I wanted to let you know that I am absolutely interested in serving on this board. As a Realtor/Homebuilder and Business person for 40 years in Winnebago County I am extremely concerned about affordable housing for all, especially in this climate of inflating rental rates. I know with my expertise and experience that I can be an effective member to the board and offer insights to housing that others may not be able to. I look forward to being considered and hopeful that I am able to serve my community.

I was asked if I could provide a resume. Since I have never worked for anyone but Gambino Realtors Homebuilders inc. and have been self employed my entire career, I have never put one together. I can only give you a brief description of what I have done over the years.

- I have served on many volunteer boards over my 40 years
- I have helped more than 3,000 people with housing in our area
- I have built over 2,500 homes in all price ranges and locations throughout Winnebago and Boone Counties
- I have been elected and served on the Winnebago County Board
- I am a graduate Guilford High School
- I am a graduate of Indiana University with a BS in Community Development and Urban Planning
- I am the owner of Gambino Realtors Homebuilders inc. and Gambino Homes llc. and have been since 2006.
- I am experienced in creating and handling budgets in the millions on a daily basis
- As a home builder I worked with dozens of Contractors and hired and managed hundreds of people every year as well as worked with local Municipalities for Zoning and Building matters.

I hope this helps you understand my qualifications and in making your decision. I look forward to serving if chosen.

Sincerely,

Frank M Gambino

QUAD CITIES REGIONAL ECONOMIC DEVELOPMENT AUTHORITY

1601 River Drive ♦ Suite 310 ♦ Moline ♦ Illinois 61265 ♦ Tel: 866-325-7525 ♦ Web: www.qcreda.com

October 13, 2023

Joseph Chiarelli, Chairman
Winnebago County Board
404 Elm Street
Rockford, IL 61101

Dear Chairman Chiarelli:

I am contacting you to request an appointment of a representative from Winnebago County to the Board of the Quad Cities Regional Economic Development Authority. In the past spring legislative session, HB 1131 became law as PA 103-0571, effective August 11, 2023. A copy of the relevant section of the new Act is attached.

The Quad Cities Regional Economic Development Authority (QCREDA) is one of ten Regional Development Authorities (RDAs) across the State created by state law as a Special District unit of government. Its primary function is to provide for low-cost tax-exempt bond financing for eligible projects such as small manufacturing, affordable housing, not-for-profit entities such as hospitals, private universities and YMCA's, local government infrastructure, educational facilities and other special purpose projects. The QCREDA also has its own enterprise zone and can offer those benefits to projects that are not otherwise included in an enterprise zone.

The QCREDA previously consisted of nine counties including Stephenson, Jo Daviess, Carroll, Whiteside, Lee, Rock Island, Henry, Mercer, and Knox. PA 103-0571 added Winnebago and Boone to the QCREDA. The total Board consists of now 18-members, one each from the eleven counties appointed by the County Board chair and affirmed by the County Board, six appointed by the Governor, and one member representing the Department of Commerce and Economic Opportunity.

The appointment can be any county resident that has familiarity with local economic development activities underway in the county. It does not have to be a County Board member. The attachment provides more guidance on that.

The Board of QCREDA has a monthly placeholder meeting currently scheduled on the second Wednesday of the month but we only meet if we have projects to consider. The monthly meetings generally last about one hour and generally meet in the mid-morning.

We certainly want Winnebago County to have representation on the QCREDA Board. We believe that the QCREDA can assist your economic development efforts which is why your local legislators and others supported adding Winnebago and Boone Counties to the QCREDA.

The appointment is generally a three-year appointment following a phased-in term. For your convenience, I can provide a Certificate of Appointment. I understand that this is a lot of new information to be absorbed and if you have any questions, please call me at 217-836-9553. Thank you for your consideration.

Respectfully yours,

4. **Miscellaneous**

- A. Each PLG agrees to take all necessary actions and to cooperate with each other to cause this Agreement to become effective, to obtain all necessary approvals, consents, and authorizations, if any, and to execute all documents, including any necessary sign-on forms

that may be required in connection with any National Multistate Opioid Settlement, and to take such other action as may be appropriate in connection herewith.

- B. This Agreement may be executed in counterparts, each of which shall constitute one and the same document. The Parties acknowledge that facsimile or electronically transmitted signatures shall be valid for all purposes.
- C. The State of Illinois shall not be responsible for any attorney's fees or expenses payable by an LG to LPLG-Counsel or any other legal counsel and payment of all attorney's fees and expenses to LPLG-Counsel or any other legal counsel shall be made in accordance with the provisions of Exhibit A (the Administration of the LG Recovery Fund) and Exhibit A-3 (the Back-Stop Agreement).
- D. This Agreement shall be enforceable only upon execution by the Attorney General.
- E. All expenditures made by the State or LGs from funds allocated under this Agreement must comply with the provisions of applicable Settlement Agreements.
- F. Other provisions of this Agreement notwithstanding, all funds received from *In Re: Purdue Pharma L.P., et al., 19-23649 (RDD)*, shall be used only for permissible abatement purposes.
- G. This Agreement shall be considered an "intrastate allocation agreement" as that term is used in 735 ILCS 5/13-226(b)(2) and (d).
- H. This Agreement shall be considered a "Statewide Abatement Agreement" for purposes of *In Re: Purdue Pharma, L.P., et al., 19-23649*, and a "State-Subdivision Agreement" for purposes of the Distributor and Janssen Settlement Agreements.
- I. Backstop Agreement
 - a. An LPLG, in accordance with paragraph D in Exhibit A relating to Administration of the LG Recovery Fund, may separately agree to use its share of the LG Recovery Fund to pay for fees or costs incurred by its contingency-fee counsel ("State Backstop Agreement") so long as such contingency fees do not exceed a total contingency fee of 25% of the total gross recovery of the PLG, inclusive of contingency fees from any Multistate Attorney Contingency Fee Fund and the State Backstop Agreement.
 - b. Before seeking fees or litigation costs and expenses from a State Backstop Agreement, private counsel representing a LPLG must first seek contingency fees and costs from any Attorney Contingency Fee Fund or Cost Funds created under a National Opioid Multistate Settlement. Further, private counsel may only seek reimbursement for litigation fees and costs that have not previously been reimbursed through prior settlements or judgments.
 - c. To effectuate a State Backstop Agreement pursuant to this section, an agreement in the form of Exhibit A-3 may be entered into by a LPLG, private counsel, and the Attorney General. The Attorney General shall, upon the request of a LPLG, execute any

agreement executed by a LPLG and its private counsel if it is in the form of Exhibit A-3. For the avoidance of doubt, this section does not require a LPLG to request or enter into a State Backstop Agreement, and no State Backstop Agreement shall impose any duty or obligation on the State of Illinois or any of its agencies or officers, including without limitation the Attorney General.

IN WITNESS WHEREOF, the Parties have executed this Agreement by their representatives as of the dates set forth below

EXHIBIT A TO ILLINOIS OPIOID ALLOCATION AGREEMENT

ADMINISTRATION OF THE LG RECOVERY FUND

Each Original-PLG who executed the Illinois Opioid Allocation Agreement and any Subsequent-PLG who executed the Joinder to the Illinois Opioid Allocation Agreement acknowledges and agrees that all sums deposited by the Attorney General into the LG Recovery Fund shall be administered as follows:

- A. A Special Master shall be nominated by the majority of PLG votes, with each County PLG with a population of ten thousand or more residents and each other PLG with a population of thirty thousand or more residents receiving one vote for each ten thousand residents within its jurisdictional borders based upon the 2019 United States Census Population Estimate. The Special Master shall be nominated within sixty (60) days of the initial funding of the LG Recovery Fund. The person so nominated shall not be appointed Special Master unless he or she receives the written approval of the Attorney General. If the Attorney General does not approve the nomination, then the process shall repeat and the PLGs shall nominate another person to be Special Master, until a nomination is approved by the Attorney General. Such subsequent nomination shall occur within 30 days of the Attorney General declining to give written approval of the initially nominated Special Master.
- B. All costs associated with the work of the Special Master shall be paid from funds in the LG Recovery Fund prior to any distribution to counties that are PLGs or their counsel.
- C. The Special Master shall direct the Settlement Administrator and administer the LG Recovery Fund to ensure that all distributions from the LG Recovery Fund to PLGs shall be made in accordance with the relative percentages set forth in Exhibit A-1 and Exhibit A-2, except that any distribution to any county who is a Non-Participating Local Governmental Unit (the “NP-LGs”) shall be discounted by two-fifths (2/5) and such discounted amount shall be added to the pool of distributions payable to the Participating Local Governmental Units (the “PLGs”) in accordance with the same percentages set forth in Exhibit A-2.
- D. For any National Opioid Multistate Settlement with an Opioid Defendant, each such LPLG authorizes and agrees that the Special Master shall direct the Settlement Administrator to pay their LPLG-Counsel from its individual distributions from the LG Recovery Fund in accordance with the fee agreements entered into between the LPLG and LPLG-Counsel.
- E. For any National Opioid Multistate Settlement for which the Attorney General requests PLGs release their claims, the Special Master shall have the discretion to assess common benefit attorneys’ fees against distributions made to any county which is a PLG and which is not represented by LPLG-Counsel, provided any such common benefit attorneys’ fees, if any, shall be assessed on no more than forty percent (40.0%) of the total distribution made to any county PLG not represented by LPLG-Counsel, and under no circumstances shall the common benefit fee assessed by the Special Master exceed 25%. The Special Master shall be given broad discretion to assess and apportion common benefit attorneys’ fees and, absent fraud or gross misconduct, the decisions of the Special Master shall be final, binding, and not appealable. For the avoidance of doubt, nothing in this section requires the recovery by LPLG-Counsel of money in excess of their fee agreements if LPLG-Counsel receive payments from a national attorneys’ fees fund or otherwise not directly from the LG Recovery Fund. In the event that a common benefit fee is assessed against a county PLG not represented by LPLG-

Counsel, the Special Master is directed to notify the Settlement Administrator of any such assessment.

