SUBMISSION OF BIDS

The Bidder, by its officers, agents or representatives (hereafter referred to as the Bidder), shall be responsible for delivery of bids to the Winnebago County Forest Preserve before the date and hour set for the opening of bids. *Late bids will not be considered and will be returned unopened.*

All bids must be received in a sealed envelope that has your name and address in the UPPER left corner and the attached Return label filled in and attached on the LOWER left corner.

Bids mailed "EXPRESS MAIL" must have bid number and due date on the outside of the EXPRESS MAIL envelope. You must allow sufficient time for processing through the County's internal mailroom system.

PREPARATION OF BID

The Bidder must submit a bid on the forms furnished by the Winnebago County Purchasing Department. All blank spaces on the bid form must be filled in. Use "N/A" or "None" where applicable.

Where unit prices are to be bid, and/or where bids are to be made on more than one item, the Bidder shall extend the unit price(s) bid in the places provided on the pricing pages for the approximate quantities, shall compute the total amount of the bid and shall indicate same on the pricing page. The Bidder must bid in accordance with the unit(s) of measure called for unless deviation procedure is followed. All extensions and total sums are subject to verification by the Winnebago County Forest Preserve and the correct extensions and sums will be used in the comparison of bids. If a discrepancy exists between the unit prices and totals, the unit prices shall prevail. If a discrepancy exists between the total base bid and the true sum of the individual bid items, the true sum shall prevail.

Where unit prices are requested, the quantities stated are approximate only but will be used to determine bid award. The quantities for all items on which bids are to be received on a unit price basis, will not be used in establishing final payment due the Contractor. Bids will be compared based on number of units stated in the Bid Pricing Section. Contract payment for unit price items will be based on the actual number of units delivered.

Authorized signature must be the individual owner of a proprietorship, a general partner of a partnership, or signed in the name of a corporation by an officer whose title shall be stated. Bids shall be sealed in an envelope and marked as required in the instructions. The bid is contained in these documents and must remain attached hereto when submitted.

These Standard Terms and Conditions of the Bid shall apply to any contract or order awarded as a result of this Request except where special requirements are stated elsewhere in the Request; in such cases the special requirements shall apply. DEVIATIONS, EXCEPTIONS OR ALTERNATES

Deviations, exceptions or alternates from terms, conditions, or specifications shall be described fully, on Bidder's letterhead, signed, and attached to the Request for Bid. In the absence of such statement, the bid shall be accepted as in strict compliance with all terms, conditions, and specifications and the Bidder shall be held liable. Bidders are cautioned to avoid making deviations and exceptions to the
