Ordinance Executive Summary

Prepared By: David J. Rickert
Committee: Finance Committee
Committee Date: 5/20/2021
Resolution Title: An Ordinance Authorizing a County PACE Program
County Code: Not Applicable
Board Meeting Date: 5/27/2021

Budget Information:

Was item budgeted? N/A	Appropriation Amount: N/A
If not, explain funding source:	
ORG/OBJ/Project Code: N/A	Budget Impact: N/A

Background Information:

On February 11, 2021, the County Board passed an ordinance establishing the PACE Program. This new Ordinance establishes the PACE Program in Winnebago County, but also provides authority for the County to issue Notes. In summary, under the Note structure the County would enter into an assessment contract with a property owner, under which the property owner would voluntarily agree to annual assessments on its property. The assessments would be payable by the property owner in exchange for the receipt by the property owner of upfront funds to be used for a qualified PACE improvement on its property. The Note to be issued by the County would be payable solely and only from amounts to be received by the County under the assessment contract, and never from any of the general funds of the County. The Note would be sold to an investor who would receive payments twice per year on a schedule generally consistent with the County's property tax collection cycle. Attached is an updated agreement for the Property Assessed Clean Energy (PACE) program.

Section 6. Execution; Authentication. The Notes shall be executed on behalf of the County by the manual or duly authorized facsimile signature of the President of the Board and attested by the manual or duly authorized facsimile signature of the County Clerk. In case any such officer whose signature shall appear on any Note shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Notes shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the Note Registrar as authenticating agent of the County and showing the date of authentication. No Note shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Note Registrar by manual signature, and such certificate of authentication upon any such Note shall be conclusive evidence that such Note has been authenticated and delivered under this Ordinance. The certificate of authentication on any Note shall be deemed to have been executed by it if signed by an authorized officer of the Note Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Notes issued hereunder.

Section 7. Registration of Notes; Persons Treated as Registered Owners. The County shall cause books (the "*Note Register*") for the registration and for the transfer of the Notes as provided in this Ordinance to be kept at the principal office of the Program Administrator or the Note Registrar (the "*Principal Office*"), as set forth in the Note Notification. The County is authorized to prepare, and the Note Registrar shall keep custody of, multiple Note blanks executed by the County for use in the transfer and exchange of Notes.

Any Note may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in the Note and accompanying Form of Assignment. The Note Registrar shall not be required to transfer or exchange any Note during the

period beginning at the close of business on the 15th day of the month next preceding any payment date on such Note and ending at the opening of business on such payment date, nor to transfer or exchange any Note after notice of prepayment has been received by the Program Administrator.

The execution by the County of any fully registered Note shall constitute full and due authorization of such Note, and the Note Registrar shall thereby be authorized to authenticate, date and deliver such Note; *provided, however*, that the principal amount of outstanding Notes of each series and maturity authenticated by the Note Registrar shall not exceed the authorized principal amount of Notes for such series and maturity less previous retirements.

The Registered Owner shall be deemed and regarded as the absolute owner thereof for all purposes, and payments due on any Note shall be made only to or upon the order of the Registered Owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Section 8. Prepayment. The Notes shall be subject to prepayment pursuant to the terms and conditions of the related Assessment Contract. Other than in accordance with the terms and conditions in the Assessment Contract and to the fullest extent permitted by applicable law, the County shall not permit any reduction or deferral in the amount of Pledged Revenues without the written consent of the Registered Owner. The County shall, or shall cause the Program Administrator to, provide a reasonable period of time for the Registered Owner to review and approve any calculations necessary to effect prepayments in accordance with the Assessment Contract. The Program Administrator shall promptly notify the County in writing of the Notes or portions of Notes selected for prepayment and, in the case of any Note selected for partial prepayment, the principal amount thereof to be prepaid.

Section 9. Sale of Notes. Any one of the Authorized Officers is hereby authorized to proceed without any further authorization or direction from the Board, to sell the Notes upon the terms as prescribed in this Ordinance.

The Notes hereby authorized shall be executed as in this Ordinance provided as soon after the delivery of the Note Notification as may be, and, after authentication thereof by the Note Registrar, be delivered to the Purchaser upon receipt of the purchase price therefor.

Upon the sale of a series of the Notes, the Authorized Officers shall prepare a Notification of Sale, which shall include the pertinent details of sale of such series of Notes as provided herein (the "*Note Notification*"). In the Note Notification, the Authorized Officers shall find and determine that such series of Notes have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of such Notes does not exceed the maximum rate otherwise authorized by applicable law. Each Note Notification shall be entered into the records of the County and made available to the Board upon request; but such action shall be for information purposes only, and the Board shall have no right or authority at such time to approve or reject such sale as evidenced in a Note Notification.