BACK-STOP AGREEMENT

At the request of [LPLG], the [LPLG], its counsel [COUNSEL], and the Attorney General are entering into this Backstop Agreement (Backstop Agreement).

The Parties acknowledge that this Agreement will apply to all National Multistate Opioid Settlement agreements which establish a multistate fund for the payment of attorney's fees and expenses (a "Multistate Contingency Fee Fund") but that payments to LPLG-Counsel from such funds will not be sufficient to pay the entirety of the fees and expenses incurred by contingency-fee counsel who have been retained by LPLGs. Therefore, consistent with Exhibit R, section I(R) of the National Multistate Opioid Settlement agreement entered into between three pharmaceutical distributors, namely, McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (the "Distributor Settlement Agreement"), the Parties agree to this Backstop Agreement.

Pursuant to this Backstop Agreement, [LPLG] may, subject to the limitations of any National Multistate Opioid Settlement, as well as any other limitations imposed by law, use funds that it receives from a National Multistate Opioid Settlement to pay a contingent fee to [COUNSEL]. Any such payment from [LPLG] to [COUNSEL], together with any contingency fees that [COUNSEL] may receive from the Multistate Contingency Fee Fund, will not exceed a total contingency fee of [PERCENTAGE NOT TO EXCEED 25%] of the total gross recovery of [LPLG] from the LG Recovery Fund in a National Multistate Opioid Settlement.

[COUNSEL] certify that they first sought fees and costs from the Multistate Contingency Fee Fund before seeking or accepting payment under this backstop agreement. [COUNSEL] further certify that they are not seeking and will not accept payment under this Backstop Agreement of any litigation fees or costs that have been reimbursed through prior settlements or judgments.

The Attorney General is executing this agreement solely because the definition of "State Backstop Agreement" in Exhibit R of the Distributor Settlement Agreement requires such agreements to be between "a Settling State" and private counsel for a participating subdivision. Neither the Attorney General nor the State of Illinois have any obligations under this Backstop Agreement, and this Backstop Agreement does not require the payment of any state funds to [LPLG], [COUNSEL], or any other party.

Document Title: Resolution Authorizing Execution Of A First Amendment To The Intergovernmental Cooperation Agreement For Building Inspection By And Between The County Of Winnebago, Illinois And The Village Of Cherry Valley

County Code: Section 55 ILCS 5/1-1063 of the Illinois Counties Code
2023-CR-088 IGA for Building Inspections with the Village of Cherry Valley

Board Meeting Date: Thursday, November 30, 2023

Budget Information:

Was item budgeted? NA	Appropriation Amount: \$0
If not, explain funding source:	
ORG - OBJ - Project Code:	Budget Impact: None - Budgeted

Background Information:

Winnebago County Board approved a newer version (May 25, 2023) of an Intergovernmental Cooperation Agreement (IGA) for the Building Services (County) with the Village of Cherry Valley (Village) that previously dated back to at least November 29, 1984 (85-CR-23). This IGA for building (construction) services, updates the nearly 40-year-old Agreement by better clarifying items within it. No major changes occurred; however, one minor administrative alteration is needed to match the contracts. The Villages' version states, ...additional services performed shall be billed to the nearest 1/10 hour, whereas the County's listed as 1/4 hour. The original agreement listed 1/10 hour, therefore this will amend the latest County Agreement to the nearest 1/10 hour. The County will still retain all permit fees collected regarding this contract.

Recommendation:

Winnebago County Administration supports the continuation of this Agreement. It has been a positive relationship and provides value by the County and the Village having an interest in protecting the health, safety, and general welfare to the citizens.

Contract/Agreement:

Yes, attached.

Legal Review:

Follow-Up:

Updates or a report can be provided to the Zoning Committee and/or the County Board as requested or at the end of the fiscal year.

Document Title: Resolution Authorizing Execution Of A First Amendment To The Intergovernmental Cooperation Agreement For Building Inspection By And Between The County Of Winnebago, Illinois And The Village Of New Milford

County Code: Section 55 ILCS 5/1-1063 of the Illinois Counties Code
2023-CR-136 IGA for Building Inspections with the Village of New Milford

Board Meeting Date: Thursday, November 30, 2023

Budget Information:

Was item budgeted? NA	Appropriation Amount: \$0
If not, explain funding source:	
ORG - OBJ - Project Code:	Budget Impact: None - Budgeted

Background Information:

Winnebago County Board approved a newer version (August 24, 2023) of an Intergovernmental Cooperation Agreement (IGA) for the Building Services (County) with the Village of New Milford (Village) that previously dated back to the 1980's. This IGA for building (construction) services, updates the nearly 40-year-old Agreement by better clarifying items within it. No major changes occurred; however, one minor administrative alteration is needed to match the contracts. The Villages' version states, ...additional services performed shall be billed to the nearest 1/10 hour, whereas the County's listed as 1/4 hour. The original agreement listed 1/10 hour, therefore this will amend the latest County Agreement to the nearest 1/10 hour. The County will still retain all permit fees collected regarding this contract.

Recommendation:

Winnebago County Administration supports the continuation of this Agreement. It has been a positive relationship and provides value by the County and the Village having an interest in protecting the health, safety, and general welfare to the citizens.

Contract/Agreement:

Yes, attached.

Legal Review:

Yes

Follow-Up:

Updates or a report can be provided to the Zoning Committee and/or the County Board as requested or at the end of the fiscal year.

Definition of Fair Market Value: The fair cash market value of a property in an eminent domain proceeding is that price which a willing buyer would pay in cash and a willing seller would accept, when the buyer is not compelled to buy and the seller is not compelled to sell. In the condemnation of a property for a public improvement, any appreciation or depreciation in value caused by the contemplated improvement shall be excluded from the consideration of the fair cash market value of the whole property and the part taken (Illinois Pattern Jury Instructions).

In the event of a partial acquisition where there is a remainder property, any appreciation or depreciation caused by the contemplated improvement shall be considered when determining the fair cash market value of the remainder. Any increase or decrease in value caused by the actual acquisition of a part of the property must be considered in estimating the value of the remainder after the taking.

Property History: Has the subject sold in the past five years or is listed for sale? Yes No
 If yes, an analysis of the recent sale and/or current listing is summarized as follows:

The property sold on March 28, 2022 for \$1,135,600 or \$46.32 per square foot of land area as an improved parking lot. The seller was Church & Chestnut Development, LLC, the buyer was County of Winnebago, the instrument was a Warranty Deed, and the document number was 2022010140. The property was purchased by the tenant. See Comparable Sale No. V-10 (in the Comparable Sales Book) for further details of this sale.

This sale was not considered an arm's-length transaction and it has not been considered in this analysis. The tenant was renting the property at above market rent and the property sold for substantially over market value.

The site is presently improved with an asphalt paved parking lot with 68 spaces. In 2014, the buyer, Winnebago County Board entered into a 15-year lease with Church and Chestnut Development (the seller), a group managed partly by former Winnebago County Sheriff Don Garsparini. At the time of its sale in 2022, the lease rate had risen to \$7,540.91/year (see details below). At the time the lease was entered in 2014, demand for parking was very high in the area due to that there were reportedly structural problems with the 40-year old Church Street parking garage (adjacent to the northwest) and ±400 parking spaces were lost temporarily; it is the appraiser's opinion that the County entered into an above market rent lease due to the high demand at this time. The parking garage was renovated in 2017 with new structural supports.

In 2012, the Board had previously agreed to buy the property for \$950,000 and had put down a \$200,000 deposit; this purchase price included the seller tearing down the existing restaurant and building the parking lot. An appraisal of the subject property in 2012 was only at \$175,000. The lease information is detailed below:

Complex: Appraisal report that meets all minimum requirements and also reflects "established and commonly accepted Federal and federally-assisted program appraisal practices" with appropriate in-depth analysis and presentation.

Client:

City of Rockford

Intended User: The intended uses of this report include the Client and any of its Federal-funding partners. Parties who receive a copy of this report as a consequence of the Client's disclosure policies are not intended users of the report.

Intended Use: The intended uses of this appraisal report is for acquisition disposition of right of way by the Client. This report is not intended for any other use.

Authorization: The following person contacted the appraiser to provide the appraisal service:

Chad E. Johnson, Principal – Land Surveying / Land Acquisition, IMEG Corp.

acting as an agent for the City of Rockford

PURPOSE OF VALUATION:

The purpose of this valuation is to arrive at an opinion of the fair market value of the acquisition of the whole property and/or a portion thereof. When applicable, the fair market value of the whole will be established, as will the fair market value of the remainder after the taking. Fair Market Value may also be affected by contemplated improvements with consideration for damages or benefits, if any, to the remainder, and/or the fair market value of possible permanent easements and/or temporary easements as required by design, and the total just compensation due to the property owner by reason of the taking.

The purpose of this valuation is to arrive at an opinion of the fair market rental value of the subject land parcel and/or other rights to be disposed by the State of Illinois, Department of Transportation.

Assignment Conditions: Assignment conditions include assumptions, extraordinary assumptions, hypothetical conditions, laws and regulations, jurisdictional exceptions, and other conditions that affect the scope of work. Assignment conditions applicable to the appraisal assignment are summarized below.

The Client requires this appraisal assignment to comply with the following standards, laws, regulations, and policies:

- the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (Uniform Act) and its implementing regulation 49 CFR Part 24,
- the Uniform Standards of Professional Appraisal Practice (USPAP), and
- the Illinois Department of Transportation's Land Acquisition Policies and Procedures Manual.

Furthermore, the Client requires this appraisal to be prepared in accordance with the appropriate state laws, regulations and policies and procedures applicable to appraisal of right of way. No portion of the value assigned to such property shall consist of items which are non-compensable under the established laws of Illinois.

In accordance with 49 CFR Part 24 and IDOT's Land Acquisition Policies and Procedures Manual, in opining on the value of the property before the taking, the appraiser shall disregard any decrease or increase in the fair market value of real property prior to the date of valuation caused by the public improvement for which such property is acquired, or by the likelihood the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner. This situation is considered to be a hypothetical condition for the purposes of this appraisal. The use of this hypothetical condition may affect the assignment results.

