In these isolated cases DEVNET guarantees a response time of not more than two (2) hours from the time of the initial call. WINNEBAGO COUNTY shall have the option to contact the project manager or head of DEVNET'S support division to have the problem reassigned.

2.7 The design for the DEVNET Property Tax Software System must include all of the basic functionality necessary for following the legal requirements to process Property taxes in the State of Illinois.

Any delay by WINNEBAGO COUNTY in their performance of its obligations under this paragraph shall extend all due dates and

maintenance obligations of DEVNET herein by a like amount of time.

4.7 On or before the commencement of work to be performed by DEVNET pursuant to this Agreement, WINNEBAGO COUNTY shall obtain and have in full operation the following hardware for installation and operation of the DEVNET Property Tax Software System:

Hardware Requirements for DEVNET Products

Hardware may be purchased from any third-party vendor of the County's choice. Note that the County or third-party vendor is responsible for deployment of the server(s) and all required third-party software, including the Active Directory/domain and SQL Server, unless DEVNET is contracted to deploy the server hardware and software.

The following specifications assume a single SQL and file server environment. For an environment in which the DEVNET applications do not reside on the SQL server, these specifications apply to the SQL server.

CAMA and tax analytics in the DEVNET system use the SQL Server R component.

- Clients up to 50,000 parcels can deploy SQL R in-database as a single server solution.
- Clients with 50,000-100,000 parcels may be able to deploy a single server SQL R in-database solution depending on usage of the analytics.
- Clients with more than 100,000 must deploy a separate standalone R server.

Note: SQL R in-database cannot be deployed on a SQL cluster; therefore, an SQL cluster must deploy the standalone R server

If the Application, Image/Document, and Sketch files are stored on a separate server or NAS, the file I/O performance of this alternative must be equivalent to the server specifications described in this document.

The Marshall & Swift cost manual requires a Microsoft IIS instance.

These specifications are for a physical server to support the DEVNET solution.

¹ The storage space required may vary depending on the number of parcels, images, sketches, and documents. Additionally, the amount of historical information added will impact the storage requirements.

² Clients may substitute the recommended RAID levels for alternative RAID levels or storage methods such as a SAN

as long as they provide the comparable redundancy and performance. The lowest server specifications provided above will provide sustained disk I/O of 250MB/s based on Windows file read write testing. The highest specifications will provide sustained disk I/O of 450MB/s based on Windows file read write testing.

³ Clients can substitute an alternative as long as they provide the same level of redundancy.

⁴ Client do not need a UPS-specific to this server as long as the solution utilized can provide sufficient runtime and graceful shutdown of the server.

⁵ While older Windows and SQL server versions are supported in select situations, some features require SQL Server 2017 or newer. DEVNET recommends using Windows Server 2019 standard edition and SQL Server 2017 or newer standard edition.

Server Virtualization

DEVNET does not recommend a virtual Microsoft SQL Database server.

If a virtual environment is utilized, the virtual server must provide the same sustained performance as the recommended physical hardware.

The most critical performance component is disk I/O. The virtual SQL server must provide sustained performance equivalent to the recommended physical server while other guest virtual servers on the same physical server are under load. Note that unlike other applications, SQL is not very tolerant of latency.

Printers

DEVNET applications are compatible with most laser printers.

Receipt/Slip Printer

DEVNET applications can print receipts to either a laser printer or receipt printer. Receipt/slip printers compatible with the DEVNET applications must have a Windows driver that supports the printer's functions and paper type. If slip/check endorsement printing and/or cash drawers will be used, receipt/slip printer driver must support slip wait and cash drawer open via settings in the driver. DEVNET applications are compatible with Epson TM-U675 Receipt/Slip/Validation printer. DEVNET has also successfully worked with other Epson printers that use the EPSON Advanced Print Driver.

Barcode Reader

Barcode reader must read Code 39 and have the ability to add a prefix and suffix character (depending on the client barcode configuration). Additionally, the barcode reader must be configured to omit carriage return and line feed.

DEVNET recommends the Honeywell Voyager Series bar code reader.

Document Scanning

The DEVNET application can interface with scanners that provide a fully TWAIN compliant driver.

DEVNET recommends Fujitsu scanners for use with its imaging applications. When imaging is used within DEVNET applications, one or more licenses of Lead Tools imaging toolkit are required. The Lead Tools software can be provided with the installation of DEVNET software applications.

Check Scanning

The DEVNET application can interface with scanners that provide a fully TWAIN-compliant driver. DEVNET recommends the Epson Capture One and Epson TM-S2000 scanners.