Upon the sale of a series of Notes, the Authorized Officers and any other officers of the County, as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such financing documents related to the sale of the Notes as may be necessary, including, without limitation, any contract for the sale of the Notes between the County and the Purchaser. Prior to the execution and delivery of a Note, the Authorized Officers shall find and determine that, to the best of their knowledge, no person holding any office of the County either by election or appointment, is in any manner financially interested, either directly, in his or her own name, or indirectly, in the name of any other person, association, trust or corporation, in the transactions contemplated herein.

The use by the Purchaser or the County of a term sheet relating to the notes (the “*Term Sheet*”) is hereby ratified, approved and authorized; the execution and delivery of the Term Sheet is hereby authorized; and the Authorized Officers are hereby authorized to take any action as may be required on the part of the County to consummate the transactions contemplated by this Ordinance, the Term Sheet and the Notes.

Section 10. Funds and Accounts.

A. There is hereby created the “PACE Note and Interest Fund” of the County (the “*Note Fund*”), which shall be a separate fund for the payment of the principal of and interest on the Notes. The County shall create a subaccount of the Note Fund for each series of the Notes issued (each a “*Note Fund Subaccount*”). The Pledged Revenues and any other funds lawfully available for the purpose shall be timely deposited upon receipt by the County into a Note Fund Subaccount and used solely and only for the purpose of paying the principal of and interest on the related Notes. Accrued interest, if any, received upon delivery of the Notes, together with the amount of proceeds of the Notes as set forth in a Note Notification, shall be deposited as set forth in a Note Notification and be applied to pay the first interest coming due on such Notes. The County hereby assigns to the Registered Owner of a Note all of its right, title and interest in and to all Pledged Revenues maintained in the related Note Fund Subaccount and agrees to hold such amounts in trust for the benefit of the Registered Owner.

B. The remaining proceeds of the Notes and any premium received on the delivery of the Notes are hereby appropriated to pay the costs of issuance of the Notes, and that portion thereof not needed to pay such costs is hereby ordered to be deposited and held in a separate project fund (each a “*Project Fund*”) specific to and as referenced in the related Assessment Contract to pay costs of the project being financed thereby. It is not currently anticipated that the County will hold

any Project Fund. Proceeds of any Note issued to refund or refinance existing Notes, Assessment Contracts or other obligations shall be deposited as set forth in the related Note Notification.

C. At the time of the issuance of the Notes, the costs of issuance of the Notes may be paid by the Purchaser, the Owner, the Program Administrator or the Note Registrar on behalf of the County.

Section 11. Property Assessments. For the purpose of providing funds required to pay annual amounts due from Owners under the Assessment Contracts, and which amounts may be assigned by the County in furtherance of the PACE Program, there is hereby assessed upon property within the County and subject to an Assessment Contract, in the years for which amounts due under such Assessment Contract are outstanding, a direct annual assessment for that purpose; such assessment shall be in addition to all other assessments and taxes of the County.

Any such assessments are to be collected at the same time and in the same manner as taxes collected under the Illinois Property Tax Code. Alternatively, upon the approval of an Authorized Officer, assessments may be billed and collected by the Program Administrator or by another third party assessment servicer.

The County expressly intends to assign and/or pledge payments to be received from each such Assessment Contract in furtherance of the PACE Program. The County covenants and agrees with the beneficial holders of assessments, including Registered Owners, that so long as such assessments remain outstanding, the County will take no action or fail to take any action which in any way would adversely affect the ability of the County to assess and collect the assessments provided for in this Ordinance. The County and its officers will comply with all present and future applicable laws in order to assure that the assessments may be permitted to be assessed, extended, and collected pursuant to applicable law.

Section 12. Limited Obligation of the County. Any obligation of the County, including the Notes, to provide funds pursuant to an assignment of amounts to be received under an Assessment Contract shall be a special, limited obligation of the County, payable solely from the funds provided in such Assessment Contract and is not a general obligation of the County, and the full faith and credit of the County is not pledged to the payment of any obligation secured by such assigned amounts, including the Notes. The Assessment Contracts and any obligations secured thereby, including the Notes, shall be payable solely and only from payments of assessments on benefitted property within the PACE Area, and if applicable from revenue sources or reserves established in support of such obligations.

Section 13. Covenants of the County. The County shall not amend an Assessment Contract or any related Notes in any manner that is materially adverse to the Registered Owner of a Note without such Registered Owner's prior written consent. The County covenants and agrees with each Registered Owner that so long as any Note remains outstanding, the County will take no action or fail to take any action which in any way would adversely affect the ability of the County to assess and collect the Pledged Revenues. The County and its officers will comply with all present and future applicable laws in order to assure that the Pledged Revenues may be permitted to be assessed, extended, and collected pursuant to applicable law.