Any decrease or increase in value caused by the actual acquisition of a part of the property must be considered in opining on the value of the remainder after taking. Such changes in value are parcel-specific.

USPAP Standards Rule 1-2(c)(iv) requires that when exposure time is a component of the definition for the value opinion being developed, the appraiser must also develop an opinion of reasonable exposure time linked to that value opinion. However, the definition of fair market value in this report does not include exposure time as a component. Therefore, the appraiser is not required to develop and report an opinion of exposure time linked to the value opinion. This situation is considered to be an assignment condition for the purposes of this appraisal.

Scope of Work: Summarize the steps/process employed to develop the appraisal report, as required in 49 CFR Part 24, and the Uniform Standards of Professional Appraisal Practices and Advisory Opinions/(USPAP).

The amount and type of information researched and the analysis applied in an assignment includes, but is not limited to 1) the extent to which the property is inspected or identified; 2) extent of inspection and description of neighborhood and proposed project area; 3) the extend of research into physical or economic factors that could affect the property; 4) the extent of data researched; and 4) the type and extent of analysis applied to arrive at opinions or conclusions.

The scope of work also needs to explain the various approaches utilized and the reasons for why any particular approach was not used.

In accordance with instructions from our client, this assignment is full scope in nature, consisting of:

1. Making a personal inspection of the property, which is the subject of this valuation.
2. Making an inspection of the immediate subject area, including an exterior inspection of the adjacent and proximately located properties.
3. Completing a search of the documents recorded against the subject property to ascertain any changes in fee ownership during the five-year period prior to the date of value.
4. Completing an investigation of public documents affecting the subject property, i.e. real estate tax assessment and taxes, zoning classification, tax maps, etc.
5. Review of flood maps of the immediate area.
6. Completing an investigation and analysis of the market to obtain sales of properties considered to be comparable to the subject property with which to establish a basis for rendering a value estimate for the subject property.
7. Inspection, verification, and documentation of comparable sales data.
8. Rendering an opinion of the highest and best use of the subject property as of the date of value.
9. Completing an analysis of the land value of the subject property based upon the Sales Approach.
10. Completing an analysis of the part taken being acquired and any indicated damages.
11. Completing an analysis of the two temporary easements.

The Income and Cost Approaches were not considered because only the underlying land is being appraised and a valuation of the whole property is outside the scope of this appraisal. This appraisal is no less reliable without a valuation of the whole.

Unless otherwise stated, this appraisal is subject to the following conditions:

1. This is an Appraisal Report as defined by the Uniform Standards of Appraisal Practice (USPAP). Supporting documentation concerning the data, reasoning, and analyses is retained in the appraiser's file. The depth of discussion in this report is specific to the needs of the client, and to the intended use as stated in this report. The appraiser is not responsible for unauthorized use of this report.
2. No responsibility is assumed for legal or title considerations. Title to the property is assumed to be good and marketable unless otherwise stated in this report.
3. The property is appraised free and clear of any or all liens and encumbrances unless otherwise stated in this report.
4. Responsible ownership and competent property management are assumed unless otherwise stated in this report.
5. The information furnished by others is believed to be reliable. However, no warranty is given for its accuracy.
6. All engineering is assumed to be correct. Any plot plans and illustrative material in this report are included only to assist the reader in visualizing the property.
7. It is assumed that there are no hidden or unapparent conditions of the property, subsoil, or structures that render it more or less valuable. No responsibility is assumed for such conditions or for arranging for engineering studies that may be required to discover them.
8. It is assumed that there is full compliance with all applicable federal, state, and local environmental regulations and laws unless otherwise stated in this report.
9. It is assumed that all applicable zoning and regulations and restrictions have been complied with, unless a nonconformity has been stated, defined, and considered in this appraisal report.
10. It is assumed that all required licenses, certificates of occupancy, or legislative or administrative authority from any local, state, or national governmental or private entity or organization have been or can be obtained or renewed for any use on which the value estimates contained in this report are based.
11. Any sketch in this report may show approximate dimensions and is included to assist the reader in visualizing the property. Maps and exhibits found in this report are provided for reader reference purposes only. No guarantee as to accuracy is expressed or implied unless otherwise stated in this report. No survey has been made for the purpose of this report.
12. It is assumed that the utilization of the land and improvements is within the boundaries or property lines of the property described and that there is no encroachment or trespass unless otherwise stated in this report.
13. The appraiser is not qualified to detect hazardous waste and/or toxic materials. Any comment by the appraiser that might suggest the possibility of the presence of such substances should not be taken as confirmation of the presence of hazardous waste and/or toxic materials. Such determination would require investigation by a qualified expert in the field of environmental assessment. The presence of substances such as asbestos, urea formaldehyde foam insulation, or other potentially hazardous materials may affect the value of the property. The appraiser's value estimate is predicated on the assumption that there is no such material on or in the property that would cause a loss in value unless otherwise stated in this report. No responsibility is assumed for any environmental conditions, or for any expertise of engineering knowledge required to discover them. The appraiser's descriptions and resulting comments are the result of the routine observations made during the appraisal process.

14. Unless otherwise stated in this report, the subject property is appraised without a specific compliance survey having been conducted to determine if the property is or is not in conformance with the requirements of the Americans with Disabilities Act. The presence of architectural and communications barriers that are structural in nature that would restrict access by disabled individuals may adversely affect the property's value, marketability, or utility.
15. Any proposed improvements are assumed to be completed in good workmanlike manner in accordance with the submitted plans and specifications.
16. The distribution, if any of the total valuation in this report between land and improvements applies only under the stated program of utilization. The separate allocations for land and buildings must not be used in conjunction with any other appraisal and are invalid if so used.
17. Possession of this report, or copy thereof, does not carry with it the right of publication. It may not be used for any other purpose by any person other than the party to whom it is addressed without the written consent of the appraiser, and in any event, only with proper written qualification and only in its entirety.
18. Neither shall any part of the contents of this report (especially any conclusion as to value, the identity of the appraiser, or the firm with which the appraiser is connected) be disseminated to the public through advertising, public relations, news sales, or other media without prior written consent and approval of the appraiser.
19. The Americans with Disabilities Act (ADA became effective January 26, 1992). The appraiser has not made a specific compliance survey and analysis of this property to determine whether or not it is in conformity with the various detailed requirements of the ADA. It is possible that a compliance survey of the property, together with a detailed analysis of the requirements of the ADA, could reveal that the property is not in compliance with one or more of the requirements of the Act. If so, this fact could have a negative effect upon the value of the property. Since the appraiser has no direct evidence relating to this, this analysis does not consider possible compliance with the requirements of the ADA in estimating the value of the property.

Owner Contact/Interview: Summarize the appraiser's contact/interview with the property owner. The property owner (or the owner's designated representative) must be provided the opportunity to accompany the appraiser during the appraiser's inspection of the subject property (49 CFR Part 24.102).

Neighborhood Data

Rockford is a city in Winnebago County, Illinois, United States. Located in the far northern part of the state on the banks of the Rock River, Rockford is the county seat of Winnebago County. The largest city in Illinois outside of the Chicago metropolitan area, Rockford is the fifth-largest city in the state and the 171st most populous in the United States. In the 2020 census, Rockford had a population of 148,655 anchoring the Greater Rockford Metropolitan Area with a population of 348,360. The Rockford region is home to four separate tier-one Aerospace companies and is the largest center of aerospace production in Illinois and ranks number six in the US for aerospace production. Rockford is also home to three major public and private universities including Rock Valley College, Rasmussen College-Illinois, and Rockford University.

The subject is located in the south end of the downtown Rockford neighborhood to the west of Rock River. The BMO Harris Bank Center is located across the street to the north; it is a multi-purpose arena with a capacity of 5,895 seats. A new 33-unit multi-story residential building (301 S. Main Street) is located adjacent to the east along with two two-story mixed-use buildings. The Winnebago County government building and attached concourse parking garage is located across the street to the northwest. The United States Courthouse (Northern District of Illinois) is across the street to the west. A parking lot is located to the south.

Site Data

The subject site is square in shape with 156.42 feet of frontage on Chestnut Street and 156.42 feet of frontage on Church Street according to the Winnebago County GIS; these dimensions are assumed to be correct. It has an area of 24,514 square feet according to the Winnebago County GIS.

All utilities are available in the area including municipal sewer and water.

No soil tests were supplied to the appraiser. It is assumed that subsoil conditions are adequate to support typical improvements as no signs to the contrary were noted such as obvious settling, foundation or exterior wall cracks, etc. on adjacent improvements.

A public alley runs along the property to the east and to the south. Access is via two driveways on the public alley which runs north-south along the subject's east property line and via a large open driveway along the alley along the south property line. There are remnants of a former driveway on Church Street which no longer extend into the site.

Topography of the site is generally level and at street grade. According to the local FEMA map (Panel No. 17201C0263E dated 2/17/2016), none of the site is classified as floodplain. According to the US Fish & Wildlife Service wetlands mapper, none of the subject is classified as wetlands.

Zoning Data

The subject is zoned C-4 SUP, Urban Mixed-Use District with a Special Use Permit in incorporated Rockford, Illinois. According to the Rockford Zoning Ordinance, the purpose of this district is:

- "to maintain and promote a compact, pedestrian-oriented, mixed-use district with a diverse mix of residential, office, business, government, cultural, and entertainment uses."
- promote a walkable environment by protecting those streets with "intact" streetwalls;
- encourage residential living environments that provide a broad range of housing types such as lofts, town homes, and condominiums;
- promote these districts as viable and vital residential areas by permitting residential uses in a wide variety of densities and locations; and
- promote the continued use and/or redevelopment of historically significant buildings and older buildings that contribute to the character of these districts."

The district allows for a mixture of commercial, industrial, residential, and public/civic uses; detached houses are expressly prohibited.

Description of Improvements

The subject is improved with a parking lot with 68 marked parking spaces. Site improvements include lighting, asphalt paving, concrete curbing, and landscaping. It was built in ±2016 and is in good condition.