End User Printing Support

Only printers with drivers support for a terminal server/Citrix environment should be used.
In some cases, other printers can be used; however, this can cause serious problems on the server.
The end user workstation and the server should be using driver version/type. As always, DEVNET recommends that the PostScript driver be used where possible.
DEVNET recommends using a consistent printer make and/or model to ensure that printable reports and forms are printed consistently across all end users. Using a universal driver for several models of a specific manufacturer's printer models usually allows some choice in the printers while ensuring the printed output consistency.

Remote Scanning Support

Currently, Windows does not natively support TWAIN scanning.
There are a number of third-party applications that provide this functionality; however, DEVNET has not tested any of these with DEVNET applications.
Scanned documents and camera photos saved on the end user workstation can be imported into the DEVNET system from an end user workstation drive mapped in the remote session.

- D. Make only the number of copies of the Confidential information necessary to disseminate the Information to those employees who are entitled to have access to it, and ensure that all confidentiality notices set forth on the Confidential Information are reproduced in full on such copies.

For the purposes of this Article 8 only, "employees" includes third parties retained for temporary administrative, clerical or programming support. A need to know means that the employee requires the Confidential Information in order to perform his or her responsibilities in connection with this Agreement.

8.4 The obligations of Article 8.3 above shall not apply to any Confidential Information that the recipient can demonstrate:

- C. Is received from a third party free to disclose such information without restriction;
- D. Is independently developed by the recipient without the use of Confidential Information of the disclosing Party;
- E. Is approved for release by written authorization of the disposing Party, but only to the extent of and subject to such conditions as may be imposed in such written authorization;
- F. Is required by law or regulation to be disclosed, but only to the extent and for the purposes of such required disclosure; or

8.5 Except where otherwise required by law or court order, Confidential information, including permitted copies, shall be deemed the property of the disclosing Party. The recipient shall, within twenty (20) days of a written request by the disclosing Party, return all Confidential information, including all copies thereof, to the disposing Party or, if so directed by the disclosing Party, destroy all such Confidential information.

8.6 Both Parties agree that an impending or existing violation of any provision of this Agreement would cause the disclosing Party irreparable injury for which it would have no adequate remedy at law, and that the disclosing Party shall be entitled to seek immediate injunctive relief prohibiting such violation, in addition to any other rights and remedies available to it.

8.7 All obligations undertaken respecting Confidential information provided hereunder shall survive any expiration or termination of this Agreement.

ARTICLE 9: Warranty

9.1 DEVNET warrants that the DEVNET Property Tax Software System, for the term of this agreement, when used under normal operating conditions, will function in material conformance with the Documentation. WINNEBAGO COUNTY's initial remedy for any failure of the DEVNET Property Tax Software System to so function shall be to contact DEVNET and to have it remedy the failure to function. If DEVNET cannot so remedy that failure within a reasonable time, WINNEBAGO COUNTY shall be permitted to secure its own reasonable remedy for that failure.

9.2 The warranties provided in this Agreement do not cover malfunctions or failure caused by:

- A. WINNEBAGO COUNTY's modification or relocation of the WINNEBAGO equipment or software, unless mutually agreed upon in writing prior to each such modification or relocation.
- B. WINNEBAGO COUNTY's or any third party's abuse, misuse or negligence;
- C. Power failure or surges, lightning, fire, flood, accident, and other events outside DEVNET's reasonable control;
- D. WINNEBAGO COUNTY's failure to fulfill its contractual obligations set forth in this Agreement; and
- E. Hardware, network or operating system failure.

9.3 Except for the warranties expressly set forth above in this Article 9, DEVNET makes no other warranties of any kind, express or implied, regarding the DEVNET Property Tax Software System, any component thereof, any work to be performed by DEVNET hereunder, or otherwise with respect to this Agreement, and all other warranties (including, but not limited to, any warranties of merchantability or fitness for a particular purpose) are expressly disclaimed and excluded, to the maximum extent permissible by applicable law.

9.4 WINNEBAGO COUNTY expressly acknowledges that systems made available or accessible on or through the Internet or other public networks cannot be guaranteed to be totally secure and that no security measures are impenetrable. If, pursuant to this Agreement, WINNEBAGO COUNTY is licensing or otherwise being provided by DEVNET with any program, product, or component that will be made available or accessible on or through the internet or any other public network (e.g., DEVNET's "wEdge™" product), WINNEBAGO COUNTY acknowledges that, as between the parties, WINNEBAGO COUNTY (and not DEVNET) is solely and exclusively responsible for deploying, monitoring, and maintaining appropriate security measures, systems, and infrastructure (e.g., firewalls) that reasonably and appropriately protect, and prevent unauthorized access to, WINNEBAGO COUNTY's systems, data, and other resources. Without limiting the provisions of Article 9.3, DEVNET expressly does not represent, warrant, or covenant that any such DEVNET-provided program, product, or component shall be available or accessible on a completely uninterrupted or error-free basis. DEVNET shall not have any obligation or liability with respect to:

- (I) Inaccuracies, errors, or omissions in data or information provided by third parties or that arise in the transmission of any data or information over the internet or other public networks; or
- (II) Security breaches or incidents that result from causes not under the control of DEVNET.

