# Appointments

# **Reports of Standing Committees**

# **FINANCE COMMITTEE**

# Resolution Executive Summary

**Prepared By:** Patrick Thompson and Pat McDiarmid

**Committee:** Finance

**Committee Date:** September 1, 2022

**Resolution Title:** Resolution for Approval for Wage Increase for C.N.A. Position

**Board Meeting Date:** September 8, 2022

## Budget Information:

<b>Was item budgeted?</b> Yes	<b>Appropriation Amount:</b>
<b>If not, explain funding source:</b>	
<b>ORG/OBJ/Project Code:</b> 72500-41110	<b>Budget Impact:</b> \$32,500

**Background Information:** River Bluff takes pride in providing exceptional care to all residents through person-centered care. We staff C.N.A.s at the ratio of 1 C.N.A. to 10 residents although this number can fluctuate based on the level of care needed. We often provide one-to-one care for various reasons such as danger of falling, behavioral issues, mechanical assisted lifting or when skilled services are needed.

In order to maintain our caregiver to resident ration, we have used staffing agencies to provide us with educated trained professional workers. We have easily been using agencies for the past 12 years. Cost for services has escalated over the years and we are now paying an average of \$37.00 per hour in comparison to the \$15.51 per hour we pay our employees who work in the C.N.A. job title.

While we offer a stable environment with an excellent benefit package, our employees are more concerned with the actual pay check in that at this point in their lives, money is the key issue to provide the necessities for growing a family and establishing a home. In order to keep us competitive with other nursing homes in our area it is imperative that we increase wages. We are currently working on bringing in new residents. This will require additional personnel as we increase resident count. Every 6 to 8 residents will need an addition to the C.N.A. count. We would much rather pay our employees than expense agency fees.

While increasing wages does not guarantee that we will solve all of our employment issues, it will certainly make us much more interesting to job seekers as the COVID pandemic diminishes and let us build a strong team to provide the level of service we are so proud of.

**Recommendation:** The Finance Committee, chaired by Jaime Salgado has reviewed the resolution presented to the Board. The Board is asked to vote in favor of the Committee's recommendation at its September 8, 2022 meeting.

**Legal Review:** Reviewed with the States Attorney's office.

**Follow-Up:** This wage increase would be effective on the September 23, 2022 payroll.

**RESOLUTION AUTHORIZING THE EXECUTION OF A HOURLY WAGE INCREASE FOR THE CERTIFIED  
NURSING ASSISTANTS AT RIVER BLUFF NURSING HOME**

---

**WHEREAS**, the County of Winnebago, Illinois, has a Certified Nursing Assistant (C.N.A.) position at River Bluff Nursing Home (RBNH); and

**WHEREAS**, effective September 23, 2022 we are recommending an additional \$2.50 per hour increase to the C.N.A. position. This increase in the hourly rate will allow RBNH to reduce the need for agency staffing and keep RBNH competitive with other nursing homes in the area; and

**WHEREAS**, the intent is to be budget neutral with a reduction in agency wages; and

**WHEREAS**, the Finance Committee of the County Board for the County of Winnebago, Illinois has reviewed the request and recommends that the County Board authorize execution of a \$2.50 per hour rate increase for C.N.A. position at RBNH effective on the September 23, 2022 payroll.

**NOW, THEREFORE BE IT RESOLVED**, by the County Board of the County of Winnebago, Illinois that the Winnebago County Board Chairman is hereby authorized to increase the hourly rate for the C.N.A. position an additional \$2.50 per hour effective on the September 23, 2022 payroll.

**BE IT FURTHER RESOLVED**, a budget transfer of \$32,500 from account 0401-70500-43190 to account 0401-70500-41110 shall be entered to enable this request.

**BE IT FURTHER RESOLVED**, that this Resolution shall be in full force and effective immediately upon its adoption and the Clerk of the County Board is hereby authorized to prepare and deliver certified copies of this Resolution to the Director of Purchasing, Director of Human Resources and the County Auditor.