Section 14. No Conflicts; Further Acts of the County. It is hereby found that no person holding any office of the County either by election or appointment, is in any manner financially interested, either directly, in his or her own name, or indirectly, in the name of any other person, association, trust or corporation, in the transactions contemplated hereby.

When financing documents are executed and delivered by or on behalf of the County in support of the PACE Program, such financing documents will be binding on the County; from and after the execution and delivery of such financing documents, the officers, employees, and agents

of the County are hereby authorized, empowered, and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of such financing documents as executed.

Section 15. Additional Ordinances. The Board may adopt additional ordinances or proceedings supplementing or amending this Ordinance. Such additional ordinances or proceedings shall in all instances become effective immediately without publication or posting or any further act or requirement. This Ordinance, together with such additional ordinances or proceedings, shall constitute complete authority for the County to implement the PACE Program, make the property assessments described herein and issue the Notes, all in accordance with applicable law.

Section 16. No Public Hearing; Program Established. The Board hereby finds that no public hearing shall be required in connection with the adoption or amendment of the PACE Program and hereby establishes the PACE Program in accordance with the Program Report.

Public funds are not anticipated to be made available for funding Energy Projects, though the County is not prohibited from participating as a Capital Provider. No exclusivity will be provided to Capital Providers, and the Applicants will retain the right to choose the type and provider of financing that works best for their business needs.

Any financing source interested in offering PACE Financing must qualify as a Capital Provider to participate in the PACE Program. The process for becoming a qualified Capital Provider is as follows:

1. The interested Capital Providers must register with the PACE Program and meet the requirements set forth in the Program Guidelines.
2. Upon approval by the Program Administrator and execution of a PACE Capital Provider Agreement, the Capital Provider will be considered a “PACE Capital Provider.” PACE Capital Providers will be listed on the PACE Program’s website. PACE Capital Providers will receive

information from the Program Administrator regarding financing opportunities as well as pertinent developments related to the PACE Program.

3. Applicants may also pre-select their preferred lenders prior to the lender registering with the PACE Program. Prior to the closing of the applicable PACE Financing, however, the lender must become a PACE Capital Provider as outlined above.

The information provided by Capital Providers will be used to link Capital Providers, project developers, energy service companies, installers and contractors, energy auditors, engineering firms, utility companies, Record Owners, and others to develop and fund qualified Energy Projects.

The County reserves the right to rescind the “Capital Provider” status of any lender or Capital Provider according to the terms of the Capital Provider Agreement.

(6) An explanation of how assessments will be made and collected;

The attached Assessment Contract will be the contract between the Record Owner and the County in order to place the PACE assessment on the property. When the PACE transaction closes, the Assessment Contract will be recorded at the County Recorder’s office. The date the PACE assessment will be added to the tax roll will depend on when in the calendar year the PACE transaction closes and the tax season schedules for the County Treasurer’s office. PACE payments will be added to the real estate tax bill for the Property as a special assessment with its own separate line item. Payments will be due when general real estate taxes are due which are approximately [INSERT Tax Due Date 1] and [INSERT Tax Due Date 2] of the calendar year. The bi-annual PACE assessment payments will be equal payments and will be collected by the County Treasurer’s office subject to the same processes and remedies as general real estate taxes. The Program Administrator, in conjunction with the County Treasurer’s office, will reconcile the PACE assessment payment and send the payment to the PACE Capital Provider through the Program Administrator or a Trustee/Paying Agent approximately 30 days from when the County Treasurer’s office receives the payment. Any late fees and default interest, as calculated pursuant to state law, on the PACE assessment portion (not including the ad valorem) will be paid to the Capital Provider.

(7) A plan to finance the PACE Program pursuant to the issuance of PACE bonds under or in accordance with Section 35 of the PACE Act.

Public funds will not be used for the PACE Program unless authorized by the County. The PACE Program will operate as an open market PACE Program so it will be necessary for the PACE Program to have qualified and experienced Capital Providers and a documentation mechanism to fund the PACE Program. The County has options as to the debt instrument and documentation mechanism as it relates to bonds, notes, and or assignments. The County has the option to allow the bonding through a PACE bond conduit or the County can bond itself.

(8) Information regarding all of the following, to the extent known, or procedures to determine the following in the future:

(A) Any revenue source or reserve fund or funds to be used as security for PACE bonds described in paragraph (7);

Revenue sources or reserve funds will not be used.

(B) Any application, administration, or other PACE Program fees to be charged to Record Owners participating in the PACE Program that will be used to finance all or a portion of costs incurred by the County as a result of the PACE Program;

The Record Owner will be charged an application fee, cost of issuance fees & closing costs associated with the closing of a PACE transaction, interest on the funds financed by the PACE Capital Provider, and servicing fees for the on-going monitoring and collection of the PACE Assessment. Details of these costs will be in the Program Guidelines.

