# Executive Summary

**Prepared By:** Animal Services Department, Department Administrator Brett Frazier

**Committee:** Public Safety & Judiciary Committee

**Committee Date:** February 17, 2021

**Ordinance Amendment Title:** Ordinance Amending Low Income Eligibility Verification Requirements and Adoption Fee Schedule at Animal Services

**County Code:** Winnebago County Code, Chapter 14 - Animals

**Board Meeting Date:** February 25, 2021

### Budget Information:

<b>Was item budgeted?</b> NA	<b>Appropriation Amount:</b> \$ 0
<b>If not, explain funding source:</b>	
<b>ORG/OBJ/Project Code:</b>	<b>Budget Impact:</b>

### Background Information:

Currently county code requires that the Animal Services Department utilize WIC eligibility standards, including income and household size, in order to verify low-income status for residents attempting to access department low-income services. These services include the spay/neuter voucher program and owner requested euthanasia. In order to assess eligibility, currently code requires that a resident prove eligibility by assembling documents that demonstrate household income and number of persons in the household so that our clerks can then assess if documentation is sufficient and if the resident is eligible. This change would simply adopt the language of state statute related to these same animal related services and allow county residents who can prove they are eligible for the assistance programs noted in statute to also be approved for low-income services provided by the Animal Services Department.

The statute refers to “low income residents who are eligible for the Food Stamp Program or Social Security Disability Benefits Program” (Food Stamp Program is now called SNAP but is also still referred to often as Food Stamps). The easiest way for those residents to prove eligibility for those programs would be to show that they are approved by those programs for those benefits with a card or approval/determination letter. This allows our department to avoid redoing the work of eligibility verification already done by those programs.

The dog adoption fee rate has not been adjusted in many years. Even after this adjustment, the Animal Services Department’s dog adoption fee is low compared to other dog adoption facilities in the region. A modest adjustment in dog adoption fee will cover more of the costs associated with the care and adoption of dogs and the operation of the department generally. This adjustment will not have a negative impact on positive outcomes for dogs available for adoption at Animal Services nor will it negatively impact the number of days a dog spends at Animal Services prior to adoption.

# Executive Summary

**Recommendation:**

To approve and adopt the amendment to county code as presented.

**Contract/Agreement:**

NA

**Legal Review:**

The State's Attorney's Office assisted in drafting the ordinance amendment.

**Follow-Up:**

If approved, the Animal Services Department will update public information relating to the areas of code to be amended. Staff will be trained on the new income eligibility verification requirements for Department services for which the verification of a household as low-income is required.
