Dear Board Members,

I am writing to you to express my interest in the position of Trustee for the Cherry Valley Fire Protection District. I have been a firefighter and paramedic for the Village of Arlington Heights for 23 years and a Cherry Valley resident for the past 21 years. The important decisions the board makes affects not only the day to day working conditions of the rank-and-file firefighter, but their health and well being as well. For this reason, I feel it is imperative that they have a voice on any district board. I believe my years of experience will provide valuable insight into what those needs are. The fact I come from a different fire department will also provide an outside perspective the board might find useful.

I am a member of IAFF L3105 and served as a Trustee for 12 years and as President for 5 years. As an Executive Board member, I helped set the direction of our union by balancing the needs of our members with the needs and budgetary constraints of our administration. We are a board of 9 voting members and 4 stewards, so I am very acquainted with working in large groups and listening to different opinions in order to come up with the best possible solutions. As President, I helped negotiate several contracts which required being familiar with reading city budgets, working within the constraints of those budgets and negotiating with those who may have differing views or needs.

The Cherry Valley Fire Protection District has many challenges as well as many opportunities in the future. I believe I can be a service to my community by using my talents and experience to help meet those challenges and take advantage of those opportunities. Thank you for your consideration and I look forward to hearing from you.

Sincerely,

Steve Schwartz

The Board of Trustees of the North Park Public Water District requests your consideration in the reappointment of Trustee Todd Scott.

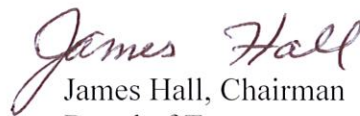

Trustee Scott has become an important part of the NPPWD team. Mr. Scott brings a unique perspective to the Board with his experience as a family and crisis counselor working through Northern Illinois University for the Department of Children and Family Services. He often lends balance to discussions on initiatives that typically are dealt with in purely technical terms by injecting the personal perspective from a customer's viewpoint.

Mr. Scott has been very active on the Board since his appointment in 2009 and has participated in three Strategic Planning initiatives and the development of several multi-year Capital Improvement Plans. In addition, he has supported multi-year planning for O&M budgeting and rate setting.

I have attached a letter from Mr. Scott requesting his re-appointment along with his resume. On behalf of the Board of Trustees I appreciate your consideration of our recommendation.

Sincerely,

North Park Public Water District

RE: North Park Water District Board of Trustees

Dear Chairman Chiarelli:

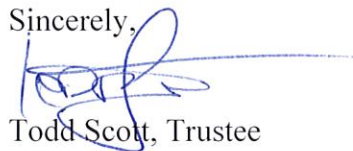

My third term as a Trustee with the North Park Public Water District will expire on April 30, 2024 and I respectfully request your consideration for re-appointment to said Board.

My family and I continue to reside in Machesney Park, IL. I remain employed with Northern Illinois University as a Lead Supervisor in the Integrated Assessment Program serving children and families involved with DCFS in the entire northern Illinois area, as well as Cook County. I now attend Northeast Christian Church in Machesney Park and serve as a musician and worship leader.

I have thoroughly enjoyed the 15 years I have been a member of the NPPWD family and humbly anticipate continuing to serve. I very much look forward to completing the oath of office and contributing to the ongoing quality service provided by the North Park Public Water District as well as support the economic stability and growth of the entire Winnebago County area.

Please feel free to contact me if you have any questions or to discuss my interest in NPPWD.

Sincerely,

Todd Scott, Trustee