Application Fee

- For the initial application review to check eligibility a nominal application fee will be charged to the Record Owner. The fee that is paid is non-refundable, but will be credited to the Program Fee required at the time of closing.

At Closing/Cost of Issuance

- County Fee – Based on a percentage of the overall PACE Financing amount or a set amount for participation in the PACE Program
- Program Administration Fee – Based on a percentage of the overall PACE Financing amount or a set amount for work associated with the administration of the PACE Program
- Closing Costs - Can include title reports, credit checks, owner's legal, Trustee fees, recording charges, and third-party reports such as the Energy Project assessments, appraisal reports, and environmental reports. Some fees may not apply depending on transaction scope and owner's availability to provide certain due diligence reports
- Closing Cost Bond Counsel – Based on a percentage of the overall PACE Financing amount or a set amount for the closing and issuance of the bond

Elective/Discretionary

- Capital Provider Fee - If applicable, an origination fee charged Record Owner from Capital Provider
- Closing Cost Bond Issuer – If applicable, a fee charged by a bond issuer such as the Illinois Finance Authority for the closing and issuance of the bond
- Debt Service Reserve – If applicable, a reserve required by Capital Provider

- Escrow Fees for the funding of the improvements, if necessary

Servicing (on-going)

- County Treasurer – Based on a percentage of the overall PACE debt service payment or a set amount for the collection and processing of the PACE Assessment from the real estate tax bill
- Program Administration Maintenance Fee - Based on a percentage of the overall PACE debt service payment or a set amount for the collection and processing of the PACE Assessment from the real estate tax bill and for the reporting and payment reconciliation to the County/Trustee.

Capital Providers may be charged a fee to participate in the PACE Program.

(9) A requirement that the term of an assessment not exceed the useful life of the energy project financed or refinanced under an assessment contract; provided that an assessment contract financing or refinancing multiple energy projects with varying lengths of useful life may have a terms that is calculated in accordance with the principles established by the program report.;

The repayment term of a PACE Financing shall not exceed the expected life of the proposed Energy Project as described in the Energy assessment. For Energy Projects that include multiple improvements, the term of a PACE Financing may not be greater than the improvement with the longest expected useful life. The measure with the longest expected useful life must be a substantial portion of the Energy Project, subject to the Program Administrator's review and approval. In no case shall the term of an assessment contract exceed 40 years.

(10) A requirement for an appropriate ratio of the amount of the assessment to the greater of the value of the property as determined by the office of the county assessor or the value of the property as determined by an appraisal conducted by a licensed appraiser ;

- Pursuant to the PACE Act, the principal amount of the PACE Financing may not exceed 25 percent of the value of the Property
- Recommend that the PACE Financing plus the outstanding principal on all mortgage liens secured by the property shall not exceed 100% percent of the Property value, unless otherwise approved by the Program Administrator. For example, a commercial building with an assessed or appraised value of \$1,000,000 that requests a \$250,000 PACE Financing must have total outstanding mortgage loan balance(s) as of closing of the PACE Financing that are not greater than \$750,000. *Capital Providers may have additional limits based on their underwriting criteria*

- Pursuant to the PACE Act, property value will be determined by either the assessed value from the county assessor's office or alternatively Record Owners may supply an appraisal prepared by an independent licensed real estate appraisal firm. Record Owners of not-for-profit properties must provide an appraisal, as described above.

(11) A requirement that the Record Owner of Property subject to a mortgage obtain written consent from the mortgage holder before participating in the PACE Program;

Applicants must provide notice to all existing mortgage lenders of Applicant's intent to enter into a PACE Assessment Contract with the County, which will encumber the Property. Applicant's notice must state the maximum principal amount to be secured by the Assessment Contract, as well as the maximum annual amount to be repaid via the Assessment Contract (assuming there is no default).

Applicant must provide the written consent of the existing mortgage lender(s) of record on the Property prior to Final Application approval by the Program Administrator. The Mortgage Lender Consent must acknowledge the following:

1. The PACE assessment will be part of the general real estate tax bill and therefore the annual payment will have priority to the Mortgage Lender's existing lien.
2. The County, or its assignee, will have the same rights and remedies under the Property Tax Code which could ultimately lead to the foreclosure of the lien on the Property pursuant to tax law if the assessment is not paid. The County is not required to purchase outstanding delinquent PACE liens.
3. The maximum principal amount to be secured by the Assessment Contract.
4. The maximum annual amount to be repaid via the Assessment Contract (assuming there is no default).
5. The levy of the PACE Assessment will not trigger an event of default or the exercise of any remedies under the mortgage loan document or other security agreement held by the lienholder.

