Resolution Executive Summary

Prepared By: Purchasing Department
Committee Name: Operations and Administrative Committee
Committee Date: December 7, 2023
Board Date: December 14, 2023
Resolution Title: Resolution Awarding Contract for Bulk Natural Gas Supply

Budget Information

Budgeted? YES	Amount Budgeted?
If not, originally budgeted, explain the funding source?	
ORG/OBJ/Project Codes: Various County Accounts	Descriptor: Multiple-Gas & Heating
Budget Impact?	

Background Information: The current contract for Natural Gas Service from Constellation (previously known as Nicor Enerchange) is set to expire on March 31, 2024 and requires 30 days' notice of non-renewal. Current rates are being provided by Rock River Energy Services (RRES) regularly (see handout for current rates). RRES states that fixed pricing is higher than it was three (3) years ago; currently around \$0.3948 per therm, whereas our current contract, effective July 1, 2020, is at \$0.252. Steve Schultz spoke with RRES and they recommend that the County proceed with the NGI index which will fluctuate monthly but will allow the County to take advantage of the lows of the market.

Recommended By: Steve Schultz

Contract/Agreement Information: It is recommended County proceed with contract for bulk natural gas service provided at the best rate per the quote presented at the December 14, 2023 board meeting.

Follow-Up Steps: Purchasing Department will collaborate with Rock River Energy Services to assist in the facilitation of the contract/agreement between County and Natural Gas Supplier.