HIGHEST AND BEST USE ANALYSIS: Summarize the **support and rationale** for the appraiser's determination of the highest and best use of the subject property. If the property is improved, address both the highest and best use **as vacant**, and of the property **as improved**. Appraiser may provide a Land Only Grid to support highest and best use analysis. A detailed appraisal requires more in-depth analysis. A change in the highest and best use requires more in-depth analysis of the subject property before the acquisition before the acquisition and the remainder.

Highest and Best Use as defined by the Courts is defined as "that use which would give the property its highest cash market value on the date of value." This may be the actual use of the property on that date or a use to which it was adaptable and which would be anticipated with such reasonable certainty that it would enhance the market value on that date.

AS VACANT:

There are no physical conditions on the site such as floodplain, floodway, wetlands, or irregular topography that would limit development. The subject is zoned C-4 SUP, Urban Mixed-Use District which generally allows for commercial and multi-family residential development, but also allows some public/civil and industrial uses. "Parking, Non-Accessory-Municipal Lot" is a permitted use. Based on the aforementioned definition, zoning, surrounding uses, area trends, and site inspection, it is the appraiser's opinion that the highest and best use of the subject property as vacant is for development per its zoning classification.

AS IMPROVED:

The subject is improved with a newer parking lot in good condition. The existing use demonstrates the physical possibility of the present use. The present improvement contributes to the site over and above its value as if vacant. There is demand for parking in the area due largely to its location adjacent to the BMO Harris Bank Center and two courthouses. The highest and best use of the subject as improved is its existing use as a parking lot.

VALUATION ANALYSIS OF SUBJECT PROPERTY

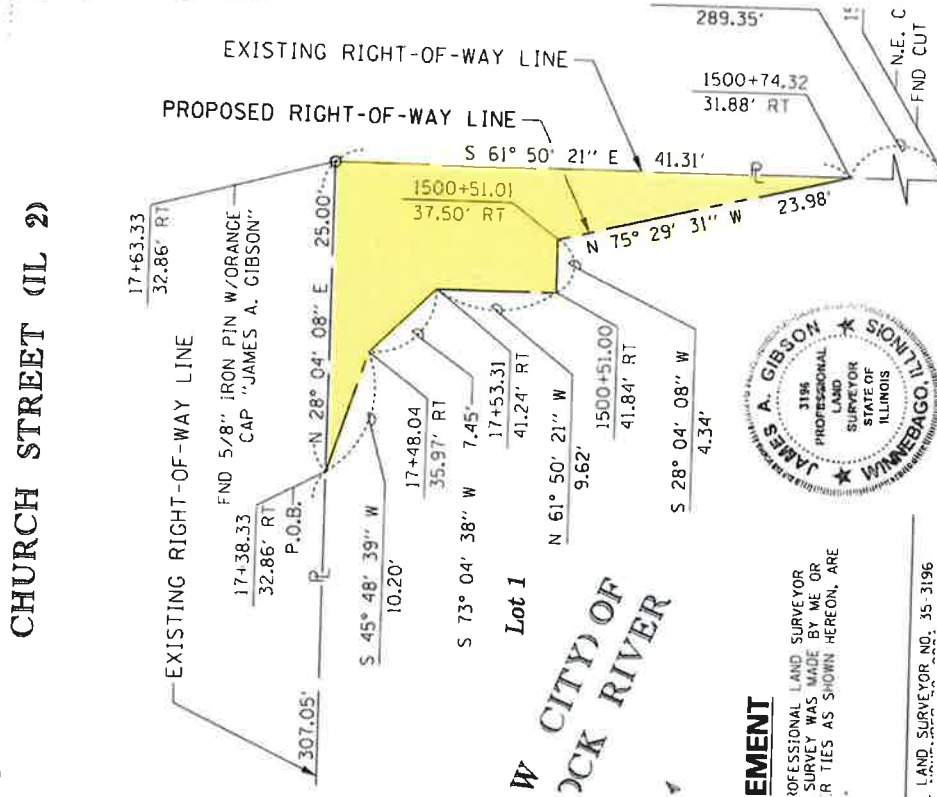

Only the underlying land is being appraised and a valuation of the whole property is outside the scope of this appraisal. This appraisal is no less reliable without a valuation of the whole. There are no permanent damages incurred and the taking is minor in relation to the whole property.

Based upon a study of comparable sales of vacant land in the subject area – Comparable Sale Nos. V-1 through V-9 (See Comparable Sales Book) – it is the appraiser's opinion that a unit land value of \$10.00 per square foot of land is indicated. Each of the comparable sales was analyzed and compared to the subject and were adjusted, if necessary, for factors such as property rights, financing, conditions of sale, market conditions, location, size, shape, access, use, topography, zoning, frontage, floodplain, wetlands, utilities, and demolition costs.

The comparable sales ranged between \$2.45 and \$14.03 per square foot of land. The subject is at the higher end of the range due to its superior location adjacent to BMO Harris Bank Center and two courthouses. Sale V-9 (\$14.03/sq.ft. of land) was a sale of land (parking lot) and a large building; it is located just two blocks to the north of the subject. This sale sets the high end of the range due to having a building with some contributory value. Nominal weight was given to Sale V-7 which is a much older sale (2014), but it has been included for informational purposes due to its close proximity to the subject in the downtown Rockford neighborhood.

Describe the taking in detail including such items as: 1) a description of the land to be taken in relation to its location on the property; 2) its use; 3) its type and classification; 4) its topography; and 5) any other special features, improvements or unusual characteristics.

The fee acquisition generally consists of an irregular shaped parcel in the subject's northwest corner on the intersection of Chestnut Street and Church Street. It has 25.00 feet of frontage on Church Street and 41.31 feet of frontage on Chestnut Street. The fee acquisition has an area of 291 square feet. On the following plat below, the part taken is highlighted in yellow:

Located inside the part taken and to be acquired are five bushes and ground cover.

Based upon the aforementioned comparable sales, the fair market value of the fee acquisition, including the site improvements to be acquired, is estimated as \$3,200.

Narrative Analysis of Remainder And After Value Estimate

Explain the effect of the taking on the remainder including such items as division of property, landlocking, change in highest and best use, proximity damage, access after taking, economic size, over improvements, effect of construction features such as cuts and fills, change in drainage or effect on existing drainage, effect of taking on lease agreements, special benefits, and other items that will explain the appraiser's opinion of the after value.

Support the value of the remainder rather than estimating damages. The appraiser should use the applicable sales comparison approach to value the remainder. See Section 3.3.17 before using the cost or income approaches. When cost to cure is considered in valuing the remainder, major cost to cure items have to be supported, source of data shown and included in the appraisal.

Fair Market Value of Remainder as Part of the Whole Before Taking	\$	N/A
Fair Market Value of Remainder After the Taking as will be Affected by Contemplated Improvements	\$	N/A
Damage to Remainder	\$	0

The Remainder, after the taking, will be reduced to a lot size of 24,223 square feet acres which indicates a reduction of 1.2% of the site. There will be only minor changes in size and shape, and no changes in access, utility or highest and best use.

There will be no division of property or landlocking. The appraiser is unaware of any change in the drainage to the Remainder property and this appraisal is based upon the assumption that there will be no negative impact on the drainage of the Remainder due to the proposed improvement.

There will be no impact to the parking spaces on the site. According to the supplied construction plans, the proposed part taken does not extend into the parking area:

No damages are indicated.

3. Explanation:

Temporary Easement 003TE-A consists of an irregular-shaped parcel along the remainder's Church Street frontage. It has an area of 897 square feet. Temporary Easement 003TE-B consists of an irregular -shaped parcel along the remainder's Chestnut Street frontage. It has an area of 294 square feet. In the following plat, the easements are shaded in yellow:

The easements will be for a period of three years or until completion of construction, whichever comes first. It is assumed that:

- the landscaping (trees, grasses, and bushes) in the easements will be lost.
- the ground cover and concrete sidewalks will not be affected or will be replaced with "like" in the after condition.
- the light pole can be worked around.

Factors considered in the valuation of the easement include the duration of the easement and property rights being acquired in relation to the subject parcel.

The appraiser estimates there will be no damages due to the imposition of the temporary easements. The easements do not extend into the parking area.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
 - Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
 - Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
 - Form 1099-S (proceeds from real estate transactions)
 - Form 1099-K (merchant card and third party network transactions)
 - Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
 - Form 1099-C (canceled debt)
 - Form 1099-A (acquisition or abandonment of secured property)
- Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLA accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

(a) **PURPOSE:** Winnebago County (County) designed our Remote Work Policy to make sure remote work is mutually beneficial to our employees and the County. In doing so, the County recognizes that not all employees will be eligible for remote work because not all jobs are suitable for remote work. The County considers remote work to be a viable, flexible work option only in situations where the Elected Official or Department Head determines that both the employee and the job are well-suited to such arrangement. Remote work may be appropriate for some employees and jobs but not for others.

Employees requesting formal long-term remote work arrangements must be employed with the County for a minimum of six (6) months of continuous, regular employment and must have a satisfactory performance record—unless the employee works in an office of an Elected Official—in which event it is within the discretion of the Elected Official to waive the six-month requirement. A determination of whether the employee may work remotely is solely in the discretion of the Elected Official or Department Head. Any remote work arrangement will be on a trial basis and may be discontinued at will and at any time by the Elected Official or Department Head. It is up to the Elected Official or Department Head to determine if the remote work arrangement is voluntary or required. Evaluation of performance during the trial period, if any, will include regular interaction by phone and e-mail between the employee and the Supervising Manager, and weekly face-to-face meetings to discuss work progress and problems.

Remote work arrangements may be occasional, temporary or permanent. Temporary arrangements may be approved on an as-needed basis only, with no expectation of ongoing continuance.

(b) **GUIDELINES FOR DETERMINATION:** The County encourages Elected Officials and requires Department Heads engage in these steps before approving remote work arrangements:

- Employee suitability – Assess the needs and work habits of the employee: Does the employee have the traits (e.g., self-discipline, dependability, self-motivation) customarily recognized as appropriate for successful remote work?
- Job responsibilities—Assess the job responsibilities and determine if the job is appropriate for a remote work arrangement: Will all of the job responsibilities be able to be fulfilled *via* remote work or are there job duties where physical presence in the office is either required or in the best interests of the office/department?