The purpose of the Mortgage Lender Consent is to:

- Provide notice to the mortgage holder that the Applicant is proposing the Property participate in the PACE Program, and obtain the mortgage holder's consent to such participation
- Receive confirmation from the Mortgage Lender that the levy of the PACE Financing, pursuant to the Assessment Contract, will not trigger an event of default allowing the Mortgage Lender to exercise any remedies under the mortgage loan documents or other security documents held by the lienholder
- Advise the mortgage holder or lienholder that the PACE Financing will be repaid in Installments collected pursuant to the terms of the Assessment Contract subject to the same penalties, remedies and lien priorities as a special assessment

(12) Provisions for marketing and participant education;

IECA will conduct outreach to organizations that have existing relationships with owners such as IREM, BOMA, ICSC, as well as general business advocacy groups such as the local Chambers of Commerce. Contractors, project developers, and Energy Project assessment firms are also effective channel partners to engage and educate about the PACE Program.

IECA will also develop a website on behalf of the County that will have essential information regarding the PACE Program, benefits, and downloadable marketing materials as well as social media feeds and pages. Separately, there will be a web portal powered by Slipstream (formerly WECC) that will process project applications.

The IECA team has a variety of marketing materials that are ready to be adapted to the County and are tailored to both general audiences and specific stakeholders. The IECA team will provide training and education through in person seminars, workshops, webinars and web-based classes as appropriate.

(13) [Blank]

(14) Quality assurance and antifraud measures.

The Program Administrator will conduct quality assurance for PACE Financings and will enforce antifraud measures in order to ensure that PACE Financings adhere to the requirements stated in the Program Guidelines, as well as requirements enacted by applicable legislation and ordinances. Quality assurance protocols and antifraud measures serve to create safeguards that promote the quality and performance of Energy Projects and the corresponding PACE Financings completed through the PACE Program.

Protocols will assure that buildings improved through the PACE Program meet the property eligibility requirements established in statute and in the Program Guidelines. Measures will also verify that Applicants are eligible Record Owners that are in good standing according to state statute and the Program Guidelines.

Recognizing the public benefit of the clean energy projects, as well as the expected monetary benefits of the Energy Projects that accrue to Record Owners, Program Administrator will apply quality assurance and antifraud measures that promote high quality design and installation of Energy Projects. Quality assurance of Energy Projects will address the Energy Project assessment, the installation contractor and the disbursement of final payments to installation contractors and will be designed to reduce the risk of low-quality installations.

The Program Administrator will qualify Registered Contractors who apply to complete Energy Projects in the PACE Program to ensure they are licensed and meet PACE Program requirements. Additionally, the Program Administrator will qualify and provide oversight of PACE Capital Providers who intend to finance PACE Projects.

The Program Guidelines will define the processes that the Program Administrator will implement to ensure that PACE Financings comply with applicable statutory and PACE Program requirements regarding the terms of PACE Financings, the relationships between the amount of the Financing and the value of the Eligible Property, the appropriate consent of mortgage lienholders subject to a PACE Financing, and other required PACE Program requirements.

The Program Administrator will implement quality assurance and antifraud measures as described in this section; however it is understood that the County intends to implement an open-market PACE Program and that the Record Owner and all providers of goods and services for a PACE Project retain responsibility for operating ethically and assuring the satisfactory implementation of the PACE Project.

The Oversight Committee and Program Administrator may revise and update the quality assurance and antifraud protocols and procedures from time to time.

-----------------------------------	--

This **ASSESSMENT CONTRACT** (this “**Agreement**”), dated as of {EFFECTIVE DATE} (the “**Effective Date**”), is by and between The County of Winnebago, Illinois (the “**County**”) a political subdivision of the State of Illinois, and {PROPERTY OWNER}, a {PROPERTY OWNER DESCRIPTION} (the “**Property Owner**”) the owner(s) of record, of the fee interest in the real property described on Exhibit A (the “**Property**”). The Property Owner completed an application (the “**PACE Application**”) to participate in a property assessed clean energy (“**PACE**”) financing program (the “**Program**”) offered by the County pursuant to the Property Assessed Clean Energy Act, 50 ILCS 50/1 et. seq. (the “**PACE Act**”) and administered by The Illinois Energy Conservation Authority NFP (the “**Administrator**”), in order to finance or refinance certain qualified “energy projects” (as defined in the PACE Act) that benefit the Property, as described on Exhibit A (the “**Improvements**”). The Property Owner will repay the Financed Amount, accrued interest, closing costs, administrative expenses of the County, indemnities, penalties and any other amounts payable under this Agreement through tax assessments levied on the Property from time to time by the County pursuant to the PACE Act (the “**Special Assessments**”). The Property Owner has entered into the Supplemental Commercial PACE Agreement, dated on the date hereof, with {CAPITAL PROVIDER}, a {CAPITAL PROVIDER DESCRIPTION} (the “**Capital Provider**”) in connection with this agreement (the “**CPACE Supplemental Agreement**”). This Agreement establishes the terms of participation in the Program and payment of the Special Assessments.