ARTICLE 10: Indemnification

- 10.1 WINNEBAGO COUNTY shall defend, indemnify and hold harmless DEVNET, its employees, directors, and shareholders against all claims by third parties (including legal fees and expenses) to the extent that such claims arise out of WINNEBAGO COUNTY's negligent acts or omissions under this Agreement or failure to perform its obligations hereunder. WINNEBAGO COUNTY shall promptly notify DEVNET of any claim. WINNEBAGO COUNTY shall fully cooperate with DEVNET in the defense of said claim. This obligation to indemnify shall survive termination or expiration of this Agreement.
- 10.2 DEVNET shall defend, indemnify and hold harmless WINNEBAGO COUNTY, its employees and agents against all claims by third parties (including legal fees and expenses) to the extent that such claims arise out of DEVNET'S negligent acts or omissions under this Agreement or failure to perform its obligations hereunder. DEVNET shall promptly notify WINNEBAGO COUNTY of any claim. DEVNET shall cooperate fully with WINNEBAGO COUNTY in the defense of said claim. This obligation to indemnify shall survive termination or expiration of this Agreement.
- 10.3 To the degree that WINNEBAGO COUNTY provides software to DEVNET under this Agreement or otherwise, WINNEBAGO COUNTY warrants that it either owns or has the right to grant DEVNET the usage rights to such software set forth in this Agreement. WINNEBAGO COUNTY shall indemnify and hold harmless DEVNET against and from all claims, demands, suits, actions, judgments, losses, damages and expenses (including reasonable attorneys fees) made against or incurred by DEVNET for infringement of any United States patent, copyright, or trade secret of any third party arising from or relating to the use of software supplied by WINNEBAGO COUNTY pursuant to this Agreement. This indemnity and hold harmless obligation shall not apply, however, to the degree that the alleged infringement arises from or relates to modification of the software by DEVNET or by a third party retained by or under the control of DEVNET.
- 10.4 WINNEBAGO COUNTY shall be solely responsible for insuring that the software development parameters provided to DEVNET by WINNEBAGO COUNTY comply with all applicable laws, statutes and ordinances. WINNEBAGO hereby agrees to indemnify and hold DEVNET, its employees, officers, directors and shareholders, harmless from any and all suits, claims, actions, causes of action, losses, damages or other matters that in any way arise from, in whole or in part, the failure or alleged failure of the DEVNET Property Tax Software System to conform to all applicable laws, statutes and ordinances.

ARTICLE 11: Changes

- 11.1 DEVNET shall not perform any service or provide any deliverables not specified herein or act upon any request for additions, deletions and/or changes (hereinafter "Changes") not specified in this Agreement or amendment thereto without the prior written consent of WINNEBAGO COUNTY. Such written consent will be in the form of a Change Control Document. The costs for said services shall be mutually agreed upon prior to the commencement of any such work or provision of any such deliverables. This paragraph is subject to Paragraph 16.1: Notices.

ARTICLE 12: Force Majeure

12.1 DEVNET shall not be liable in any way for any delay, failure, losses, damages or expenses due to any of the following: any cause beyond DEVNET's reasonable control, including but not limited to, fires, floods, epidemics, quarantine restrictions, unusually severe weather, manufacturer's delays, strikes, embargoes, explosions, power blackouts, wars, labor disputes, acts of civil disobedience, acts of Civil or military authorities, acts of nature, acts of public enemies, acts or omissions of carriers or any court order connected with the Modification of Final Judgment, which may delay, hinder, or prevent performance under this Agreement; provided that DEVNET has exercised reasonable measures, if feasible, to mitigate such delay or failure.