"It is our mission to provide high quality services and promote a safe community for all people in Winnebago County".

- Equipment needs and workspace design— assess the physical workspace needs and the appropriate location for the telework: A) Are there any cybersecurity and data privacy concerns? B) Will collaboration with the employee's team become difficult? C) Does the employee have the necessary equipment or software? D) What are the conditions of employees' home or alternative place of work (e.g., noise, internet connection).

- Evaluation of performance—Establish clear directives to the employee concerning employer expectations (e.g., communication, goals, schedules, deadlines).

(c) **EMPLOYEE REQUESTING REMOTE WORK PROCEDURE:** The County requires that when an employee seeks to work remotely the following steps be taken:

- Employee shall file a request with the Elected Official or Department Head at least thirty (30) days in advance of the date on which the employee desires to start remote work.

- In the event an employee experiences an unforeseen circumstance which leads to the request, the employee shall file their request as soon as possible.

(d) **COMPUTER EQUIPMENT & SOFTWARE**

Only County-owned and managed computers should be utilized by the employee while working remotely. Equipment to be used should be tested on County premises. Once working, it can be brought to the work location. Issues of internet connectivity are the responsibility of the employee, not the Department of Information Technology (IT). IT may assist with other issues such as remoting into the County network(s) or drive(s). The employee may not use County equipment for unlawful purposes or for work for other employers, nor may the employee allow other persons to use it. Any hardware or software purchased by the County remains the property of the County and will be returned to County, on request. Products developed while working remotely are the property of the County. Equipment provided by the County will be maintained by the County. The County is not responsible for the temporary loss of remote work days due to equipment maintenance or repair, and the remote worker is expected to report to the office or obtain approved leave in such a circumstance. The remote employee may be held liable for lost or damaged County equipment. Equipment no longer used by a remote employee must be returned on his or her next day in the office. Software used by a remote employee is subject to the same County restrictions on duplication and unauthorized use as software used in the office.

(e) **SECURITY OF INFORMATION**: Employees may not compromise the confidentiality or security of County information due to remote work, remote computer access, and so on. Employees are responsible to be aware of and comply with the Health Insurance Portability Accountability Act (HIPAA) in regard to handling and storing Personal Health Information. The employee must comply with the policies and guidelines of proper use of information technology found on the County's website and any other guidelines issued by the County in general. Breaches of information security, whether by accident or design, while remote work, must be reported promptly.

(f) **REIMBURSEMENTS AND REMOTE WORK EXPENSES**: Winnebago County shall not be responsible for costs associated with the setup of a workspace in the employee's home, such as remodeling, furniture or lighting, utilities; nor shall the County be responsible for costs associated with the repair or modification to the remote workplace. Remote employees must obtain supplies stocked at the County and will not be reimbursed if they are obtained elsewhere. Additional costs of an off-site office, including that of additional telephone lines, telephone use charges and Internet Service Provider (ISP) charges, are not covered by the County.

(g) **DOMESTIC CARE**: During established work hours, the remote employee agrees that family demands shall not compete with work except in the case of an emergency. Remote work will not be a substitute for dependent care.

(h) **TAX LIABILITY**: Any and all tax implications of remote work are entirely the responsibility of the remote employee. Remote workers are encouraged to seek professional advice in this area.

Background Information: In April of 2022, the County of Winnebago sold the 720 Chestnut Street building to Rock Valley College. The building currently still houses multiple pieces of furniture, surplus items and boxed documents from several County departments. The contents of the building need to be relocated by April of 2024 when the new owners will demo the property to rebuild. The boxed documents will need to be scanned, and for most departments, destroyed.

The Purchasing Department went out for 23P-2295 Off-Site Scanning Services for Document Imaging in July of 2023, which included the scanning of documents for the Circuit Clerk, State's Attorney, Human Resources and Planning and Zoning departments. Four proposals were received. An evaluation committee was formed and the committee members deemed Exela Technologies (HOV Services Inc.) to be the most responsive and responsible to the County's needs.

This project was not included as part of the FY2024 CIP projects list, but funds are available as a result of savings on already completed projects.

Recommended By: Patrick Thompson-County Administrator.

Follow-Up Steps: The Purchasing Department will issue a County Purchase Order to Exela Technologies (HOV Services Inc.)

Resolution Title: Resolution Awarding Fuji Persona CS Compact C-Arm Machine for Coroner's Office

Was item budgeted? Yes	Appropriation Amount: \$113,739
If not, explain funding source:	
ORG/OBJ/Project Code: 41900-46430	Descriptor: Coroner Fee Fund- Machinery and Equipment

Background Information: Digital imaging is imperative to the death investigations of infants, children, homicides, suicides, decomposition and water recovery cases and all suspicious deaths. Currently, the Coroner's Office is contracting these services through Mercy and UW Health, creating wasted time, resources, wear and tear on equipment and not to mention unnecessary disturbance to potential evidence. This is not only a burden to the deputies, but hospitals, their staff and taxpayers alike. Many times, during an autopsy we find that the images taken are insufficient for the forensic pathologist to successfully locate and remove projectiles or foreign objects. This in turn creates another trip to the hospital for further imaging and of course, another invoice from the hospital.

The Purchasing Department went out for bid for 23B-2311 Fuji Persona CS Compact C-Arm Machine for Coroner's Office at the beginning of October 2023. There were two bids received with one being non-responsive due to a late submission. The winning bid was submitted by IRad Sales Group.

With the CS C-Arm X-Ray technology, the Winnebago County Coroner's Office staff can scan a decedent in real time while the pathologist is there to get the precise images, he/she needs to successfully complete his/her investigation. This machine will also allow us to provide digital imaging to surrounding counties that are already using (and paying for) our morgue space. Each time we "Assist an Outside County", the revenue generated is coded and deposited into the county's general fund, creating a positive outcome for all involved.

Recommendation: It is recommended by Jennifer Muraski, Winnebago County Coroner, that the County awards Bid #23B-2311 to iRad Sales Group.

Follow-Up: The Purchasing Department will issue a Purchase Order to iRad Sales Group.

Resolution Executive Summary

Prepared By: Debbie Crozier
Committee: Operations and Administration
Committee Date: November 16, 2023
Resolution Title: RESOLUTION AUTHORIZING THE EXECUTION OF A RENEWAL AGREEMENT WITH ARTHUR J. GALLAGHER FOR THE PROPERTY AND CASUALTY COVERAGE
Board Meeting Date: November 30, 2023

Budget Information:

Was item budgeted? No	Appropriation Amount: \$2,223,577
If not, explain funding source:	
ORG/OBJ/Project Code: 49400 43510	Budget Impact: \$395,754

Background Information: Winnebago County purchases insurance coverage to limit the County's risk on the liability/casualty and property assets. We received a 21.7% increase on the renewal for 2023-2024, this increase is due the following reasons:

- County Claims Activity/Development
 - o \$5.8MM of recent property claims
 - o Liability claims with cumulative loss ratios exceeding 150% of the last 10 years
- Volatile Insurance Marketplace with Fewer Carriers Insuring Public Entities
- Increased construction costs (inflation)
- Civil Unrest
- Law Enforcement Activity
- Nuclear Verdicts Impacting Umbrella Premiums
- Severe Losses Stemming from Convective Storms

Of the 21.7% increase, 7.5% is due to liability premium increases largely impacted by County claims developing into losses in aggregate exceeding \$9MM over the last 10 years. Increased premiums for property insurance account for 11.3% of the increase. This increase is directly tied to Winnebago property claims from the Court House Fire and the Veterans Memorial Hall theft/vandalism which have exceeded \$5MM.

Due to the pooling of Winnebago's risk with other members of the CIRMA pool, the impact of the County's claim activity was significantly negated.

Recommendation: County Administrator, Patrick Thompson, Chief Financial Officer, Steve Schultz and Human Resources Director, Debbie Crozier, have reviewed the Property and Casualty Renewal Offer (Resolution Exhibit A) and recommend approval.

Contract/Agreement: This is year 3 of a 3 year initial membership commitment with CIRMA.

Background Information: Price negotiations for Impound Vehicle Storage and Related Services was last performed in 2016. Greater Rockford Auto Auction (GRAA) requested a conversation related to pricing, which facilitated a public Request for Proposal. The RFP was emailed to eight (8) vendors who may offer the services required, publicly posted on the County website, and a Public Notice in the Rockford Register Star. One (1) Proposal was received from GRAA. A committee met and evaluated the proposal (see Resolution Exhibit A), and determined the proposed price increase to be as expected; GRAA also provided City of Rockford pricing for review, which is the same as proposed pricing. GRAA is the only provider of impound vehicle storage in the area, the only vendor with the capacity to handle the volume of vehicles, and the only vendor to meet the lot size and security needs for vehicles impounded by the WCSO. GRAA provides extra services to the public, such as key reproduction, tire service, gas service and battery service. Finally, the added-value services offered to WCSO are unlimited use of impound lot for K9 training, at no charge, and office space for officers to complete paperwork.

Recommended By: D.C. Sean Hughes, D.C. Anthony Miceli

Contract/Agreement Information: WCSO would like to enter into an agreement with GRAA for an initial term of two (2) years, with the option to renew for an additional two-year term and one additional term, not to exceed five (5) years, at the sole discretion of the County based upon performance, negotiations of services, delivery, and costs for subsequent years.

Follow-Up Steps: Purchasing department will issue a letter of award to GREATER ROCKFORD AUTO AUCTION, outlining pricing from proposal.

12.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. 13.3. Effect of Failure to Comply. Failure to comply with reporting requirements shall result in the withholding of funds, the return of Improper Payments or Unallowable Costs, will be considered a material breach of this Agreement and may be the basis to recover Grant Funds. Grantee's failure to comply with this ARTICLE XIII, ARTICLE XIV, or ARTICLE XV shall be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(4).

(b) This Agreement may be terminated, in whole or in part, by Grantor without advance notice:

(iv) If Grantee breaches this Agreement and either (1) fails to cure such breach within 15 calendar days' written notice thereof, or (2) if such cure would require longer than 15 calendar days and the Grantee has failed to commence such cure within 15 calendar days' written notice thereof. In the event that Grantor terminates this Agreement as a result of the breach of the Agreement by Grantee, Grantee shall be paid for work satisfactorily performed prior to the date of termination.