SPECIAL ASSESSMENTS. The Property Owner agrees that from and after execution of this Agreement, the Property shall be subject to Special Assessments that will be levied by the County from time to time in the amounts necessary to repay all amounts owing under this Agreement until any and all such amounts have been paid in full. The Special Assessments will be a lien against the Property (the “**Lien**”) until such amounts are paid in full. The Lien will be coequal to and independent of the lien for general taxes on the Property. If title to the Property is transferred, the obligation to pay the Special Assessments and the Lien will remain with the Property and will be effective against any future owner of the Property until the Special Assessments have been paid in full.

USE OF FUNDS. The Property Owner will use the financing obtained under this Agreement solely for the purpose of financing the actual costs of materials, labor and fees necessary for installation of the Improvements and entering into this Agreement and the other PACE Documents (as defined below); provided that Property Owner, Capital Provider and Administrator may agree to reasonable changes to the scope of the Improvements, so long as the revised Improvements continue to be qualified energy projects and the Financed Amount is not increased. If such actual costs exceed the Financed Amount, the Property Owner is solely responsible for such excess.

ASSESSMENT PAYMENTS. The installments that the Property Owner is anticipated to pay under the Special Assessments are described on Schedule I (“**Assessment Payments**”). The exact amount of each Assessment Payment (reflecting any adjustments to such amounts related to applicable prepayments, variable interest rates, changes to administrative expenses, indemnities or other unscheduled amounts payable by or credited to

Property Owner pursuant to this Agreement) and due dates will be disclosed in the regular property tax bills from the County along with the Property Owner's other property taxes and must be paid with those property taxes. Assessment Payments are not subject to discount or any other credit for early payment.

INTEREST. Interest will accrue on the outstanding portion of the Financed Amount at the Interest Rate described above on the basis of a 360-day year consisting of 12 months of 30 days each. Interest will begin to accrue on the full amount of the Financed Amount beginning on the Effective Date. Each Assessment Payment will include the full amount of interest scheduled to become due within the corresponding 6-month period of the calendar year in which that Assessment Payment is scheduled (each, an "**Interest Period**"). Early payment will not reduce the amount of interest accrued in any Interest Period. The Financed Amount will include capitalized interest sufficient to pay any interest due in the period from the Effective Date to the first day of the Interest Period covered by the first scheduled Assessment Payment.

ADMINISTRATIVE EXPENSES. In accordance with the PACE Act, each Assessment Payment will include amounts necessary to pay the County's costs to administer the Program ("**Administrative Fees**"). Administrative Fees are anticipated to equal \$300 of each scheduled Assessment Payment, but may increase as required by the County.

PROGRAM REQUIREMENTS. Based solely on the recommendation of the Administrator and the representations of the Property Owner in this Agreement and in the related PACE Application, the County has determined the Property Owner has met all necessary Program requirements to enter into this Agreement.

DISBURSEMENTS. If installation of the Improvements is not complete as of the Effective Date, Property Owner and Capital Provider shall enter into an agreement governing the [escrow and] disbursement of any undisbursed portion of the Financed Amount ("**Disbursement Agreement**"). Otherwise, relevant portions of the Financed Amount will be disbursed to or at the direction of the Property Owner. The terms of any Disbursement Agreement shall be consistent with the requirements of the program guidelines for the Program (the "**Program Guidelines**"). In connection with disbursements, the Property Owner and Capital Provider shall provide Administrator with information required to confirm the installation of the Improvements in accordance with the Program Guidelines. Capital Provider and Property Owner shall conduct their own review of each draw request to determine the suitability of the PACE Project and its compliance with the PACE Act and the Program Guidelines. As required by the PACE Act, the Property Owner and the Contractor shall deliver a completion certificate ("**Completion Certificate**") stating that the work on the Improvements has been completed in a satisfactory manner and the Improvements have been properly acquired, constructed, installed, and operating as intended to the Capital Provider and Administrator prior to the final disbursement of the Financed Amount. Each Disbursement Agreement shall provide that any portion of the Financed Amount remaining undisbursed by the earlier of the Completion Deadline (as extended by agreement of Capital Provider, Administrator and Property Owner) and the delivery of the Completion Certificate shall be used to repay the Financed Amount.