## **ARP SUBRECIPIENT AGREEMENT**

By and Between  
THE COUNTY OF WINNEBAGO, ILLINOIS  
and  
MARSHMALLOW'S HOPE  
FOR AMERICAN RESCUE PLAN ACT ("ARP") FUNDS

**THIS ARP SUBRECIPIENT AGREEMENT** (hereinafter "AGREEMENT") is made by and between the County of Winnebago, Illinois, a body politic and corporate (hereinafter "COUNTY"), and MARSHMALLOW'S HOPE (hereinafter "RECIPIENT").

**WHEREAS**, on March 11, 2021, President Joseph R. Biden signed into law the American Rescue Plan Act of 2021 (hereinafter "ARP"); and

**WHEREAS**, on May 10, 2021, the United States Department of the Treasury (hereinafter "US TREASURY") published guidance regarding the allowable usage of the Coronavirus State and Local Fiscal Recovery Funds (hereinafter "SLFRF") to be disseminated to local governments in accordance with the ARP; and

**WHEREAS**, the grand total allocation of SLFRF funds to the COUNTY, as published by the US TREASURY, is \$54,886,298.00; and

**WHEREAS**, the COUNTY received the first fifty percent (50%) of its SLFRF allocation (\$27,443,149.00) on May 15, 2021 and the second allocation on June 9, 2022; and

**WHEREAS**, the RECIPIENT, submitted a written request to the COUNTY on May 4, 2022 for two-hundred eighty-eight thousand dollars (\$288,000.00) in COVID-19 relief funds to provide economic assistance to a nonprofit organization impacted by COVID-19; and

**WHEREAS**, the COUNTY intends to allocate a portion of its SLFRF funds to MARSHMALLOW'S HOPE within Winnebago County, Illinois that has suffered negative economic impacts as a result of the COVID-19 pandemic in accordance with all federal, state, and local guidelines regarding the usage of SLFRF funds; and

**WHEREAS**, under section 602(c)(3) of the ARP, the COUNTY may transfer funds to a private nonprofit entity for the purpose of meeting ARP's goals; and

**WHEREAS**, in an effort to provide additional guidance regarding the eligible uses of SLFRF funds, the US TREASURY published a document containing answers to Frequently Asked Questions regarding Coronavirus State and Local Fiscal Recovery Funds as of July 19, 2021 (hereinafter "FAQ"); and

**WHEREAS**, during their regular public meeting on September 8, 2022, the County Board of Winnebago County, Illinois (hereinafter “BOARD”) approved the aforementioned request from the RECIPIENT subject to all federal, state, and local guidelines regarding the usage of SLFRF funds, including any contractual guidelines set forth by the BOARD, as well as any audit requirements; and

**WHEREAS**, the COUNTY and RECIPIENT desire to enter into this Agreement.

**NOW, THEREFORE**, in consideration of the foregoing recitals which are incorporated herein by reference, and the terms and conditions set forth below, the parties agree as follows:

**1. EFFECTIVE DATE AND TERM**

This Agreement shall commence when last executed by all parties and remain in effect no later than **December 31, 2024**, unless terminated by the COUNTY in writing.

- 2. GRAND TOTAL SLFRF FUNDS TO BE DISSEMINATED TO RECIPIENT** The grand total sub award of SLFRF funds to be disseminated by the COUNTY to the RECIPIENT as part of this Agreement shall not exceed two-hundred eighty-eight thousand dollars (\$288,000.00) as laid out in Exhibit A, for the work identified in Exhibit B.

**3. LIMITATIONS REGARDING THE USE OF SLFRF FUNDS**

The RECIPIENT shall ensure that all expenditures utilizing SLFRF funds received in accordance with this Agreement shall be limited to only those eligible services outlined in Section 602 (c) (3) of the US TREASURY ARP FAQ, which states that:

Under section 602(c)(3) of the Social Security Act, a State, territory, or Tribal government may transfer funds to a “private nonprofit organization . . . , a Tribal organization . . . , a public benefit corporation involved in the transportation of passengers or cargo, or a special-purpose unit of State or local government.” Similarly, section 603(c)(3) authorizes a local government to transfer funds to the same entities (other than Tribal organizations). The interim final rule clarified that the lists of transferees in sections 602(c)(3) and 603(c)(3) are not exclusive, and the final rule clarified that recipients may transfer funds to any entity to carry out, as a subrecipient, an eligible activity on behalf of the SLFRF recipient (transferor), as long as they comply with the SLFRF Award Terms and Conditions and other applicable requirements. A transferee receiving a transfer from a recipient under sections 602(c)(3) and 603(c)(3) will be considered a subrecipient and will be expected to comply with all subrecipient reporting requirements. Additionally, a recipient can provide funds to an entity, including a nonprofit organization, for the purpose of directly benefitting the entity as a result of the entity experiencing a public health impact or negative economic impact of the pandemic. In this instance, these entities will be considered beneficiaries, not subrecipients, and will not be expected to comply with subrecipient reporting requirements. Beneficiary reporting requirements will apply.

**4. REPORTING REQUIREMENTS TO ENSURE COMPLIANCE WITH ARP**

In order to ensure compliance with the existing ARP guidelines set forth by the US TREASURY – while also ensuring that all expenditures within the scope of this Agreement adhere to future guidelines that may be established by the US TREASURY during the term of this Agreement – the RECIPIENT, when requesting reimbursement for eligible ARP expenditures, shall provide to the COUNTY a comprehensive and detailed list of all such expenditures on an itemized invoice, and shall also provide

any backup documentation to support such expenditures. Said invoice must include a statement, signed by the RECIPIENT, indicating that all expenditures therein comport with the guidelines of the ARP as set forth by the US TREASURY. Reimbursement requests shall be submitted to the COUNTY no more than once per month. No reimbursement requests may be submitted to the COUNTY after December 31, 2024.

**5. TIMELINE REGARDING THE DISSEMINATION OF FUNDS TO RECIPIENT**

Upon receipt of the RECIPIENT's complete reimbursement request, the COUNTY shall disseminate funds for all eligible ARP expenditures therein within twenty (20) days of receipt of said reimbursement request. The dissemination of SLFRF funds shall only occur after the COUNTY reviews the RECIPIENT's reimbursement request to ensure that all expenditures detailed therein qualify for reimbursement in accordance with all published federal, state, and local guidance regarding the use of SLFRF funds as specified in the ARP. All payments from the COUNTY to the RECIPIENT are contingent on the availability of SLFRF funds to the COUNTY, and further subject to all applicable federal, state, and local laws regarding the governance of SLFRF funds within the ARP.

**6. EVOLUTION OF ARP GUIDANCE FROM THE US TREASURY**

The COUNTY may request additional information from the RECIPIENT, as needed, to meet any additional guidelines regarding the use of SLFRF funds that may be established by the US TREASURY during the scope of this Agreement.

**7. TERMINATION**

The COUNTY may terminate this Agreement, for convenience or otherwise and for no consideration or damages, upon prior written notice to the RECIPIENT.

**8. INDEPENDENT CONTRACTOR**

Each party under the Agreement shall be for all purposes an independent Contractor. **9. HOLD HARMLESS AND INDEMNIFICATION**

The RECIPIENT agrees to defend, indemnify, and hold the COUNTY, its officers, officials, employees, agents and representatives harmless from and against any and all claims, injuries, damages, losses or expenses, including without limitation personal injury, bodily injury, sickness, disease, or death, or damage to or destruction of property, which are alleged or proven to be caused in whole or in part by an act or omission of the RECIPIENT, its officers, directors, employees, and/or agents relating to the RECIPIENT's performance or failure to perform under this Agreement. This section shall survive the expiration or termination of this Agreement.

**10. COMPLIANCE WITH LAWS AND GUIDELINES**

The RECIPIENT shall comply with all federal, state, and local laws and all requirements and published guidance set forth regarding the usage of any and all monies appropriated under the ARP.