16.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may determine to allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

16.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. (c) Costs to Grantee resulting from obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless:

(i) Grantor expressly authorizes them in the notice of suspension or termination;
and

(ii) The costs result from obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated. 2 CFR 200.343.

16.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties shall comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XVII

17.1. Sub-recipients/Delegation. Grantee may not subcontract nor sub-grant any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or sub-grantee has been identified in the Uniform Grant Application, such as, without limitation, a Project Description, and Grantor has approved. Grantee must notify any potential sub-recipient that the sub-recipient shall obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

Grantee shall be liable as guarantor for any Grant Funds it obligates to a sub-grantee or sub-contractor pursuant to Paragraph 17.1 in the event the Grantor determines the funds were either misspent or are being improperly held and the sub-grantee or sub-contractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

18.5. **Effect of Failure to Provide Notice.** Failure to provide the notice described in Paragraph 18.4 shall be grounds for immediate termination of this Agreement and any costs incurred after notice should have been given shall be disallowed.

ARTICLE XIX

STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

19.1. **Effect of Reorganization.** Grantee acknowledges that this Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. No promise or undertaking made hereunder is an assurance that Grantor agrees to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee agrees that it will give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and will provide any and all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. This ARTICLE XIX does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE XIX shall constitute a material breach of this Agreement.

Grantee will provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee will be required to provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement shall be strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

25.2. Indemnification and Liability.

To the extent permitted by law, Grantee agrees to hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor will be governed by the State Employee Indemnification Act (5 ILCS 350/1 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental entity. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. 26.5. Amendments. This Agreement may be modified or amended at any time during its Term by

mutual consent of the Parties, expressed in writing and signed by the Parties.

26.6. Severability. If any provision of this Agreement is declared invalid, its other provisions shall not be affected thereby.

26.7. No Waiver. No failure of either Party to assert any right or remedy hereunder will act as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

26.8. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, shall be governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

The continuation of this funding will allow Rosecrance to complete a multi-dimensional assessment tool and treatment recommendations on inmates who are court ordered for a substance use disorder assessment as well as those who need to be assessed upon advice of their probation officer, attorney or are self-referred. All diagnoses and treatment recommendations will be made in accordance with the criteria and standards set forth by the DSM5 and the American Society of Addiction Medicine (ASAM) patient placement criteria. Once assessed, treatment recommendations are provided to the court or to whomever referred them and are case managed upon their release to assist them in beginning treatment with Rosecrance or other recommended service providers.

The benefit of this program is the ability to connect with those incarcerated individuals at a point where they are vulnerable and are most motivated for change in their lives. By initiating treatment services while they are incarcerated, we are able to more easily engage them at a time where they are most receptive to the idea of a recovery lifestyle. Upon release from jail the clients are already enrolled in Rosecrance services and can seamlessly transition to our wide spectrum community-based services with no delay.

b. Describe current and projected project/program partnerships.

This program has worked closely with the Winnebago County Specialty Courts as well as the Winnebago County probation and pretrial, The States attorneys and public defender's office to help their client's gain strong footing in a recovery lifestyle prior to their return to the community. Rosecrance also works with the Illinois State Opiate Response initiative to engage those clients in jail who have an opiate or stimulant use disorder to inform and enroll those interested in our Medication Assisted Treatment program that allows them to initiate needed medication while in the jail.

III. PROGRAM PROCESSES

a. Describe referral, intake and assessment process; include description of evidence-based practices used.

Referrals are made to the program through court orders from the 17th judicial circuit, from Winnebago probation officers, attorneys, Freedom Group, and through detainees submitting a request ticket to the jail. Once the referral is received a 1/2-time assessor, funded through the 1% contract, goes into the jail, and complete a multidisciplinary substance use disorder assessment according to requirements of Illinois SUPR 2060 licensure requirements, DSM5 and the American Society of Addiction Medicine (ASAM) patient placement criteria. We also complete a Rosecrance Suicide Risk assessment, using the Columbia Suicide Severity Rating Scale, at the time of assessment. The diagnosis and recommendations are subsequently reviewed by our medical director for appropriateness and approval, and shared with the courts or other referral sources, and are ready to begin treatment with us upon their return to the community.

b. Describe treatment, counseling, and case management. Be specific.

This program will work with the inmate prior to treatment to assess, diagnose and make treatment recommendations for when they are released. This position will provide case management services that include placement on the residential treatment waiting list if needed, obtaining collateral information to assist in making the appropriate diagnosis, resolution of biomedical obstacles, and connecting with other behavioral health needs.

This program will also be able to connect inmates with our State Opiate Response (SOR) grant to provide education and medication assisted therapies to those inmates with a history of opiate and stimulant abuse. We are able work with the courts to furlough inmates to come to Rosecrance and start an appropriate medication prior to their release from jail where they are at most risk of overdose.

c. Describe staff roles; include education, training, and licensure requirements.

These assessments are completed at the request of court order, probation, or attorney referral or through inmate self-referral. This position is staffed by an Illinois CADC licensed clinician, with 35 years' experience in the field. The CADC licensed clinician is required by IAODAPCA to complete 40 hours of training every 2 years in dimensions related to the treatment of substance use disorders. This position is funded at 1/2 their salary through the County 1% tax. The staff roles include the completion of a substance use disorder assessment, a suicide risk assessment, communication of recommendations and case management.

d. Describe program oversight and accountability.

The key performance indicators (KPI) for this program are tracked weekly, monthly, and annually through supervision, annual evaluations, and client satisfaction surveys. Client records are regularly reviewed to ensure quality of service and adherence to regulatory standards. Program KPI's include the number of assessments completed monthly and reported to Winnebago County quarterly.

SCOPE OF WORK - SUDS

I. ORGANIZATION BACKGROUND

a. Brief description of organization history and purpose

Remedies Renewing Lives (formerly PHASE/WAVE) has been in existence since 1955, incorporated in 1959, initially providing substance use disorder treatment services on an outpatient basis and in 1978 integrating domestic violence programming into the organization. In 1982, Remedies Renewing Lives began providing partner abuse intervention programming (PAIP) and in 2008 mental health services were added as another component of the agency. Remedies Renewing Lives mission is renewing lives of individuals affected by addiction, mental health issues, and domestic violence.

b. Describe history managing grants and/or other funding

Remedies Renewing Lives has a long history in grants management and has been a recipient to numerous grants and contracts related to substance use disorder services. For decades, Remedies Renewing Lives receives funding from the Illinois Department of Human Services (IDHS) Division of Substance Use Prevention and Recovery (SUPR) to provide services at our core location. The IDHS/SUPR contracts include Substance Abuse Block Grants known as Global and Global-DCFS, Opioid Maintenance Therapy (OMT) and Problem Gambling. Remedies Renewing Lives substance use disorder program is licensed in the State of Illinois, Medicaid certified, accepts most insurances and the program is Behavioral Healthcare Accredited from The Joint Commission. Although not supporting services held at the RIC, Remedies Renewing Lives is a recent grant recipient of funding from the Winnebago County Community Mental Health Board. Additionally, Remedies Renewing Lives has held contracts for many years with the U.S. Probation and Pre-Trial Offices, Illinois Department of Corrections Southwestern Illinois and Sheridan Correctional Centers and was a partner agency with a local Illinois Collaboration on Youth (ICOY) grant project.

Remedies Renewing Lives has been providing substance use disorder services at the RIC since 2008. These services have been generously funded by the 1% Safety Tax. The services are delivered by individual appointment and/or on-going group counseling and include case management and community intervention, urinalysis, relapse prevention along with linkage to our agency's Medication Assisted Treatment (MAT) whenever necessary.

c. If this program related to behavioral health, will you be applying to the Winnebago County Mental Health Board in 2024?

II. SERVICE, PROGRAM, or PROJECT OVERVIEW

a. Provide summary of proposed service, program, project to be supported or delivered by requested funds. Include eligibility requirements, demographics served, and how it will lead to a reduction in violent crime.

As a state of Illinois licensed outpatient substance use disorder treatment provider, Remedies Renewing Lives offers comprehensive services that include individual and group counseling, case management, community intervention and recovery support. All substance use disorder services provided at the RIC are with persons who are justice-involved and referred by the 17th Judicial Circuit Court of Winnebago County, Illinois. Through the 1% Safety Tax, our agency employs two (2) FTE substance use disorder counselors at the RIC. In general, outpatient services consist of one (1) to three (3) sessions per week for three (3) hours each for up to six (6) months or as clinically justified utilizing the American Society of Addiction (ASAM) Patient Placement Criteria. The ASAM Patient Criteria, which will be addressed again later, has six (6) core components which include addressing a patient's history of using substances and their experiences with withdrawal; the patient's medical history and current physical health; a patient's current mental well-being and health; where a patient is at in terms of stopping substance use; a patient's history of on-going use and/or relapse and the consequences thereof; and the patient's current living situation and any challenges that relate to that setting and/or their recovery. It is not uncommon for persons who use or mis-use substances to have their own history of abuse stemming from child abuse, domestic violence, community violence and at times our community's historic response to those issues. Although not an excuse for harm to others, substance use is often a coping mechanism and the stigma surrounding it often compounds the difficulty in obtaining and maintaining recovery. Moreover, when a person living with a substance use disorder is not provided options, there is risk for long-term consequences for not only them but their children like incarceration and/or child-welfare involvement.