PREPAYMENT. The outstanding Financed Amount may be prepaid in whole or in part upon no less than 45 days written request to the Administrator at any time. Prepayments will be applied at the end of the month in which funds are received. Upon receipt of the request for prepayment, the Administrator will provide a payoff statement and payment instructions, which shall be binding without apparent errors. The amount of any prepayment will include a rebate of unearned interest, if applicable, a prepayment premium equal to the amount set forth on **Exhibit A** attached hereto and an administrative fee of \$350. Following a partial prepayment, you may either continue to owe Assessment Payments in the same amount as prior to such prepayment but decrease the total number of scheduled Assessment Payments or, upon request, revise the schedule of Assessment Payments in a manner that results in smaller scheduled Assessment Payments that amortize the remaining Financed Amount after the application of the prepayment over the original term. Following any prepayment, Capital Provider will deliver a revised **Schedule I** to Property Owner, which, upon approval by Administrator, shall replace Schedule I from the date of the prepayment without further act. Due to circumstances outside of the Program's control, certain prepayments (including those applied after February 15 of any calendar year) may result in the Property Owner receiving a tax bill that does not reflect that prepayment. In these circumstances, the Property Owner must pay the full tax bill, and the Administrator will refund overpayments to the Property Owner when received from the County.

LATE PAYMENT. Under Illinois law, if the Property Owner fails to pay any Assessment Payment on a timely basis, such delinquent Assessment Payments will be subject to the same penalties as other delinquent property taxes, which initially incur a penalty of 1.5% per month and continue to incur increasingly steep penalties mandated by statute if such taxes remain unpaid, including loss of title to the Property. The Property Owner will be responsible for any fees, default interest or other charges related to a delinquent Assessment Payment and such amounts shall become part of the Special Assessments levied under this Agreement.

FORECLOSURE. The Property Owner acknowledges and agrees that upon failure to pay any Assessment Payment, the County has the right to enforce collection of delinquent Assessment Payments, associated penalties and all costs of suit (including attorneys' fees) by all lawful means, including through a tax certificate sale or an issuance of a tax deed or other process that could result in Property Owner losing title to the Property. The Property Owner acknowledges that the County has the right to obligate itself, on behalf of the County Parties (as defined below), to exercise such rights and remedies with respect to enforcement of delinquent Special Assessments to the extent permitted by applicable law.

NO ACCELERATION; NO REDUCTION OR OFFSET; SURVIVAL. Except as provided below with respect to Eminent Domain, the outstanding portion of Financed Amount and scheduled Assessment Payments related thereto will not accelerate upon a default or late payment or enforcement of remedies by the County under this Agreement. The Special Assessments, the Lien and the obligation to pay subsequent Assessment Payments when they become due shall survive any such event and continue until paid in full. The Property Owner acknowledges and agrees that the Special Assessments will not be subject to reduction, offset or credit of any kind for any reason, including the Improvements' failure to perform as expected.

ANTIDEFICIENCY. Without limiting any rights or obligations agreed by the Property Owner and Capital Provider under the CPACE Supplemental Agreement, Property Owner will not be personally liable under this Agreement for any delinquent amount of a Special Assessment that remains outstanding after the completion of the exercise of applicable remedies by the County in respect of such amount (including a tax sale of the Property), except for indemnification rights arising from an event of fraud, willful misconduct or reckless disregard by Property Owner (which the County or other indemnitee may pursue from Property Owner under any available method permitted by law).

NO WARRANTIES; LIMITATION OF LIABILITY. NEITHER THE COUNTY NOR THE ADMINISTRATOR MAKES ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, REGARDING THE IMPROVEMENTS, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY AND ALL IMPLIED WARRANTIES ARE EXPRESSLY DISCLAIMED.

Upon receipt of written confirmation from the Capital Provider that such amounts have been paid in full, the County or the Administrator will promptly record a termination of this Agreement.

DIVISION OF PROPERTY. If the property is subdivided before the Special Assessments are paid in full, the outstanding Special Assessments will be allocated among the subdivided parcels in the same proportion used for allocating other property taxes on such parcels, unless otherwise agreed by Administrator, Property Owner and Capital providers.

EMINENT DOMAIN. If the Property or any part thereof is taken by eminent domain or other taking in a manner that would extinguish all or a portion of the Property Owner's (or that of its successor by eminent domain) obligation to make Assessment Payments following such exercise of eminent domain, then Property Owner may be required to pay all or a portion of the outstanding Financed Amount in accordance with the CPACE Supplemental Agreement.

RECORDATION OF DOCUMENTS. The parties acknowledge that this Agreement shall be recorded in the office of the County Recorder on or about the Effective Date.