**11. MAINTENANCE AND AUDIT OF RECORDS**

The RECIPIENT shall maintain records, books, documents, and other materials relevant to its performance under this Agreement. These records shall be subject to inspection, review, and audit by the COUNTY or its designees, and the US TREASURY for five (5) years following termination of this Agreement. If it is determined during the course of the audit that the RECIPIENT was reimbursed for unallowable costs under this Agreement or any, the RECIPIENT agrees to promptly reimburse the COUNTY for such payments upon request.

## SCOPE OF WORK

### **1. Provide summary of project. Include geographic areas served and target population.**

Marshmallow's HOPE HERO Mentors program is a one-on-one mentorship program serving at-risk youth ages 9-19 living with suicidal ideations. The program is designed to be combined with at-risk adult populations, such as first responders, and is a dual suicide prevention effort for both the youth and at-risk adults in Winnebago County.

### **2. Provide description of project and activities to be supported or delivered by ARP funds. Please be specific.**

Marshmallow's HOPE HERO Mentors program is a one-on-one mentorship program serving at-risk youth (ZOW) ages 9-19 living with suicidal ideations. The program is designed to be combined with at-risk adult populations such as first responders (HERO), and is a dual suicide prevention effort for both the youth and at-risk adults in Winnebago County. Our program is designed to give our HERO mentors a "protective factor." (A protective factor is something that keeps someone who is living in the darkness a reason to stay alive and not end their life by suicide)

By linking a HERO with a ZOW this will bring them both hope, and spending quality time together participating in weekly activities they both find enriching they will build a relationship that will positively impact each other's lives. Through the HERO mentor program, both HERO mentors and ZOWs work towards bettering their mental health through referral therapy services. Our efforts through our HERO mentor program are to help prevent, first responder and youth suicide.

#### **HERO + ZOW= RESILIENCE**

*Our HERO acronym is defined as:*

**H**elp those who may be struggling (both HERO and ZOW), by offering support through mental health treatment and other supportive services.

**E**ncourage them to set attainable goals toward bettering their mental health.

**R**each those goals by offering support and linking them to a Marshmallow mental health professional, and

**O**vercome their pain in efforts to prevent suicide.

Youth will be referred the Counselor by Marshmallow's Hope staff member who has been identified as needing a mental health assessment. The initial mental health assessment will be a research based bio-psycho-social assessment to begin developing mental health plan of care. During the initial assessment each youth will complete GAD-7 (anxiety screening tool), PHQ-9 (depression screening tool) and assessment for adverse childhood experiences. Appropriate releases for consent of information will be signed for ongoing collaborative relationship with outside agencies.

After the referral is placed and received, an initial mental health assessment will be completed. Based upon the assessment, recommendations will be made for initial counseling, outside support services in the community, or recommendation for higher level of care in the community or in the surrounding area.

If the assessments conclude immediate counseling is appropriate, the contracted counselor will implement a variety of psycho-social models based on continuous assessment. Different therapeutic therapies that may be used would include, but are not limited to: Cognitive-Behavioral therapy, Mindfulness, Cognitive therapy, Seeking Safety Framework, Solution-Focused Therapy and group therapy.

**3. If funds will be used to cover staff, describe staffing plan.**

Full-time employee will work to advance Marshmallow's Hope Nonprofit Organization's mission. The full-time employee position will be responsible for running criminal background checks on all HERO mentor applicants, coordinating the HERO mentor program youth participant with HERO mentor and parent/guardians, as well as coordinating treatment plan with contracted KP counselor. The role will be responsible for delivery of program, organizing and hosting of community education, events, community outreach management, developing, reporting, and collecting data on program outcomes. Employee must meet guideline requirements of a criminal background check. A part-time employee will assist in day-to-day operations and be available to fill in as needed for emergency services.

Contracted Counselor must meet requirements of Illinois State Licensing. Will conduct mental health assessments, weekly individual, and group counseling sessions.

**4. Describe partnerships and how you work together to accomplish goals.**

Marshmallow's HOPE has many community partners to offer an array of services and support to the youth, HERO mentors, and suicide survivor families. Through our Marshmallow's staff member, we will coordinate most appropriate services for our program participants and refer ZOWs (youth) to contracted counselor for mental health assessment, and recommendations for initial counseling, outside support services in the community, or recommendation for higher level of care in the community or surrounding area will be determined by contracted counselor.