To that end, Remedies Renewing Lives utilizes the ASAM Patient Placement Criteria to address the association between substance use and crime. As indicated in the Illinois State Police Crime in Illinois 2020 Annual Uniform Crime Report, Winnebago County, Illinois had just over 600 drug related arrests in 2020 with over 1,200 drug related arrests in 2019 (p. 237). While only a snapshot into the dynamics of substance use and its impact upon our local community, the criminal justice system is an opportunity for intervention as justice involvement can be an indicator of increased risk of safety for those that use, their families and the community at-large. For instance, the National Institute on Drug Abuse (NIDA) has developed principles for treatment of justice-involved populations. The NIDA principles acknowledge that recovery of substance use requires effective treatment with continued care, treatment focusing on factors that are associated with criminal behavior and treatment for as long as needed to help establish behavioral change (JAMA, 2009, January 14; 301(2)). Therefore, intervention opportunities that occur during the stages of the criminal justice process should not be ignored. Opportunities for intervention include screening or referring for substance use disorder services at the time of arrest; utilizing diversion programs, drug court and/or community-based treatment as part of the prosecution process; during the sentencing phase with terms of incarceration or release conditions based on treatment; part of the jail or probation process through screening and substance use disorder treatment; and in the course of community re-entry either through probation or release (JAMA, 2009, January 14; 301(2)).

In terms of demographics, during the last complete fiscal year, 10/1/2021-09/30/22, patients/clients served by Remedies Renewing Lives identified as the following:

Black or African American: 93
Caucasian or White: 44
Hispanic: 8
Asian: 1

Males: 121
Females: 25

Number of assessments completed during the same time frame: 146

b. Describe current and projected project/program partnerships.

Remedies Renewing Lives has a long history of working in tandem with our local criminal justice system. Our agency routinely communicates with the 17th Judicial Circuit Court and the Winnebago County Resource Intervention Center to address needs and strategies to ensure we are adhering to the highest level of services. We also collaborate with area medical, social service and faith community providers as part of the on-going case management and community intervention services we provide with patients/clients receiving substance use disorder services through the RIC.

III. PROGRAM PROCESSES

a. Describe referral, intake and assessment process; include description of evidence-based practices used.

As indicated earlier all referrals to substance use disorder services to the Resource Intervention Center (RIC) are made through the 17th Judicial Circuit Court. Remedies Renewing Lives has two (2) substance use disorder treatment counselor's co-located at the RIC and are available during the hours of RIC operation. Substance use disorder staff complete a thorough intake with each individual that addresses each component of the ASAM Patient Placement Criteria. Our agency utilizes the evidence-based Matrix Model of Outpatient Alcohol and Drug Program (Matrix Model) by Obert, et al, and published by Hazelden, which concentrates on six (6) crucial areas: individual support, early recovery, relapse prevention, family education, social support and urine testing. The Matrix Model incorporates cognitive behavioral therapy, motivational enhancement, 12-step facilitation and group support and is a federally recognized model by the Center for Substance Abuse Treatment, National Institute on Drug Abuse, Office of National Drug Control Policy and is currently being reviewed by the National Registry of Effective Programs and Practices. As noted earlier, Remedies Renewing Lives is Behavioral Healthcare Accredited from The Joint Commission, who also supports our use of the Matrix Model.

b. Describe treatment, counseling, and case management. Be specific.

The substance use disorder treatment, counseling and case management provided by Remedies Renewing Lives is delivered by collaborative approach that addresses not only substance use but mental health, medical treatment and connection to social service programs as needed. The ASAM Patient Placement Criteria is designed to be all-inclusive in that it guides staff to work collaboratively with the patient/client throughout the treatment process, assists in determining goals, and supports efforts to identify intensity of treatment along with frequency of need. Since services are individualized, case management is based on treatment plans and reported needs. Examples include assistance with health, transportation, child care, medical benefits along with educational, dental and vocational challenges. Community intervention includes a focus on situational

crisis in addition to engagement or re-engagement with community resources like churches and schools. As all participants at the RIC are justice-involved, there is a strong emphasis in programming in how to reduce recidivism to not only protect the community at-large but increase the well-being and safety of the individual patient/client and their family. Lastly, although substance use is not the cause of using violence against an intimate partner, it does increase the danger for those being abused and has the potential of increasing the lethality risk of violence. Therefore, cross referrals between Remedies Renewing Lives substance use disorder and partner abuse intervention programming staff at the RIC are not uncommon and is encouraged by the agency.

Each counselor will facilitate substance use disorder treatment groups three (3) days a week, twice daily for three (3) hours each. Remedies Renewing Lives will select which days to provide the groups. Remedies staff offices are located on site at Adult Probation as 2 counselors assigned to this location maintain duties at Adult Probation site only. Groups will take place 8:45 AM – 11:45 AM and 1:15 PM – 4:15 PM.

c. Describe staff roles; include education, training, and licensure requirements.

Remedies Renewing Lives substance use disorder programming at the RIC is overseen by our Vice President of Clinical Services who is experienced in substance use disorder treatment. Our Vice President of Clinical Services holds a Master's in Human Services, Bachelor's in Criminal Justice and is a Certified Alcohol and Drug Counselor/Co-Occurring Substance Use and Mental Health Disorder Professional (CADC/CODP). Training of substance use disorder staff is on-going and has included topics related to under-served populations, recovery support, mental health needs, amongst many others.

Position Requirements are as follows:

Addictions Counselors

EDUCATION AND CERTIFICATION:

- Must either hold a Bachelor's Degree and working towards a Certified Alcohol and Drug Counselor (CADC) certification or have a CADC certification and working toward a bachelor's degree.

EXPERIENCE:

- One-year full time experience providing substance abuse treatment

In addition, Addiction Counselor's placement at the RIC is subject to passing a background clearance conducted by COURT.

d. Describe program oversight and accountability.

To assist with program oversight and accountability, Remedies Renewing Lives substance use disorder staff meet monthly with Winnebago County Resource Intervention Center staff of the RIC to help address emerging needs and patient/client support. Our Vice President of Clinical Services has weekly if not daily contact with substance use disorder treatment staff and visits the RIC on a monthly basis to conduct chart reviews to ensure patients'/clients' needs are being met. Groups should be open for review by Resource Intervention Center Management (Karen Mohr, RIC Supervisor or Jodi Gerue) to ensure RIC standards, policies and procedures are adhered to and to ensure fidelity of curriculum facilitation. Remedies substance abuse staff will meet monthly with RIC staff for provider updates.

Brief description of organization history and purpose</p> <p>Remedies Renewing Lives (formerly PHASE/WAVE) has been in existence since 1955, incorporated in 1959, initially providing substance use disorder treatment services on an outpatient basis and in 1978 integrating domestic violence programming into the organization. In 1982, Remedies Renewing Lives began providing partner abuse intervention programming (PAIP) and in 2008 mental health services were added as another component of the agency. Remedies Renewing Lives mission is renewing lives of individuals affected by addiction, mental health issues, and domestic violence.</p>
<p>b. Describe history managing grants and/or other funding</p> <p>Remedies Renewing Lives has a long history of grants management and has been a recipient to numerous grants related to victim/survivor services. Our awards include the Illinois Department of Human Services (IDHS) Domestic Violence Prevention and Intervention (DVP&I) grant which we have received for decades, IDHS State Emergency Solutions Grant (ESG) funding which we have received for over a decade, Illinois Coalition Against Domestic Violence (ICADV) Victims of Crime Act (VOCA) and Violence Against Women Act (VAWA) funding which we have also received for several decades, Illinois Criminal Justice Information Authority (ICJIA) VOCA Transitional Housing funding since 2018, ICJIA VOCA Multi-Victimization since 2020, Federal Emergency Management Agency (FEMA) grant for over a decade and have been sub-recipients to Winnebago County, Illinois grants from the U.S. Department of Justice, Office on Violence Against Women (OVW) Domestic Violence Homicide Prevention Initiative, Improving Criminal Justice Response as well as Justice for Families projects. Most recently, we became a sub-recipient to Prairie State Legal Services OVW Legal Assistance for Victims grant and we OVW for additional transitional housing services. Additionally, the agency has a history in receiving local foundation grants from organizations such as the Community Foundation of Northern Illinois, The Kjellstrom Foundation and The Mill Foundation. We are also a recipient of Winnebago County Community Mental Health Board funding to support therapy and advocacy services for survivors of domestic violence. Specific to our PAIP services, we have been awarded a grant from IDHS to increase our PAIP services beyond the RIC so that we can serve a greater number of persons in the community with an emphasis on serving those parents who are both justice and child-welfare involved as well as expand community based services into Boone County. Our DHS PAIP programming is facilitated at 215 Easton Parkway, Rockford, IL 61108 and utilizes the curriculum outlined in this proposal. We hope to continue expansion by adding a group in Boone County with location yet to be determined when feasible. DHS PAIP funding does not support services at the RIC.</p>

II. SERVICE, PROGRAM, or PROJECT OVERVIEW

a. Provide summary of proposed service, program, project to be supported or delivered by requested funds. Include eligibility requirements, demographics served, and how it will lead to a reduction in violent crime.

Remedies Renewing Lives partner abuse intervention program services are specific to serving men who use violence against their intimate partner in heterosexual relationships. Participants are ordered by the 17th Judicial Circuit Court as part of their sentencing for domestic violence related crimes. Program participants must attend at least 26 weeks of group programming and actively participate and acknowledge their abusive behavior against their intimate partner. Remedies Renewing Lives PAIP services are grounded in the concepts of the Duluth Model which emphasize that intimate partner violence is a pattern of coercive control and a belief of entitlement by the person who uses violence, offers change opportunities through educational groups for those who are justice involved and/or seeking change on their own, and supports a community-wide response to increasing victim/survivor safety (www.theduluthmodel.org/). Although explained further below, our agency utilizes a curriculum known as the Change Curriculum for Men (Change), which was developed by Cognition Works, a multi-service organization located in Champaign, Illinois. The Change curriculum is specifically designed to focus on "prevention, intervention and change of irresponsible behavior" with persons who use violence against their intimate partner (Cognition Works, Change Curriculum for Men, Introduction, p. 1). The curriculum utilizes the process of opposition and solutions during group format by facilitators that includes role playing and homework.