ARTICLE 13: Termination

13.1 If either Party (hereinafter "Defaulting Party") at any time neglects, fails, or refuses to perform under any of the material provisions of this Agreement, then the other Party may serve upon the Defaulting Party a Notice to Cure said neglect, failure or refusal to perform. The notice to cure shall specify the alleged neglect, failure, or refusal and shall be served as provided for service of notices in paragraph 15.1 herein. If, within fifteen (15) days of the date of service of such notice, the Defaulting Party has not fully cured all the items indicated therein, or presented a plan acceptable to the other Party to cure such items, then upon expiration of said fifteen (15) days, the other Party may, at its option, elect to serve a Notice of Termination as provided in paragraph 13.2 herein below.

13.2 In addition to termination pursuant to Article 5, if either Party (hereinafter "Defaulting Party") at any time neglects, fails, or refuses to perform under any of the material provisions of this Agreement within thirty (30) days of service of the Notice to Cure provided in paragraph 13.1 hereinabove, then the other Party may serve upon the Defaulting Party notice of its intention to terminate this Agreement. The notice of termination shall specify the alleged neglect, failure, or refusal and shall be served by registered mail. If, within thirty (30) days of the date of service of such notice, the Defaulting Party has not fully cured all the Defaults indicated therein, or presented a plan acceptable to the other Party to cure such Defaults, then upon expiration of said thirty (30) days, the other Party may, at its option, elect to terminate this Agreement by providing the Defaulting Party a second written notice. This paragraph is subject to Paragraph 16.1: Notices.

13.3 The right of either Party to terminate this Agreement shall not be affected by its failure to take action with respect to any previous Default.

ARTICLE 14: Cooperative Purchasing

14.1 The provisions of this Contract will be extended to other municipal, county or state governmental entities. Governmental entities wishing to use this Contract will be responsible for issuing their own purchase documents/price agreements, providing for their own acceptance, and making any subsequent payments. Vendor shall be required to include in any Contract entered into with another agency or entity that is entered into as an extension of this Contract a Contract clause that will hold harmless WINNEBAGO County, Illinois from all claims, demands, actions or causes of actions of every kind resulting directly or indirectly, arising out of, or in any way connected with the use of this contract. Failure to do so will be considered a material breach of this Contract and grounds for Contract termination. The cooperative entities are responsible for obtaining all certificates of insurance required. The Vendor is responsible for providing each cooperative entity a copy of the Contract upon request by the cooperative entity. WINNEBAGO County, Illinois makes no guarantee of usage by other users of this Contract.

The remedies set forth in this Agreement shall be the Parties' sole and exclusive remedies, both in contract and in tort, for each other's breach of this Agreement.

16.10 Compliance with Laws

ORDINANCE REGULATING DOOR-TO-DOOR SOLICITATION

WHEREAS, the County of Winnebago, Illinois (County) has an interest in protecting the health, safety and welfare of its citizens; and

WHEREAS, the Illinois Counties Code [55 ILCS 5/5-1058, hereinafter “the Statute”] grants counties the express power to regulate “hawkers, peddlers, itinerant merchants and transient vendors of merchandise in any area not within the corporate limits of a municipality which licenses or regulates hawkers, peddlers, itinerant merchants, and transient vendors of merchandise,” within the parameters set forth in the Statute; and

WHEREAS, the Code of Ordinances of Winnebago County does not presently contain a regulation concerning door-to-door solicitation; and

WHEREAS, the County has an interest in the prevention of fraud and crime, and in the protection of its residents from undue harassment and unreasonable infringements of their privacy; and

WHEREAS, the County finds that it is in the best interests of the people of Winnebago County, Illinois to enact an Ordinance consistent with the parameters established under the Statute.

NOW, THEREFORE, BE IT ORDAINED, by the County Board of the County of Winnebago, Illinois, as follows:

Section 1. That the foregoing recitals shall be and are hereby incorporated as findings of fact as if said recitals were fully set forth herein;

Section 2. That the Winnebago County Code of Ordinances is hereby amended by adding a Chapter 91, Door-to-Door Solicitation, as set forth in Exhibit A, which is attached to this Ordinance;

Section 3. That this Ordinance shall be in full force and effect immediately upon signing; and

Section 4. That the Clerk of the County Board is hereby directed to prepare and deliver a copy of this Ordinance to the County Administrator, the Winnebago County Sheriff, and the County Board Office.

EXHIBIT A

Chapter 91- DOOR-TO-DOOR SOLICITATION

ARTICLE I. - IN GENERAL

Sec. 91-1. - Short title.

This Chapter shall be known, cited and referred to as the "Door-to-Door Solicitation Ordinance of Winnebago County".

Sec. 91-2. -Purposes of Chapter.