WAIVERS, ACKNOWLEDGMENT AND AGREEMENT. To the extent permitted by applicable law, the Property Owner expressly waives any right for a public hearing regarding the Special Assessment. The Property Owner also waives any right to repeal or challenge the Special Assessments either by lawsuit or by any other proceeding. The Property Owner acknowledges and agrees that the Property Owner and its successors in interest to fee title in the Property shall be solely responsible for the installation, operation and maintenance of

the Improvements. {FINANCED AMOUNT}	{EFFECTIVE DATE}	{MATURITY DATE}	{INTEREST RATE}

Registered Owner: [{CAPITAL PROVIDER}, {CAPITAL PROVIDER DESCRIPTION} (together with its successors and assigns, "**Registered Owner**")

1. PAYMENT OBLIGATIONS

- 1.1 Obligation to Pay Amounts Due Under this Note from Pledged Revenues. The County of Winnebago, Illinois (the "**County**"), a public body municipal and corporate, in consideration of the Registered Owner's funding of the Financed Amount under the Assessment Contract ({PROPERTY ADDRESS 1} PROJECT), dated {EFFECTIVE DATE}, between the County and {PROPERTY OWNER}, {PROPERTY OWNER DESCRIPTION} (together with its successors and assigns, "**Property Owner**") attached hereto as Exhibit A (the "**Assessment Contract**" and, together with this Note, the "**PACE Documents**"), hereby promises to pay, in the amounts and at the times set forth in the Assessment Contract, to the Registered Owner, solely from the assessments and other amounts owed by the Property Owner under the Assessment Contract and assigned to the Registered Owner by the County hereunder, and from any other source identified herein (collectively, the "**Pledged Revenues**"), the principal sum of this Note set forth above, together with interest, fees, penalties, indemnities and other amounts payable on such amounts under the Assessment Contract or pursuant to applicable law, other than (i) amounts collected from direct or indirect indemnification rights for the benefit of the County or any person other than the Registered Owner pursuant to the Assessment Contract or any related document, (ii) amounts identified and assessed as administrative fees and expenses to the extent payable to or on behalf of the County or its agents in accordance with the Assessment Contract and (iii) 80% of the sums received by the County from the collection of penalties and statutory interest on delinquent payments under the Assessment Contract, which shall be retained by the County as collections fees.
- 1.2 Cumulative Obligations. The County's obligation to pay amounts due under this Note from the Pledged Revenues shall be cumulative. For the purposes of this Note, the term "cumulative" shall mean that if any amounts due under this Note are not paid when due, such amounts shall remain due and payable until actually paid and shall be paid by the County as soon as any Pledged Revenues are available to pay such amounts.
- 1.3 Assignment and Pledge. The County hereby grants and assigns the Pledged Revenues to the Registered Owner and to the extent not assigned, conveys and pledges to the Registered Owner a first priority security interest in and to the Pledged Revenues. The County may not issue additional notes payable from the Pledged Revenues or otherwise

assign, pledge, or encumber the Pledged Revenues, without the written consent of the Registered Owner.

- 1.4 Principal Reductions. To the fullest extent permitted by applicable law, the County shall not permit any reduction or deferral in the amount due and owing under the Assessment Contract, without the written consent of the Registered Owner.
- 1.5 Payment Obligations Unconditional. The County's obligation to transfer or cause the transfer of the Pledged Revenues it receives from the Property Owner to the Registered Owner shall be unconditional, and the County shall make or cause such transfers without any deduction for any reason, including any set-off or defense the County may have or assert against the Registered Owner.
- 1.6 Term. All obligations of the County hereunder shall terminate on the date when all amounts due under the Assessment Contract have been received by the Registered Owner as set forth herein. No more than 30 days following receipt of final payment hereunder, Registered Owner shall deliver written confirmation thereof, so that a termination of the Assessment Contract may be recorded as required therein. Notwithstanding the foregoing or anything else set forth herein, and in addition thereto, if at any time all or any part of any payment received by the Registered Owner under or with respect to this Note is or must be rescinded or returned for any reason whatsoever (including, but not limited to, determination that said payment was a voidable preference or fraudulent transfer under insolvency, bankruptcy or reorganization laws), then the obligations hereunder shall, to the extent of the payment rescinded or returned, be deemed to have continued in existence, notwithstanding such previous receipt of payment by the Registered Owner, continue to be effective or be reinstated as to such payment, all as though such previous payment to the Registered Owner had never been made. The provisions of the foregoing sentence shall survive termination of this Note and shall remain a valid and binding obligation of County.
- 1.7 Adjustments to Scheduled Payments. To the extent that the Assessment Contract contemplates adjustments to Assessment Payments becoming due (such as interest rate changes or prepayments), the Registered Owner or its designee shall be responsible for making such calculations and delivering them to the Program Administrator in a timely fashion. So long as necessary information regarding adjustments to any scheduled Assessment Payment (as defined in the Assessment Contract) is delivered by the Registered Owner to the Program Administrator before {ANNUAL TAX FILING DATE} of each calendar year, then the County shall include such adjustments on the next tax roll applicable to the Property (as defined in the Assessment Contract). The Program Administrator shall promptly deliver any prepayment notices received from the Property Owner to the Registered Owner or its designee, and the Registered Owner shall promptly provide (a) a calculation of the required prepayment amount, including any prepayment premium and rebated interest, and (b) payment instructions.
