; or

- (c) Has used illegal drugs, the Sheriff shall have the right to require the employee to immediately submit to alcohol or drug testing provided in this Agreement.

The affected employee may elect to use accumulated vacation or compensatory time for this day. Such incident shall not appear as disciplinary action in the employee's personnel file. Any employee will be afforded this opportunity one time only.

SECTION 15.3 ORDER TO SUBMIT TO TESTING

The employee shall initial and date the notice to acknowledge its receipt. Refusal to submit to such test may subject the employee to discipline, but the employee's taking of the test shall not be construed as a waiver of any objection or rights that he or she may possess. At the time an employee is directed to submit to testing as authorized by this Agreement, the employee shall be permitted to consult with a representative of the Union.

SECTION 15.4 TEST TO BE CONDUCTED

In conducting the testing authorized by this Agreement, the Employer(s) shall:

- (1) Use only a clinical laboratory or hospital facility which is certified by the State of Illinois to perform alcohol and/or drug testing (For alcohol testing, a certified breathalyzer machine operated by a Certified Breathalyzer Operator);
- (2) Establish a chain of custody procedure for both the sample collection and testing that will insure the integrity of the identity of each sample and test results. No employee covered by this Agreement shall be permitted at any time to become a part of such chain of custody;
- (3) Collect a sufficient sample of the same bodily fluid or material submitted by an employee in order to allow for initial screening, a confirmatory test,

and a sufficient amount to be set aside reserved for later testing if requested by the employee;

- (4) Collect samples in such a manner as to preserve the individual employee's right to privacy while insuring a high degree of security for the sample and its freedom from all adulteration. Employees shall not be witnessed by any one while submitting the sample except in circumstances where there is a reasonable suspicion that the employee may attempt to compromise the accuracy of the testing procedure.
- (5) Confirm any sample that tests positive in initial screening for drugs by testing the second portion of the sample by gas chromatography/mass spectrometry (GC/MS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about detected drug or drug metabolites;
- (6) Provide the employee to be tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the employee's choosing, at the employee's expense, provided the employee notifies the Employer(s) in writing, within twenty-four (24) hours of receiving the results of the test;
- (7) Require that the laboratory or hospital facility reports to the Sheriff that a blood or urine sample is positive only if both the initial screening and confirmation tests are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Sheriff inconsistent with the understandings expressed

herein, the Sheriff will not use such information in any manner or forum adverse to the employee's interests;

- (8) Provide each employee tested with a copy of all information and reports received by the Sheriff in connection with the testing and results;
- (9) Insure that no employee is subject to any adverse employment action except emergency temporary reassignment or relief of duty during the pendency of any testing procedure;
- (10) Require that with regard to alcohol testing for the purpose of determining whether the employee is under the influence of alcohol, test results showing an alcohol concentration of .08 or more based upon grams of alcohol per 100 millimeters of blood shall be considered positive (Note: The foregoing standard shall not preclude the Employer from attempting to show that test results between .01 and .07 demonstrate that an employee was under the influence, but the Employer shall bear the burden of proof in such case).

SECTION 15.5 RIGHT TO CONTEST

If disciplinary action is not taken against any employee based in whole or in part upon the results of a drug or alcohol test, the Union and/or the employee, with or without the Union, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the order to submit to the test, the right to test, the administration of the test, the significance and accuracy of the test, or any other alleged violation of this Agreement. Such grievance shall be commenced at

Step 2 of the grievance procedure. Further, if disciplinary action is taken against an employee based in part upon the results of a test, then the Union and/or the employee, with or without the Union, shall have the right to file a grievance concerning any portion of the test. Any evidence concerning test results which is obtained in violation of the standards contained in this Article shall not be admissible in any disciplinary proceedings involving the employee.

SECTION 15.6 VOLUNTARY REQUESTS FOR ASSISTANCE

The Sheriff shall take no adverse employment action against any employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, other than the Sheriff may require the reassignment of the employee with pay if he/she is unfit for duty in his/her current assignment. The foregoing is conditioned upon:

- (a) the employee agreeing to appropriate treatment as determined by the treatment professionals involved;
- (b) the employee discontinues the use of illegal drugs or abuse of alcohol;
- (c) the employee completes the course of treatment prescribed, including an "after care" group for a period of up to twelve (12) months;
- (d) the employee agrees to submit to random testing during normal work hours during the period of "after care."

Employees who do not agree to or act in accordance with the foregoing shall be subject to discipline up to and including discharge. This Article shall not be construed as an obligation on the part of the Sheriff to retain an employee on active status

throughout the period of rehabilitation if it is determined that the employee is incapable of performing the essential functions of a peace officer or whose continuance on active status would constitute a direct threat to the property and safety of others. Such employee shall be afforded the opportunity, at his/her option, to use accumulated paid leave or take an unpaid leave of absence in order to undergo treatment.

SECTION 15.7 OFFICER-INVOLVED SHOOTINGS

When a bargaining unit member discharges his or her firearm, causing injury or death to a person or persons during the performance of his or her official duties or in the line of duty, the employee shall be required to submit to a urine and/or blood test. The Employer(s) and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, including the impact of the Employer(s) exercise of its rights as set forth herein on wages, hours or terms and conditions of employment. In so agreeing the parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties, after the exercise of that right and opportunity, are set forth in this Agreement.