The purpose of this Chapter is to protect the County's residents from undue harassment and unreasonable infringements of their privacy and also to prevent crime and fraud. This Chapter is intended to apply to door-to-door solicitation for commercial purposes, and is not intended to apply to religious, charitable, or political organizations; nor is it intended to interfere with the free exercise of rights traditionally guaranteed to heightened protections under the First Amendment to the United States Constitution (e.g., religious proselytizing, political speech, distribution of hand bills). The business and operation of any solicitor in conformance with this Article shall not be interpreted as an endorsement of any solicitor by the County, its elected officials, or its employees.

Sec. 91-3. - Interpretation of undefined words.

Words not defined in this chapter shall be interpreted in accordance with definitions contained in Webster's New Collegiate Dictionary®, Eleventh Edition.

Sec. 91-4. Definitions.

The following words, terms and phrases, when used in this Chapter, shall have the meanings ascribed to them as follows, except where the context clearly indicates a different meaning:

Owner or Occupant means any person who is the owner, resident or tenant of a residence.

Residence means every separate living unit occupied for residential purposes by one or more persons contained within any type of building or structure, including the common areas inside multiple dwelling buildings.

Solicit or Soliciting: The act of engaging in solicitation.

Solicitation means any one or more of the following activities engaged in at a residence without prior consent of the owner or occupant, which are performed by approaching

the residence with the intention of speaking to the owner or occupant by knocking, ringing a doorbell, or other form of requesting immediate direct communication with the owner or occupant:

- 1) Seeking to propose or engage in a commercial transaction involving a sale, an offer for a sale, delivery of a good or service, sale or transfer of real property, or any other commercial exchange, subscription, or similar transaction; and
- 2) Seeking to obtain personal information to enroll or apply for a service (e.g., insurance policies or energy services).

Solicitation does not include distribution of mailbox flyers, door hangers, or other notes inviting the owner or an occupant of the residence from contacting an individual or entity.

Solicitation does not mean political, charitable or religious activities that are guaranteed to heightened protections under the First Amendment to the United States Constitution, such as distribution of religious pamphlets or the collection of signatures in support of candidates for public office or referendum questions.

Solicitor means a person engaged in the act of solicitation, including: hawkers, peddlers, itinerant merchants, and transient vendors of merchandise.

Sec. 91-5. Regulations.

- a) *Solicitors.* A person who solicits, or assists in solicitation, in an area of unincorporated Winnebago County must conform to the following regulations:
 - 1) Register with the Clerk of Winnebago County, at no charge to the registrant.
 - 2) Only solicit between the hours of 10:00 a.m. and 5:00 p.m. on a weekday(s) or on a Saturday(s). No solicitation is allowed on Sunday(s).

Sec. 91-6. Registration.

- a) It shall be unlawful for any person or business to engage in solicitation without first registering with the Clerk of Winnebago County and obtaining a certificate of registration. Prior to engaging in solicitation, a copy of the certificate of registration shall be delivered by the solicitor to the Winnebago County Sheriff's Office.
- b) The solicitor shall provide their complete name, address, email and phone number, along with the name, address, email and phone number, of any firm/business they represent, and the nature of the product or services in which they are engaged in soliciting. Upon request of the Clerk, the individual must provide a state-issued photo identification card for verification purposes.
- c) Solicitor registrations are not transferable from person to person or from business or employer to business or employer. If the information required to be provided for

registration changes, the solicitor shall relinquish his or her current registration and obtain a new certificate of registration.

- d) No person shall make any false statement upon an application for a certificate of registration. Providing false information will be cause for immediate revocation of the certificate of registration.
- e) Each person shall, at all times while engaged in, or assisting in, the business of soliciting in unincorporated Winnebago County carry upon his or her person the certificate of registration or a legible photocopy thereof issued pursuant to this chapter. This certificate shall be exhibited by the solicitor whenever he or she is requested to do so by a Winnebago County Sheriff's deputy or by any person being solicited.
- f) Any registration pursuant to this chapter may be revoked by the Winnebago County Sheriff upon conviction of, or plea of liable, or a finding by a hearing officer to any violation by the solicitor of this Chapter, or any other similar ordinance.
- g) Registration shall expire on December 31st of each year and must be renewed by the solicitor.

Sec. 91-6. Enforcement.

- a) Violations of this Chapter shall be enforced by the Winnebago County Sheriff or his or her designee(s) and, at his or her discretion, may proceed through the administrative adjudication process that is set forth in Chapter 4 of this Code.

Sec. 91-7. Penalty.

- a) Any person who violates any provision of this Chapter shall be deemed to have committed an ordinance violation and shall be fined \$100 per each violation. Each 24 hour period in which, or during which, a violation occurs shall constitute a separate offense.

Respectfully submitted,