Through our partner The Greg Lindmark Foundation, we refer First Responders for confidential counseling services. Through our partner NAMI Northern Illinois, we refer youth, mentors, and their family members to support groups, offering support to the entire family unit.

Our training program for mentors is done through a contracted community partner The Hope for Us Network, and in partnership with Shatter Our Silence, we offer resilience training, education, and awareness throughout the community in efforts of suicide prevention.

**5. If applicable, describe public awareness activities under this program.**

Our organization hosts public school assemblies, employee education presentations regarding the importance of mental health and suicide awareness; the warning signs, knowing the signs of when to know to ask for help. We host parent education and awareness classes on the topic of suicide and resilience to educate parents in our community about the warning signs to look for within their family unit.

We host a few events throughout the year to raise awareness and educate our community in efforts of suicide prevention.

**NOTES:**

**[A] Property Taxes**

Property taxes are projected once assumptions surrounding new growth, the CPI and property valuations are known. The Supervisor of Assessments and the County Clerk are key in the creation of the projection. The total property tax includes

**[B] Sales Tax**

The State of Illinois disburses several types of sales tax to the County. The first is related to sales that occurred in the unincorporated areas of the County (1%). The second is .25% from all sales within the County. The third is the County cannabis tax which the County began collecting on July 1, 2020. On January 1, 2021, the State of Illinois instituted new guidelines for collecting sales tax for online purchases. Due to this, the County should experience growth in the Sales Tax and decline in the Use Tax. Due to volatility of sales taxes in FY2020 and FY2021, FY2022 revenue projections are based on trends of the past three years excluding FY2022 activity.

**[C] Use Tax**

Use tax is imposed on the privilege of using, in Illinois, any item of tangible personal property purchased anywhere at retail including titled or registered items. The State of IL disburses use tax based on the County's population in proportion to the total state population.

**[D] Cannabis Excise Tax**

The Cannabis Excise Tax is imposed on all adult-use cannabis sales, a portion of which is allocated to local governments based on population.

**[E] Video Gaming Tax**

Video gaming tax is revenue generated from the tax imposed on the net terminal income generated by the play of video gaming. The revenue for video gaming taxes will be used to fund capital improvement projects and has been recorded as revenue in the capital projects fund (0743).

**[AA] State Income Tax**

Local governments in Illinois receive a percental of net collections of income taxes. State income tax is distributed based on census data. The 2023 budget at this time is based on a three year trend.

**[AB] Replacement Tax Allotments**

*Replacement taxes are revenues collected by the State of Illinois and paid to local governments to replace money that was lost by local governments when their powers to impose personal property taxes on corporations, partnerships, and other business entities were taken away. The revenue projections for these revenues are based on trends of the past two years reduced by the anticipated diversion from this fund by the State of Illinois.*

### 0145 (44500) - Mortgage Foreclosure Mediation

This fund is used to account for court filing fees collected for the Residential Foreclosure Mediation Program. This program helps homeowners and lenders discuss possible agreements to remedy delinquent residential mortgages. The program strives to provide a process that attorneys and participants find to be fair and a opportunity to resolve the foreclosure process outside of the courtroom. This fund is managed by Court Administration.

#### Key Performance Indicators:

##### Participation

In 2021, 15.3% of residential foreclosure cases filed started a program application.

In 2021, 68% of closed cases completed the program.

##### Outcomes

See chart. Also, in 2021, 73% of program cases who made it through the pre-mediation phase, retained their home.

#### Staffing:

The operation of the program, prior to FY21, was provided by a full-time program coordinator and one part-time program assistant. During the pandemic there was a moratorium on residential foreclosures and it was possible to operate the program with one part-time coordinator. We expect FY23 operations to require one near full-time program coordinator with the ability to flex with a seasonal part-time position as needed. In FY23, the program will also benefit from a grant-funded program assistant through a program partner.