While the Change curriculum has many more components than what can be provided for space in this application, the most important point is how we connect the curriculum in our quest to improve safety in the lives of victims/survivors thereby helping to reduce crimes related to domestic violence in our community. It should not be forgotten the context of which survivors are living is a state of fear and trepidation based on threats and/or use of violence to maintain continuous control. Survivors often put themselves in harm's way to deflect violence against their children, work multiple jobs to avoid eviction or the shut off of utilities, relocate their families to unknown places so that they no longer have to live in fear, participate in the civil and criminal justice processes which can range anywhere from being a petitioner to an emergency order of protection or as a parent involved in abuse and neglect court. To that end, the Change curriculum speaks to these needs by demonstrating that patterns of abusive behavior are on a continuum which can increase in severity or impact over time. It allows co-facilitators to address power and control tactics by people who use violence that address all the pieces of the Power and Control Wheel that is so often identified by the victims/survivors Remedies Renewing Lives serves. For instance, when thinking about the MTP Control Through Power, co-facilitators can address circumstances in which the offender may use coercion and threats like making or carrying out threats to control their partner, using intimidation through looks or gestures and/or controlling what the survivor does or whom they seek or talk to. Likewise, the MTP of Specialness speaks to the entitlement piece by people who use violence. Treating the survivor like a servant, making all the big decisions, not allowing the survivor to work, or giving the survivor an allowance are all examples of male privilege and a maladaptive thinking pattern. Using the Choice curriculum over the span of 26 weeks offers many opportunities for PAIP staff to address the change process, accountability, past patterns, irresponsible excitement, expectations, highlighting the moral and legal consequences of intimate partner violence.

With the 1% Safety Tax funding, Remedies Renewing Lives employs one (1) FTE PAIP Coordinator who completes an intake and assessment of need with each offender referred by the courts, co-facilitates three (3) weekly groups, checks-in with each offender at the 10-to-12-week group-mark and completes a final interview with each offender prior to the formal conclusion of PAIP services. The funding from the 1% Safety Tax also supports a PAIP Manager (.1875 FTE). PAIP groups are facilitated at the RIC on the following schedule:

Tuesdays from 9AM to 11:00 AM
Thursdays from 1:30 PM to 3:30 PM
Fridays from 2:00 PM to 4:00 PM.

PAIP intakes and assessments completed by the PAIP Coordinator are conducted during business hours with information uploaded into FCE accordingly and on-going contact with the Winnebago County Adult Probation Department.

b. Describe current and projected project/program partnerships.

Remedies Renewing Lives has a long history of working in partnerships. We meet bi-monthly with the 17th Judicial Circuit Court of Winnebago County, Illinois, Winnebago County Adult Probation Department Domestic Violence Unit and other PAIP providers to ensure all agencies are adhering to court and Protocol standards. Remedies Renewing Lives also meets separately with the Winnebago County Adult Probation Department Domestic Violence Unit to talk about specific needs and strategies to ensure we are adhering to the highest level of services

III. PROGRAM PROCESSES

a. Describe referral, intake and assessment process; include description of evidence-based practices used.

Upon receipt of a referral from Winnebago County Adult Probation, Remedies Renewing Lives PAIP Coordinator schedules a screening/assessment appointment with the offender which is held in-person, on-site at the RIC and in the PAIP Coordinator's office. As part of the overall assessment, a Remedies Renewing Lives PAIP intake is conducted. The intake form includes contact information, demographics, employment, income or benefits; highest education level and military status or experience; current marital status, current intimate relationship status and if the intimate partner is aware of the order to PAIP; contact information for the victim of intimate partner violence, status of relationship with the victim, whether or not the parties were living together at the time of arrest or conviction; specifics of the probation order regarding contact with the victim; order of protection history; arrest and conviction history for domestic violence related crimes and non-domestic violence related crimes; number of times the offender has used violence without any law enforcement contact; information specific to children between the offender and victim and if the offender has children with other intimate partners; substance use and alcohol use history including if it was a component to the conviction or previous acts of violence; history of threats of death by suicide, access to weapons, history of counseling including any mental health concerns or prescription use; previous use of PAIP services at Remedies Renewing Lives or other provider; current and historical child welfare involvement; and use of violence against animals or pets. The intake form also includes questions specific to if the offender is afraid of their victim themselves and if they think the victim is afraid of them. It is not very often that an offender is not screened in for PAIP services. Exceptions to that may be if the offender is in a non-heterosexual relationship with their victim or if the offender has been identified as a victim of domestic violence themselves. Since the use of intimate partner violence is a gender-based issue and because Remedies Renewing Lives PAIP services are specific to men, it is rare to encounter a victim of domestic violence program however when it does occur the PAIP Coordinator refers the victim to our agency's survivor services. It should be noted that our domestic violence victim services never deny someone solely based on gender nor sexual orientation, race, national origin, and familial status, disability, and legal status, number of children, age or religion.

In addition to completing the intake form, Remedies Renewing Lives PAIP Coordinator also completes the Ontario Domestic Assault Risk Assessment (ODARA). Although not intended to measure an individual victim's safety, the ODARA can assist in identifying risks of future violence against an intimate partner, risk of re-arrest and likelihood to re-appear in court. To complete the ODARA, our PAIP Coordinator gathers information from the offender during the intake process, the offender's identified probation officer and what has been uploaded into Winnebago County's court record data base system known as Full Court Enterprise (FCE). Depending upon time of inquiry, the PAIP Coordinator can locate the offender's criminal history along with the most recent arresting incident probable cause statement and sometimes the victim's statement to law enforcement. Upon gathering as much information as possible, the PAIP Coordinator scores the ODARA responses and uploads the document into FCE that includes a specific dropdown menu for ODARA score. The score then helps guide the probation officer and the PAIP Coordinator in determining future risk of harm by the offender to their intimate partner relationships and likelihood of appearing in court.

Besides completing the intake and ODARA, the Remedies Renewing Lives PAIP Coordinator also addresses confidentiality with the offender. The obligation by providers to protect confidential information of PAIP participants is under the Illinois Administrative Code for Mental Health and Mental Health and Developmental Disabilities Confidentiality Act. As part of the Illinois Protocol Partner Abuse Intervention Program services, at the time of program initiation PAIP participants are required to complete a written release of information to: relative criminal justice and court authorities; mental health agencies; victims/survivors of abuse; any persons or agencies that would need to receive compliance or threats of violence by the offender; and/or any agencies

that may plan to assist with intervention for non-compliance or threats of violence by the offender. As a result, the PAIP Coordinator completes a release of information specific to the 17th Judicial Circuit Court of Winnebago County, Illinois, and Winnebago County Adult Probation along with a release of information that allows the PAIP Coordinator to contact the victim(s) specific to the arrest related referral and current intimate partner of the offender. Lastly, the PAIP Coordinator reviews the Contract for Participation in services. In turn, the offender is informed of the expectations for services which include weekly attendance and attendance of at least 26 groups for program completion; meeting individually with the PAIP Coordinator after attendance of 10-12 groups and upon an opening to PAIP services; understanding that all attendance or non-attendance will be recorded and reported to the offender's probation officer and court; expectation to remain alcohol and/or substance free during services and understanding that if it is suspected of being under the influence of any substance the offender will be asked to leave the group receiving no credit; obtain a chemical dependency evaluation if referred by the PAIP Coordinator; understanding that if late to group the offender will not be allowed to participate and will be marked as absent; only 3 absences are allowed and at the fourth (4th) missed group the participant will be referred back to their probation officer; requirement to abstain from violence; agreement to cooperate with program expectations and norms; and that at its core, our PAIP program is about taking accountability for the violence perpetrated against an intimate partner.

b. Describe treatment, counseling, and case management. Be specific.

As required by the Illinois Protocol for Partner Abuse Intervention Programs, core components of PAIP programming include that programs ensure the safety and rights of adult and child victims of domestic violence, work to reduce domestic violence through effective intervention, ensure that people who use violence against their intimate partner are held accountable and responsible for their behavior and to ensure persons who use violence against their intimate partner receive services that are effective. As a result, Remedies Renewing Lives utilizes a curriculum known as the Change Curriculum for Men (Change), which was developed by Cognition Works, a multi-service organization located in Champaign, Illinois. As required by the Protocol, the Change curriculum is approved to be used for the purposes of providing partner abuse intervention program services by IDHS. The Change curriculum is specifically designed to focus on "prevention, intervention and change of irresponsible behavior" with persons who use violence against their intimate partner (Cognition Works, Change Curriculum for Men, Introduction, p. 1). The curriculum utilizes the process of opposition and solutions during group format by facilitators that includes role playing and homework. Maladaptive Thinking Patterns (MTP's) are a core component of the curriculum and fall in line with our agency's philosophy that domestic violence is connected to a belief system centered around entitlement, often based on a view that one partner is allowed greater freedom than another. The MTP's that are routinely referenced within the 26-week group curriculum are victim script in which the person who uses violence consistently blames others for their circumstance; unrealistic self-image in which the person who uses violence views themselves as responsible despite actions; closed thinking in which the person who uses violence is unwilling to listen to share information or to be self-critical, goes on assumptions and lies by omission as opposed to outright; sense of entitlement that extends to persons, places and things and often includes intense jealousy; compartmentalized thinking where what happens before does not count or not impact the future with little sense that behavior has consequences; inappropriate expectations about life that lead to boredom, unwillingness to appreciate daily effort and/or has unreasonable fears; control through power in which the person who uses violence expects to be able to control situations and other individuals, uses manipulation and intimidation to achieve their goals including using sex for power and control rather than intimacy; and specialness in which the person has a sense of being superior or unique where they are living in a natural state and whatever rules may exist are for others. In addition to the MTP's, the Change curriculum includes Tactics to Avoid Being Accountable. The different tactics include putting others on the defense such as when they attack competency, bring up irrelevant issues, minimize the situation and pick at details; control information like agreeing with no intention of following through, being intentionally vague, saying whatever will satisfy the moment or using silence; and controlling interactions such as listening

selectively and hearing only what is self-serving, insisting they forgot and/or focusing on being misunderstood.

The Change curriculum also has a heavy emphasis on choice language. The Change curriculum values keeping responsibility on the irresponsible person, cutting through the denial system, and recognizing the power over their own lives to change. The curriculum focuses on cognitive restructuring. PAIP co-facilitators model choice language during group by using phrases such as “you may choose to” or “your choices are”, etc.

c. Describe staff roles; include education, training, and licensure requirements.
