The County of Winnebago has been assigned a dedicated grants expert to serve as a liaison to its staff. This expert will help navigate the complex grant world to ensure the most efficient and effective use of staff time when pursuing grants.

✓ **Grants Alerts and Weekly Grants Updates**

The County of Winnebago will receive customized alerts for relevant grant opportunities, as they are solicited. For high priority grants or those with a short turnaround, TFG will attempt to notify the County of opportunities prior to solicitation. Additionally, each Friday, County staff will receive TFG's Weekly Grants Update that provides a recap of grant solicitations that were published that week to ensure you do not miss any funding opportunities.

✓ **Database of Successful Grant Applications**

The County of Winnebago will have access to TFG's database of over 600 successful grant applications from a variety of programs to help inspire and guide the preparation of your successful grant submissions.

✓ **Library of Grant Funding Guides and Grant Profiles**

Each Funding Guide provides an overview of popular grant programs and relevant information such funding level, match requirements, eligible applicants, and use of funds in a specific issue area. Our library includes guides covering a wide array of topics such as:

- Law Enforcement

- Habitat Conservation
- Homelessness

- Parks and Recreation
- Broadband
- Libraries and Museums
- Water and Wastewater

- Electric Vehicles and Infrastructure
- Grid Modernization
- Hydropower/Dam

TFG's Grants Library also includes a robust database of grant profiles and summaries that provide the key information you need to match a program with your needs and build a winning grant proposal. We present the information included in the grant solicitation in an easy-to-follow manner and augment it with additional background information on the program and the types of projects it has funded in the past.

✓ **Custom Project Specific Grant Research and Funding Strategy**

TFG will directly work with the County of Winnebago to conduct project specific grant research on the federal, state, and foundation levels and will create a customized funding strategy geared to support your project. We will provide you with relevant grant information, as well as recommendations on funding opportunities to target, that is specifically tailored to your project and your community. Our grants research will not only look at open, available programs, but will also focus on grant programs expected to be released in the future, helping you to stay “ahead of the game” and be prepared.

✓ **Needs Assessments and Strategic Grant Outlook**

TFG will meet with County of Winnebago staff to discuss ongoing projects, primary issue areas, and future needs that may benefit from grant funding. These meetings will be virtual. The Strategic Grant Outlook will allow staff to know what is on the horizon and be prepared when a notice of funding availability is announced.

✓ **Grant Writing**

Preparing winning grant proposals takes time, skill, and knowledge. The County of Winnebago has the option to access TFG’s experienced grant writers to take the County’s grant project idea from the start of the application to submission. From filling out federal forms to crafting a persuasive and compelling grant narrative and corresponding budgets, TFG will ensure that the County will have submitted a complete and competitive application on time.

✓ **Grant Editing and Review**

The County of Winnebago can access TFG experts to edit and review County written grant proposals to improve chances of securing funding. TFG staff will expertly review your application against the funder’s requirements, suggest content edits, and provide recommendations on how to improve your narrative before you submit.

✓ **Grant Debriefs**

Grant debriefs are important, especially if it turns out that your application didn’t get funded. TFG staff will help guide you through the grant debrief process and set up consultation with the funding agency to put your next applications in the best position to effectively compete in future solicitations.

✓ **Grants Advocacy**

TFG helps secure congressional support, including support letters, and backing from strategic partners, to bolster grant applications. Federal grants are highly competitive and, more often than not, broad support for a project application can make the difference between a winning application and a highly ranked application that does not make the final list of awardees.

✓ **Grants Training**

Our grants training is focused on building capacity, helping position the County for success in the often-complex grant process. TFG can train your staff on grant application processes and help improve the quality of grant proposals. We can provide training on a one-one-basis or through larger

workshops dependent on your needs. TFG also has established partnerships with other grant training professionals that specialize in post-award management who can be accessed to support grant management training needs.

Service Add-Ons

TFG believes in offering flexibility to our clients. As a retainer client, the County of Winnebago can engage with TFG on a discounted hourly rate, or lump sum fee, for as needed grant writing services.

Grant Writing – As Needed, Per Grant

To provide greater transparency in the cost of grant writing services, TFG has created the grant writing service fee table below, which provides the average cost for grant writing services based on the narrative page limitations imposed in the grant application. Grant applications vary widely with respect to complexity and level of effort required to complete them. If you are interested in securing these services, TFG will provide you with a tailored cost proposal that reflects the level of effort required to draft the narrative and non-narrative elements such as forms, budgets, and logic models. Exceptions do occur based on the complexity of the grant application, but we work hard to keep costs in line with the pricing guidelines outlined below.

Workload (low to high)	Type of Grant	Narrative Page Length	Approximate Average Cost*	15% Retainer Discount Cost
Level 1	Small, well-defined request	6-10	\$6,000 - \$7,000	\$5,100 - \$6,050
Level 2	Small, full grant application	11-15	\$12,000 - \$13,000	\$10,200 - \$11,100
Level 3	Medium, full grant application	16-20	\$18,000 - \$20,000	\$15,300 - \$17,000
Level 4	Large state or national foundation or medium federal grant	21-25	\$22,000 - \$24,000	\$18,700 - \$20,400
Level 5	Large federal grant application	26-30	\$26,000 - \$29,000	\$22,100 - \$24,650
Technical	Complex/Technical grant application	Varied	Custom	Custom

**The approximate average cost to write a grant varies greatly based on several factors, including the development of narrative, required submittal forms, creation of budgets, project complexity, and other related considerations. Last minute emergency grant writing requests are subject to a 35% markup to the non-discounted grant writing fee. Where efficiencies are built into a grant writing process, such as in the case of a grant rewrite or a joint application scenario, a further discount may be applied.*

Grant Writing – As Needed, Hourly Rate

Grant writing services can also be available at an hourly rate of \$300/hour. Since the County of Winnebago is a retainer client our hourly rate will be discounted to \$255/hour. Last-minute requests for additional grant-related services are subject to a 35 percent mark-up.

If the assistance of TFG’s professional lobbying staff is required, such as for grants advocacy or grants policy-related services, these services are billed at the following rates:

- \$425 Partner/Principal/Senior Advisor/Of Counsel \$240 Senior Associate
- \$170 Associate \$115 Research Assistant