PROJECT	BOARD MEMBER PARTICIPATION (may vary)	ANTICIPATED ALLOCATION AMOUNT (may vary)	PROPOSED USE
Winnebago County Fairgrounds	Aaron Booker	\$ 30,000	We would like to improve the grounds in several areas. Last year we didn't receive any state funds and weren't able to update out infrastructure. The gorundsd are old and require upgrades. Specifically we would like to build a new queens dressing room that would double as a storage in the off season. It will be ab air conditioned area for stage entertainment. We also have several areas of road that arein need of repairs. Building 10 needs repairs to the kitckhek so we can rent it out for parties and events
West Suburban Fire Department	Dave Tassoni	\$ 25,000	Replace and update turnout gear (coat, pants, boots, hemelt) that have expired or nearing expiration dates.
Durand Village - Downtown District	Jim Webster	\$ 25,000.00	<p>The Village of Durand is currently under construction for full renovation of our downtown district to address the following issues:</p> <ol style="list-style-type: none"> <li>1) ADA handicap accessibility to the sidewalks and all downtown buildings &amp; adding handicap parking (they currently have no legal handicap parking).</li> <li>2) Pedestrian Safety to slow traffic by narrowing the entrances and exits to the business district ad adding Lighting to the sidewalks over the sidewalks and parking areas.</li> <li>3) Storm Sewer drainage is being upgraded to address pooling of rainwater on the Square but in the Northwest corner in particular.</li> <li>4) Encourage maintenance and repairs and enforce Village ordinance to commercial property owners in the business district to battle blight and deterioration.</li> <li>5) Encourage changes in ownership, renovation to empty commercial properties and bring new businesses to town, in particular, those that are sale tax generating.</li> </ol>
Rockton Township - Greater Rockton Center	Jim Webster	\$ 25,000.00	<p>It has always been the mission of the Township to preserve the history and function of the building as a community building as outlined by its founding not-for-profit organization, low cost rental, while at the same time making necessary improvements to the facility. Recent improvements and maintenance upgrades to the center include replacement of rooftop heating &amp; A/C units, new roof, exterior masonry improvements to enhance the exterior brick face of the center, and replacement of sidewalk and new landscape.</p> <p>The Township levy is limited by tax code and thereby funding is limited to prior year which was severely affected by COVID-19, leaving needed updates and repairs beyond what they can afford. Future improvements to the interior of the center are to include improvements to handicapped accessibility, and updates to kitchen, flooring, interior lighting and painting—all requiring additional expense to bring the historic facility up to code.</p>
City of Rockford (PW) Road Signs	Joe Hoffman	\$ 10,000	As a result of COVID-19 there has been a shortage of Police Officers adequatley patrolling traffic. This has led to drivers not following speed limits, etc., leading to a number of accidents in the Broadway, Rolling Green area; including one fatality. City of Rockford has done a speed study, which showed a need for action as a result they will be making changes to the Broadway and Weslyan area. I feel that there is a need to call attention to drivers of their speed. Therefore, I am requesting to assist in the project by providing flashing speed signs in designated areas.

## Background Information:

Rock River Energy Services is the energy broker currently engaged by the County. They work with over 120 municipalities including Boone, Ogle, Lee and Carroll counties plus Rockford, Loves Park and DeKalb. Their fee is .0005 per kWh and is paid by the supplier, not the County.

The broker has been working with the Purchasing Department to ensure all possible ComEd accounts are included. There are 20 separate electricity accounts countywide.

On the morning of the Committee meeting, Rock River Energy Services will receive a number of quotes. Those quotes will be presented to the Committee as a handout.

NOTE: Utility agreements **must** be executed and returned the same day as the quote, otherwise the quoted rate is not valid.

## Recommendation:

Recommendations will be based on the final quotes obtained the morning of September 8. It will be a one, two or three-year agreement for the countywide accounts.

## Staff Follow-Up:

Purchasing will work with the Broker to obtain new quotes for the morning of the County Board meeting September 8. Staff will obtain the Chairman's signature on the approved vendor's agreements immediately after the Board meeting and scan them to the vendor.
